BREANNA EWING

Magic - The Gathering
Cards Beckett Media
"An entertaining
history of baseball
cards . . . An engaging
book on a narrow but
fascinating topic" (The
Washington Post).
When award-winning

journalist Dave
Jamieson's parents sold
his childhood home a
few years ago, he
rediscovered a prized
boyhood possession:
his baseball card
collection. Now was the
time to cash in on the
"investments" of his
youth. But all the card
shops had closed, and
cards were selling for
next to nothing online.

What had happened? In *Mint Condition*, his fascinating, eye-opening, endlessly entertaining book, Jamieson finds the answer by tracing the complete story of this beloved piece of American childhood. Picture cards had long been used for advertising, but after the Civil War, tobacco companies started slipping them into cigarette packs as collector's items. Before long, the cards were wagging the cigarettes. In the 1930s, cards helped gum and candy makers survive the Great Depression. In the 1960s, royalties from cards helped transform the baseball players association into one of the country's most powerful unions, dramatically altering

the game. In the '80s and '90s, cards went through a spectacular bubble, becoming a billion-dollar-a-year industry before all but disappearing, surviving today as the rarified preserve of adult collectors. *Mint Condition* is charming, original history brimming with colorful characters, sure to delight baseball fans and collectors.

"Jamieson explores the history of card collecting through an entertaining cast of characters . . . For anyone who can recall being excited to rip open their newest pack of cards, *Mint Condition* is a treat."

—Forbes

Beckett Baseball Card Price Guide *Dens Collectors Den* Offers checklists and pricing for popularly

traded baseball card sets from 1909 to present.

Beckett Baseball Almanac #25
