## QUINCY GLOVER

The Woods Simon and Schuster

A true queen of urban fantasy—the New York Times bestselling author of the wildly popular series featuring bounty hunter witch-turned-daywalking demon Rachel Morgan—the phenomenal Kim Harrison explores the Hollows more deeply than ever before in *Into the Woods*, her first collection of short stories. Rachel is here, as are Jenks the pixie, elven tycoon Trent Kalamack, and an unholy host of vampires, demons, shapeshifters, ghosts, and other assorted supernatural beings, friends and foes. *Into the Woods* combines original work, including a new Hollows novella, as well as all of Kim Harrison's previously published short fiction gathered together in one volume for the very first time. No true Hollows aficionado will want to pass this up—and readers of Laurell K. Hamilton, Kelley Armstrong, Patricia Briggs, and Jim Butcher; fans of Stephanie Meyer's *Twilight* novels and of paranormal romance

superstars Christine Feehan and Sherrilyn Kenyon, will be likewise enchanted.

Out of the Woods Simon and Schuster

Look through the trees, see under leaves and discover what's lurking behind the bushes in this beautifully illustrated flap-book. Young nature lovers will enjoy opening the flaps to discover hidden animals and amazing facts. Look out for birds, squirrels, foxes and bears and find out how trees and woods help make our planet a better place to live.

**Into the Woods** Vintage  
 Emeline's quiet village has three important rules: Don't look at the shadows. Don't cross the river. And don't enter the forest. An illustrated fantasy filled with beauty and power, *Between the Water and the Woods* sweeps you into a world where forests are hungry; knights fight with whips; the king is dying; and a peasant girl's magic will decide the future of the realm . . . When Emeline's little brother breaks all three of their village's rules, she is forced to use her family's forbidden magic to rescue him from the dark things he awakens, the Ithin. Now that the Ithin are afoot in the land, she

must, by law, travel to the royal court and warn the king. But the only way she and her family can make the journey to the capital is with the protection of a sour magister and a handsome, whip-wielding Lash Knight. Will Emeline survive in a city where conspiracies swirl like smoke and her magic is all but outlawed? Seven full-page black-and-white illustrations accompany *Between the Water and the Woods*, a lush, fairy-tale-style fantasy perfect for readers of Karen Cushman and Shannon Hale.

*The Nutshell Technique* Penguin

Krakauer's page-turning bestseller explores a famed missing person mystery while unraveling the larger riddles it holds: the profound pull of the American wilderness on our imagination; the allure of high-risk activities to young men of a certain cast of mind; the complex, charged bond between fathers and sons. "Terrifying... Eloquent... A heart-rending drama of human yearning." —New York Times In April 1992 a young man from a well-to-do family hitchhiked to Alaska and walked alone into the wilderness north of Mt. McKinley. He had given \$25,000 in savings

to charity, abandoned his car and most of his possessions, burned all the cash in his wallet, and invented a new life for himself. Four months later, his decomposed body was found by a moose hunter. How Christopher Johnson McCandless came to die is the unforgettable story of *Into the Wild*. Immediately after graduating from college in 1991, McCandless had roamed through the West and Southwest on a vision quest like those made by his heroes Jack London and John Muir. In the Mojave Desert he abandoned his car, stripped it of its license plates, and burned all of his cash. He would give himself a new name, Alexander Supertramp, and, unencumbered by money and belongings, he would be free to wallow in the raw, unfiltered experiences that nature presented. Craving a blank spot on the map, McCandless simply threw the maps away. Leaving behind his desperate parents and sister, he vanished into the wild. Jon Krakauer constructs a clarifying prism through which he reassembles the disquieting facts of McCandless's short life. Admitting an interest that

borders on obsession, he searches for the clues to the drives and desires that propelled McCandless. When McCandless's innocent mistakes turn out to be irreversible and fatal, he becomes the stuff of tabloid headlines and is dismissed for his naiveté, pretensions, and hubris. He is said to have had a death wish but wanting to die is a very different thing from being compelled to look over the edge. Krakauer brings McCandless's uncompromising pilgrimage out of the shadows, and the peril, adversity, and renunciation sought by this enigmatic young man are illuminated with a rare understanding--and not an ounce of sentimentality. Mesmerizing, heartbreaking, *Into the Wild* is a tour de force. The power and luminosity of Jon Krakauer's storytelling blaze through every page. *Into the Woods* St. Martin's Press Storm, Aurora, and Anything Eden live in a decaying mansion on the edge of the wilds with their erstwhile father and indolent mother. When an accident leaves them orphaned and at the

mercy of the sinister Dr. DeWilde, these three courageous and eccentric sisters are forced to flee into the woods, where they encounter kidnappers, sweet-filled orphanages, mountains of ice, diamond mines, and some ravenously hungry wolves. Taking inspiration from numerous fairytales and weaving them into a wholly original story, *Into the Woods* is a whirlwind of a novel, full of imaginative happenings and dastardly deeds. *Follow Me Into the Woods* Houghton Mifflin Harcourt A boy relates the preparations for, and enjoyment of, his family's annual Thanksgiving in the Woods celebration on his grandparents' farm. Includes words to the Shaker hymn *Tis a Gift to be Simple* and notes about the real gathering on which the story is based. *Within the Woods* Frances Lincoln Children's Books A 2021 National Jewish Book Award Finalist One of Smithsonian Magazine's Best History Books of 2021 "An uplifting tale, suffused with a karmic righteousness that is, at times, exhilarating." —Wall Street Journal "A gripping narrative that reads like a page turning

thriller novel." —NPR In the summer of 1942, the Rabinowitz family narrowly escaped the Nazi ghetto in their Polish town by fleeing to the forbidding Bialowieza Forest. They miraculously survived two years in the woods—through brutal winters, Typhus outbreaks, and merciless Nazi raids—until they were liberated by the Red Army in 1944. After the war they trekked across the Alps into Italy where they settled as refugees before eventually immigrating to the United States. During the first ghetto massacre, Miriam Rabinowitz rescued a young boy named Philip by pretending he was her son. Nearly a decade later, a chance encounter at a wedding in Brooklyn would lead Philip to find the woman who saved him. And to discover her daughter Ruth was the love of his life. From a little-known chapter of Holocaust history, one family's inspiring true story.

Scary stories for striving readers.

[Across the River and Into the Trees](#) Abrams Press  
New from bestselling author Stephanie Perkins, and the perfect

companion to her New York Times bestseller *There's Someone Inside Your House*, available now on Netflix! "The scares here are authentic, and the details meticulous, driven by a smart, distinct narrative voice. Hand this to fans of the film *Midsommar* who will delight in the eerie world building, the disintegration and rebuilding of interpersonal relationships, and the unseen forces of evil that threaten to break two friends apart." —Booklist  
Bears aren't the only predators in these woods. Best friends Neena and Josie spent high school as outsiders, but at least they had each other. Now, with college and a two-thousand-mile separation looming on the horizon, they have one last chance to be together—a three-day hike deep into the woods of the Pisgah National Forest. Simmering tensions lead to a detour off the trail and straight into a waking nightmare ... and then into something far worse. Something that will test them in horrifying ways. Stephanie Perkins, the bestselling author of *There's Someone Inside Your House*, returns with a heart-stopping, gut-wrenching novel about

friendship, survival, and navigating unmarked paths even as evil watches from the shadows.

CHAINSAW MASSACRE,

and WRONG TURN -

HORROR IN THE WOODS

will leave you exhausted

and drained. A brutal,

violent tale that hurtles

along at break-neck pace

- one that horror fans should not miss!

**Thanksgiving in the Woods** Rowman & Littlefield

The former head of BBC Drama and creator of the BBC Writers Academy demonstrates how there is a unifying shape to narrative that echoes the great fairytale journey "into the woods," citing examples ranging from *The Godfather* to *Glee* to illustrate the dynamics of what the author identifies as a five-act essential structure to storytelling.

**Between the Water and the Woods** Yearling

From the critically acclaimed author of the novel *The Good Brother* and memoir *My Father the Pornographer*, *Out of the Woods* is Chris Offutt's fiercely original short story collection the *New York Times* calls "a magical book". Arriving seven years after Offutt's debut collection *Kentucky Straight*, *Out of the Woods* returns a masterly writer to the form which garnered him not only critical praise but many prestigious awards. Offutt, who "draws landscape and constructs dialogue with the eyes and ears of a native son" (*The Miami Herald*), is on strong home turf here, capturing those who have left the

Kentucky hills and long to return. These nine stories of gravediggers and drifters, gamblers and truck drivers a long way from home, are tales so full of hard edges they can't help but tell some hard truths.

Into the Woods Macmillan

Many people dream of escaping modern life, but most will never act on it. This is the remarkable true story of a man who lived alone in the woods of Maine for 27 years, making this dream a reality—not out of anger at the world, but simply because he preferred to live on his own. A *New York Times* bestseller In 1986, a shy and intelligent twenty-year-old named Christopher Knight left his home in Massachusetts, drove to Maine, and disappeared into the forest. He would not have a conversation with another human being until nearly three decades later, when he was arrested for stealing food. Living in a tent even through brutal winters, he had survived by his wits and courage, developing ingenious ways to store edibles and water, and to avoid freezing to death. He broke into nearby cottages for food, clothing, reading material, and other provisions,

taking only what he needed but terrifying a community never able to solve the mysterious burglaries. Based on extensive interviews with Knight himself, this is a vividly detailed account of his secluded life—why did he leave? what did he learn?—as well as the challenges he has faced since returning to the world. It is a gripping story of survival that asks fundamental questions about solitude, community, and what makes a good life, and a deeply moving portrait of a man who was determined to live his own way, and succeeded.

**Into the Wild** Macmillan Children's Books

They went off the grid. Their secrets didn't. For readers of *The Secret History* and *The Immortalists* comes a novel about the allure—and dangers—of disconnecting. "A sharp, spellbinding cautionary tale, one that reminds us that even those who do remember the past might also wind up repeating it."—NPR (Best Books of the Year) Certain that society is on the verge of economic and environmental collapse, five disillusioned twenty-somethings make a bold decision: They gather in

upstate New York to transform an abandoned farm, once the site of a turn-of-the-century socialist commune, into an idyllic self-sustaining compound called the Homestead. Mack, a publicly disgraced grad-school dropout, believes it's her calling to write their story. She immediately falls in love with all four friends, seduced by their charisma and grand plans—and deeply attracted to their secrets. But it proves difficult for Mack to uncover the truth about their nightly disappearances and complicated loyalties, especially since she is protecting her own past. Initially exhilarated by restoring the rustic dwellings, planting a garden, and learning the secrets of fermentation, the group is soon divided by intense romantic and sexual relationships, jealousies, slights and suspicions. And as winter settles in, their experiment begins to feel not only misguided, but deeply isolating and dangerous. Caite Dolan-Leach spins a poignant and deeply human tale with sharp insights into our modern anxieties, our collective failures, and the timeless desire to

withdraw from the world. Praise for *We Went to the Woods* “*We Went to the Woods* is a chillingly cautionary tale for the twenty-first century, an enthralling story of failed nobility and the consequences of trying to escape from a world that will never let you go. Caite Dolan-Leach’s prose is both nimble and elegantly evocative, leading the reader through the idyllic pastures and deadly pitfalls of a rustic experiment gone wrong. As five hopeful idealists try to live off the land, the reader sees their friendships blossom, and yet we hardly dare look, knowing as the seasons turn that something even darker than winter is on its way.”—Christopher J. Yates, author of *Grist Mill Road* and *Black Chalk*  
**The Woods** Harper Collins  
 An elegant introduction to the tree as photographic subject in more than 100 images. Wild or cultivated, rural or urban, solitary or within a forest, trees have long provided a compelling source of inspiration for artists and photographers alike. Both as stand-alone aesthetic objects and as symbols of broader cultural significance, trees have

an understated, sometimes underappreciated, ability to evoke a deep, primal sense of wonder. Whether captured as functional botanical records or as a means of creative expression, *Into the Woods* is an elegant, informative introduction to the ways in which distinctive patterns of branch, bark, leaf, and root have continued to offer arresting subjects for photographers across the centuries. Including more than 100 photographs ranging from the nineteenth through the twenty-first century, supported by insightful commentaries and an introduction, *Into the Woods* illustrates the marvelous world of trees in photography.  
*Into the Woods* Grand Central Publishing  
 "Inspired by the author's grandfather's experiences living in a lodge in the woods, a story of how people and animals survive a forest fire in a small Canadian town"--  
**Out of the Woods** Capstone  
 In the fall of 1948, Ernest Hemingway made his first extended visit to Italy in thirty years. His reacquaintance with Venice, a city he loved, provided the inspiration

for *Across the River and into the Trees*, the story of Richard Cantwell, a war-ravaged American colonel stationed in Italy at the close of the Second World War, and his love for a young Italian countess. A poignant, bittersweet homage to love that overpowers reason, to the resilience of the human spirit, and to the worldweary beauty and majesty of Venice, *Across the River and into the Trees* stands as Hemingway's statement of defiance in response to the great dehumanizing atrocities of the Second World War. Hemingway's last full-length novel published in his lifetime, it moved John O'Hara in *The New York Times Book Review* to call him "the most important author since Shakespeare." *We Went to the Woods* Alice James Books  
God only knows what possessed Bill Bryson, a

reluctant adventurer if ever there was one, to undertake a gruelling hike along the world's longest continuous footpath—The Appalachian Trail. The 2,000-plus-mile trail winds through 14 states, stretching along the east coast of the United States, from Georgia to Maine. It snakes through some of the wildest and most spectacular landscapes in North America, as well as through some of its most poverty-stricken and primitive backwoods areas. With his offbeat sensibility, his eye for the absurd, and his laugh-out-loud sense of humour, Bryson recounts his confrontations with nature at its most uncompromising over his five-month journey. An instant classic, riotously funny, *A Walk in the Woods* will add a whole new audience to the legions of Bill Bryson fans. **Into the Woods** Anchor

*Into the Woods* Abrams Press  
*Horror in the Woods* Theatre Communications Group  
From the author of the bestselling *Hatchet* comes a true story of high-stakes wilderness survival! At the age of five Gary Paulsen escaped from a shocking Chicago upbringing to a North Woods homestead, finding a powerful respect for nature that would stay with him throughout his life. At the age of thirteen a librarian handed him his first book, and there he found a lasting love of reading. As a teenager he desperately enlisted in the Army, and there amazingly discovered his true calling as a storyteller. A moving and enthralling story of grit and growing up, *Gone to the Woods* is perfect for newcomers to the voice and lifelong fans alike, from the acclaimed author at his rawest and realest.
