When Jeremy Malory hires
Danny, a young woman
who grew up on London's
streets disguised as a
boy, as his upstairs maid,
he secretly intends to

make her his mistress.
But Danny surprises him
with her dreams of
becoming a refined lady
and a gentleman's wife.
As she transforms from
urchin to elegant beauty
before Jeremy's eyes, she
unwittingly captivates the
charming scoundrel. Now
high society tongues are
wagging: Who is this
mysterious newcomer,
and what is the truth

about her past? No matter
that a lifelong adversary
will go to any lengths to
ensure Danny's downfall,
Jeremy, who vowed never
to succumb to matrimony,
finds his resolve
weakening as he pursues
a woman whose strong,
passionate nature rivals
his own and promises the
kind of challenge a Malory
man can't resist.

For years, experts have been talking about the power of the human mind—helping us realize the boundless energy that lies untapped, until we set it free. You only have to believe! This

With this power, you can shape your future. Within these pages you will learn to craft your own success story with the help of anecdotes from the author’s own life and those around her, and also to navigate difficult situations with ease. This is a book to remind you of something very

important: The Magic in You! DEEPA RAJANI is a mother to two lovely daughters and an entrepreneur. A few roller-coaster life challenges compelled her to journey inwards, leading her to discover books, mentors and alternative healing. This journey also triggered her to pen her first book, The Magic in You.

His Ruthless Heart

Simon and Schuster
A #1 "New York Times"-bestselling author presents her 45th novel--this one featuring dashing

rogue Boyd Anderson and the American lady who has one very good reason to dislike him, although he's determined to give her many more reasons to love him.

One of the Wattle Birds

Harlequin

#1 New York Times bestselling author Johanna Lindsey now reveals the tempestuous story of Jacqueline Malory whose furious desire for revenge leads to a confrontation with the handsome pirate who abducted her—and sparks a much steamier kind of desire. For the first

time, James Malory and his Anderson in-laws agree on something: It's payback time for the culprit who kidnapped James and Georgina's beloved daughter Jack from her American debutante party and whisked her away to the Caribbean, no matter that she escaped unscathed. James figured out who masterminded the dastardly plot and is leading a fleet of ships to the West Indies to deliver some Malory-style retribution. More interested in revenge than

in finding a husband during her first London Season, Jack is furious that her father left her behind. Then an intriguing stranger leads her and her older brother Jeremy to her mysterious abductor. But instead of capturing him, the Malory siblings wind up as his "guests" on a ship sailing away from England. As Jack re-engages in a battle of wills with her all too attentive captor, she realizes he is no ordinary pirate, perhaps no pirate at all, but a nobleman determined to settle a

score that dates back to the days when her father was known as Captain Hawk—and what endangers her most is the increasingly passionate attraction they feel for each other.

Marry Me by Sundown

Simon and Schuster
Theodor Seuss Geisel, creator of Horton the Elephant, the Grinch, the Cat in the Hat, and a madcap menagerie of the best-loved children's characters of all time, stands alone as the preeminent figure of children's literature. But

Geisel was a private man who was happier at the drawing table than he was across from any reporter or would-be biographer. Under the thoughtful scrutiny of Charles D. Cohen, Geisel's lesser known works yield valuable insights into the imaginative and creative processes of one of the 20th century's most original thinkers. *That Perfect Someone* Harper Collins Excellent Women is probably the most famous of Barbara Pym's novels. The acclaim a few years

ago for this early comic novel, which was hailed by Lord David Cecil as one of 'the finest examples of high comedy to have appeared in England during the past seventy-five years,' helped launch the rediscovery of the author's entire work. Mildred Lathbury is a clergyman's daughter and a spinster in the England of the 1950s, one of those 'excellent women' who tend to get involved in other people's lives - such as those of her new neighbor, Rockingham, and the vicar next door.

This is Barbara Pym's world at its funniest.

Warren is marrying to end a feud. Honoring her mother's wishes, Tiffany reluctantly travels west to meet her estranged father and his enemy's eldest son, rancher Hunter Callahan. Once the Warrens and the Callahans are united by marriage, both clans will stop squabbling over a disputed strip of land. But in the chaos of a train robbery Tiffany seizes a golden opportunity: By assuming the identity of her father's new housekeeper she can live with the father she never

knew while assessing the character of the neighboring cowboy to whom she is betrothed. But the moment she steps off the train, the Callahans steal the "housekeeper" from their rivals, the Warrens! Now Tiffany, masquerading as Jennifer Fleming, finds herself living in the enemy camp, under the same roof as her fiancé, a handsome, sweettalking charmer whom she has to fight off because he can't keep his eyes— or his hands—off Jennifer. After Tiffany's charade is

exposed, she refuses to marry Hunter. How can she wed a man who is in love with another woman? As Hunter goes about claiming his rightful bride-to-be, he knows he loves two women—proper, elegant Tiffany as well as spunky, passionate Jennifer—but he has only one heart to win.
