At different

When they

seems  
wonderful and  
lighthearted,  
but when  
they're apart,  
Sparrow is left  
to wonder if  
Ian really  
cares about  
her the way  
he says he

she's just another pretty face to him. Once their relationship steadies, they're both happier than they've ever been, and it's hard to not get caught up in the magic they have together. Until something so devastating comes to light that threatens to shatter everything they've built with each other. Are my

 An elite warrior struggling to find his place in the civilian world. Weary from his years on the battlefield, SF Captain Beckett Hollister has returned home to Crimson Point to take over the family business for his dying father. But adjusting to life outside the military is harder than he imagined, and being back home forces him to confront things he'd rather not face. Including the one woman he shouldn't want and can't have—his best

friend's little sister. A love that was always meant to be. Town vet Sierra Buchanan has known Beckett her entire life. She's crushed on him for years, but because of his relationship with her family, the stubborn man refuses to see her as more than the girl he grew up with. As tragedy brings them together, neither of them realizes that the sins of Beckett's past have come home to haunt him.

When Sierra becomes the target of his unforeseen enemy, Beckett must vanquish his demons to save her. *On the Island* Jillian Dodd "Maddie Goldbloom stitched up a plan to ensure everything in her life was perfect - from a career in fashion to a chic NYC apartment to a pediatrician boyfriend. When her ex, Chase Black, storms back into her life with an outrageous request, her immediate

reaction is to refuse him. But he only wants to fulfill his father's last wish. So even though he's the man who broke her heart, playing his fiancée shouldn't be hard, especially if it means she gets to watch the arrogant devil squirm a bit. What ensues is a chain of events that detonates Maddie's life - and when Chase's walls come down, they both are forced to face reality."-- Provided by publisher.

On the other side of the Shadowpass, rebellion is brewing and refugees have begun to trickle into the city at the edge of the world. Looming high on the cliff is The Nest, a fortress full of mages who offer protection, but also embody everything the rebellion is fighting against: a

strict hierarchy based on magic abilities. When Isha arrives as a refugee, she attempts to fit in amongst the other mages, but her Kher tattoo brands her as an outcast. She can't remember her past or why she has the tattoo. All she knows is that she survived. She doesn't intend to give up now. Tatters, who wears the golden collar of a slave, knows that this rebellion is different

from past skirmishes. He was once one of the rebels, and technically, they still own him. He plans to stay in the shadows, until Isha appears in his tavern. He's never seen a human with a tattoo, and the markings look eerily familiar . . . As the rebellion carves a path of destruction towards the city, an unlikely friendship forms between a man trying to escape his past and a woman trying

to uncover hers, until their secrets threaten to tear them apart. Marry the boy  
next door in  
this sweet  
contemporary  
romance by  
USA Today  
Best Selling  
Author, Jillian  
Dodd. The  
gorgeous  
engagement  
ring on my  
finger mimics  
my happiness.  
I feel so  
sparkly,  
glittery, and  
full of  
promise,

because I  
absolutely  
know he's that  
boy. The boy I  
want to marry.  
My prince. My  
happily ever  
after. But then  
our pastor  
starts asking  
lots of  
questions. His  
parents say I  
haven't dealt  
with my past. I  
have horrible  
wedding  
disaster  
dreams. I  
can't find the  
perfect dress.  
I have to  
manipulate  
him to get my  
way. An old  
boyfriend asks  
me to run  
away with  
him. My best  
friend says I'm  
going to ruin  
everything.

And forever  
starts to  
sound like a  
really long  
time. Which  
totally freaks  
me out and  
makes me  
question  
everything I  
know. Should  
best friends  
get married?  
Will my past  
affect our  
relationship?  
Are my  
horrible  
dreams a  
warning? Will I  
ever find a  
dress? Could  
his sexiness  
be clouding  
my judgment?  
Am I going to  
ruin  
everything? Or  
is it just a  
case of cold  
feet? And then  
I have to

decide. Am I willing to give up on true love forever, or am I going to listen to my heart and marry him? *The Devil Wears Black* Jillian Dodd Inc. First comes love, then comes marriage . . . and then comes That Baby, the third book in the That Boy series by USA Today bestselling author, Jillian Dodd. It's amazing how a few little words can change your life. It starts with a simple I

love you. It's made official with I do. And becomes incredible with I'm pregnant. Jadyn is the girl I love. The girl I've always loved. Our lives are like single threads meticulously woven together--the result an exquisite tapestry of past, present, and future. Then there are the words that will unravel me. A few little words that will change my life. The Kiss Jillian Dodd From USA Today

bestselling author Jillian Dodd comes the fourth book in a sizzling series filled with action and adventure. Fans of *The Selection* and *The Hunger Games* will discover a heart-pounding thrill ride of espionage and suspense set in glittering high society. What will happen when the world goes ka-boom? The assassin known as *The Priest* was tasked with a series of three hits, and the last one blows

up in his face—literally. People will die. People will go on. Unlikely alliances will be formed. And when British intelligence learns that a series of nuclear backpack bombs were smuggled into their country, there's a lot more to worry about than discovering why a covert agent was assassinated over six years ago or what's going to start in Montrovia. "With a kickass heroine and

intrigue, this page turner will have you spellbound and drooling over your new book boyfriend." - H.M Ward, New York Times Bestselling Author "The Spy Girl series is an intrigue filled, exciting ride through a world you'll wish you were part of and want to know more about!" - J. Sterling, New York Times Bestselling Author "Spy girl is 007 meets Gossip Girl level decadence, charm, and

badass! 5+ stars!" - KA Linde, USA Today Bestselling Author "X to me was a younger version of a kick ass Angelina Jolie that had all the moves to back up her reputation as being the best. With gadgets and gizmo's aplenty this book will appeal to the spy in all of us and brings together a fun, flirty, thrilling read." - The Romance Cover "This series will keep you on

the edge of your seat throughout, never knowing what new twist or secret will be revealed. It's the type of book that pulls you in, has you becoming heavily involved in the story and characters, trying to figure out the clues of what has happened or what may happen, and leaves you with wanting and needing more." - Author Groupies "This is a fast paced, exciting

series, full of suspense and riddled with clues that I am trying to figure out as I go." - Reading is my Bliss "Every book I get in this series I end up reading in one sitting because I can't put it down." - The Smutbrarians "I can feel myself getting more and more addicted the further in the series I go. Jillian Dodd really has a knack for creating these crazy worlds full of characters who you cannot help

but love, but what makes this series unique is the mystery surrounding Agent X, better known as Huntley." - Romance Rewind "And then just when I least expected it - BOOM I got slapped with an epic, 'holy shit' cliffhanger!" - Jo at Reading is my Bliss Romance, Contemporary Romance, Conspiracy of the Rich, Trillion Dollar Conspiracy, Teen Romance, New Adult, Save the
