Scarpetta (Book 19) Simon and Schuster

A cold case turns red-hot when a death-row inmate renews his acquaintance with Dr. Kay Scarpetta in this “utterly chilling” (Entertainment Weekly) #1 New York Times bestseller. Settling into her new life as a private forensic consultant, Kay Scarpetta agrees to investigate a cold case in Louisiana—the baffling eight-year-old murder of a woman with a history of blackouts and violent outbursts. Then she receives news that chills her to the core: Jean-Baptiste Chandonne—the vicious and unrepentant Wolfman who pursued her to her very doorstep—has asked to see her. From his cell on death row, he demands an audience with the legendary Dr. Scarpetta. With her friends and family by her side, Scarpetta tries to guess what sort of endgame this madman has in mind—how, if at all, it’s related to the Louisiana case—and then confronts the shock of her life: a blow that will force her to question the loyalty and trust of all she holds dear...

Dust Penguin

With unparalleled high-tension suspense and the latest in forensic technology, Patricia Cornwell once again proves her exceptional ability to surprise—and to thrill—in this electrifying Kay Scarpetta novel. A body, oddly draped in an unusual cloth, has just been discovered inside the sheltered gates of MIT, and it’s suspected the identity is that of missing computer engineering grad student Gail Shipton, last seen the night before at a trendy Cambridge bar. It appears she’s been murdered, mere weeks before the trial in her \$100 million lawsuit against her former financial manager, and Massachusetts Chief Medical Examiner Kay Scarpetta doubts it’s a coincidence. She also fears the case may have a connection with her computer genius niece, Lucy. In *Dust*, Scarpetta and her colleagues are up against a force far more sinister than a sexual predator who fits the criminal classification of a “spectacle killer.” The murder of Gail Shipton soon leads deep into the dark world of designer drugs, drone technology, organized crime, and shocking corruption at the highest levels.
