The Weapons of Our Warfare Thomas Nelson

Isaiah 59 portrays a deity in armour warring against rebellious human foes. In this historical investigation, Yoder Neufeld maps the transformation of an ancient tradition into a creative new reading in which God's people put on God's armour and go to battle against God's heavenly foes, as in Ephesians 6. The Pauline recasting of the Isaianic motif, argues the author, is a bracing one.

Years ago, a dear and very beloved woman of God from Plainfield, NJ prophesied to me as I sat in her living room. She has since gone home to be with the Lord but one thing she revealed to me was that I was destined to teach and train prophets. She spoke the word to me with a nonchalance that was striking. I was an educator in the public school system at that time but it had never occurred to me that the lanes and gears in my life were about to shift. I am strongly convinced that just as every apostle needs a prophet, every prophet needs a prophet as

well. This guide is the fruit of my prophetic destiny and it will no doubt help to launch you into yours too. Get ready to be fully equipped as a prophet or prophetic people to stand with others as they engage in spiritual warfare.

It's time to embrace the power of the divine arsenal and triumph in every aspect of your life. Through fresh perspectives, practical insights, and powerful strategies, this book

"Put on the armor of God" has become a battle cry in the church today, but most Christians have no clue how to put it on in a way that unleashes its supernatural, Holy Spirit power. In Weapons of Our Warfare, the first book in his Spiritual Warfare Series, firebrand pastor Greg Locke plumbs the depths of this divine arsenal in fresh new ways that will transform believers' lives and equip them to

defeat the enemy on every front. For anyone ready to suit up and boot up for Jesus and contend for the faith in these last of the last days, this book is a must-read.

I would like to explain to you how we as Christians should protect our families, our marriages, homes, and churches by putting on the whole armor of God in a practical way. If what I'm going to explain to you can keep you out of a divorce court and stop the anger, strife, and evil in your house and church, will you put on the whole armor of God in a real and practical way? Well, of course! Who wouldn't want to put on the armor of God, right? Well, it's no use having

the armor in your house if you don't have a workable plan for putting it on and using it. That's obvious. So let's learn to do it in a practical way that you can perform every day. In this book, I intend to explain the practical application of the armor of God. Hansie Steyn is the founder and president of Hansie Steyn Ministries, Inc. Originally from South Africa, this evangelist, singer, and author currently travels all over America with his family, ministering the Word of God in conferences, revival meetings, live preaching, music broadcasts, and church services. The rich heritage and accent from the nation of South Africa permeates this family's ministry of

teaching God's Word, singing Holy Spirit-inspired original songs, prophetic utterances, and praying for the sick. Salvations, signs, wonders, deliverances, miracles, and healings are a part of the Steyns' meetings. Hansie, his wife Jeanette, and their daughter Elizabeth are now living in America.

The Watchman provides critical, biblical tools for anyone serious about prophetic intercession. This book is meat for believers - not milk - equipping Christians with essential intercessory knowledge that for far too long has not been taught in our churches, Bible schools and seminaries. As the

darkness of this world has encroached into our neighborhoods, many intercessors are realizing we need more weapons in order to effectively put on the whole armor of God and withstand this onslaught. Christ alone is able to deliver us through the warriors He is raising up. The revelations in this book will enable us to boldly stand with our Lord Jesus in the gates of His Kingdom as watchmen, prophetically interceding with His eyes to see, His ears to hear and His mouth to speak what the Spirit is saying to the churches. The Watchman Createspace Independent Publishing Platform The letter to the Ephesian believers is largely misunderstood

these days. While everyone loves Ephesians 2:8 and 9, few are aware of the far-reaching implications to be found in the context surrounding that pair of verses. Ephesians is about kingdoms, community, and warfare. It is about the culmination of the Messianic Kingdom and the blending of Jews and Gentiles into one new community, never before dreamed of by either. This little letter is almost a chapter-for-chapter exposition of Isaiah 55-59. The parallels are fascinating, and carry great significance when considering the meaning conveyed by Rabbi Sha'ul (AKA Paul the Apostle). Readers won't want to miss out on this study, with its insightful approach to

the Scriptures! "EPHESIANS" can serve as an excellent tool for personal study, devotional reading, or group discussion. It contains well-researched material, but is written in a style that is easily accessible to all readers, young and old. Regardless of age or experience, this work will open the reader's eyes to new ideas that will make a tremendous impact on his or her life. Relevant and eye-opening, "EPHESIANS" is a must-read for everyone interested in the message of the Bible- Jews and Gentiles, Christians and Messianics, congregational leaders and "just plain members". At the core of this book lies a call for unity among followers of Messiah

Yeshua, regardless of ethnic background. The author has been part of the Messianic Jewish community for over thirty years, and brings to the discussion a great deal of information relating to the Jewish background of Rabbi Paul. So, prepare to dig into Ephesians from a perspective you've probably never heard before!
