 'I love everything about this book...For the first time ever, a book actually gave me goosebumps!'—5 Stars, NetGalley Reviewer  
 Today is the Mondayest Monday ever. Hallie Winstone has been fired – and it wasn't even her fault!  
*Sweet, Clean Romance* Rachel Schurig  
 Black Mirror meets What If It's Us in this gripping, romantic, and wildly surprising novel about two boys lost in space trying to find their way home—while falling in love—from the critically acclaimed author of *We Are the Ants*. When Noa closes his eyes on Earth and wakes up on a spaceship called Qriosity just as it's about to explode, he's pretty sure things can't get much weirder. Boy is he wrong. Trapped aboard Qriosity are also DJ and Jenny, neither of whom remember how they got onboard the ship. Together, the three face all the dangers of space, along with murder, aliens, a school dance, and one really, really bad day. But none of this can prepare Noa for the biggest challenge—falling in love. And as Noa's feelings for DJ deepen, he has to contend not just with the challenges of the present, but

also with his memories of the past. However, nothing is what it seems on Qriosity, and the truth will upend all of their lives forever. Love is complicated enough without also trying to stay alive.

"Charming. . . . A moving testament to the diversity and depths of love." —Publishers Weekly You'll laugh, you'll cry, you'll be swept away—in less time than it takes to read this paragraph. Here are 175 true stories—honest, funny, tender and wise—each as moving as a lyric poem, all told in no more than one hundred words. An electrician lights up a woman's life, a sister longs for her homeless brother, strangers dream of what might have been. Love lost, found and reclaimed. Love that's romantic, familial, platonic and unexpected. Most of all, these stories celebrate love as it exists in real life: a silly remark that leads to a lifetime together, a father who struggles to remember his son, ordinary moments that burn bright.

"Dr. Carnavale? We have him all comfortable now if you'd like to come with me." She looked up, the dazed and bruised expression still there after an hour of fear and confusion, hands clenched tightly on her lap. Linda, the head ICU nurse, had seen her over the years; but she looked smaller now, dignified even in her flounced denim skirt and peasant blouse, her gray shoulder-length hair pinned back with barrettes centered with turquoise stones. She stood carefully. Linda lightly held her arm and guided her down the hall. They turned into the room, and even though she knew what she would see, despair settled on her at the sight of the tubes and monitors. There he lay, his beautiful white hair still thick with waves, his eyelashes surprisingly black. "As the doctor told you, he's comfortable, and nothing will happen until you say so. If you'd like, you could go home until your children arrive," pushing a chair closer for her even as she said it and moving a table closer so she could reach the tissues and ice water. "There's a blanket here, and feel free to lay on the other bed if you like. We'll be right down the hall if you need us." She found his left hand with both of hers and laid her forehead against them. "I'm so sorry, my darling. I know I promised. It's just until the children get here. I didn't want you all stiff and cold when they came. Don't be mad. I love you." Oh how she wished it was a dream, that she'd wake up and hear him, "Baby girl, I'm here. Where are you?" Fifty-five years how could it be, how could it possibly be since the day she first saw him.

A Cute Love Story Emily Donovan doesn't have a romantic bone in her body. At least, that's what her friends Ryan and Ashley keep telling her. They're convinced her bad luck with men is directly related to her life-long lack of interest in all things romantic. When Emily's latest relationship crashes and burns, she decides to go along with her friends' plans for a romance research project. Sure, the idea that she'll have better luck if she learns about the great romances of literature and film seems a little silly, but Emily figures it can't hurt. In no time at all, Emily finds herself buried under a mountain of romance novels, chick flicks, and sappy love songs, hopeful that her hard work will pay off with true love. When she meets Greg, Ashley and Ryan are convinced she's found prince charming—after all, he's rich, handsome, and totally

into Emily. What more could she want? And why does it seem that her friend Elliot isn't exactly happy for her? Faced with misunderstandings, miscommunications, and a seemingly endless string of missteps, she is nevertheless determined to give true love a try. In doing so, Emily will eventually find that true romance, the kind that lasts, has little to do with stereotypes or clichés, and everything to do with finding out what's in her own heart.
