World Religions And Cults Counterfeits Of Christianity
Volume 1

Downloaded from archive.imba.com by guest

HOPE GIDEON

The Saints of Zion New Leaf Publishing Group

This final book in the series focuses on the atheistic or humanistic type of religions. It would be one of the most valuable for the church in the Western World where anti-god and pro-evolution religions are beginning to explode, for it was written to refute those religions and show how they fail. Unlike most books on world religions, this title dives into the secular humanistic religions. The book starts with God's Word as the absolute authority. In doing so, God becomes our guide to refute false religions. Humanistic religions are all around us and we need to be able to spot their tenets and oppose them instead of allowing them to subtly infiltrate our Christianity and undermine us from within. We need to know how to refute these humanistic religions. We need to know how to effectively present the gospel to people who have been deceived by humanistic

religions

Comparative Religions (Teacher Guide) Harvest House Publishers

Biblical, evangelical, and orthodox, *The Concise Guide to Today's Religions and Spirituality* supplies readers with a comprehensive, A-to-Z information source. Supported by the trustworthy research of Watchman Fellowship and its president, James Walker, its thousands of entries give the basics needed to evaluate spiritual belief systems, movements, and phenomena—Christian, quasi-Christian, and non-Christian—and the people connected with them. Definitions, descriptions, and cross references pack the maximum useful information into concise form, as in these examples: Adler, Margo: A witch affiliated with the Covenant of the Goddess, the second-largest coven in the United States. Adler wrote the highly influential book *Drawing Down the Moon*. See *GODDESS*, *WICCA*. Bioenergy: NEW AGE practice of healing, in which life-energy is balanced by opening blocked meridians. See *HOLISTIC HEALING*. A great resource for individuals—parents, church leaders, counselors, friends who want to give sound advice—as well as for study groups and church libraries.

Counterfeit Religion Master Books

Why are there so many religions? Do they basically teach the same thing? Bruce and Stan address these questions and more as they take a close look at some of the world's major religions and belief systems. From Islam to Jehovah's Witnesses and from New Age Spirituality to Atheism, Darwinism, and Naturalism, *World Religions and Cults 101* features—key teachings of each religion, quick-glance belief charts, brief biographies of leaders, study questions for group or individual use, suggested reading. Readers will also discover why spiritual searching is universal, how each religion compares to Christianity, the characteristics of cults, and what makes Christianity unique. Formerly titled *Bruce & Stan's® Guide to Cults, Religions, and Spiritual Beliefs* [World Religions & Cults Volume 2](#) Princeton University Press. Succinct chapters provide an excellent guide to understanding Islam, Buddhism, Hinduism, Judaism, Taoism, Shintoism, and more.

The Mystery-Religions David C Cook

Almost every day you hear of a new religion-or rediscover an old one. It used to be that you only

heard of these religions when missionaries spoke at your church. Now their followers send missionaries to our doorsteps.

Cults and Christian Counterfeits Tate Publishing & Enterprises

An introduction to the worlds major faiths.

Fatal Faith New Leaf Publishing Group

This eye-opening first volume presents a clear and thorough analysis of "counterfeit" religions like Mormonism, Islam, Deism, Jehovah's Witnesses, Zoroastrianism, and many more.

Major Cults and False World Religions Zondervan

Ruth A. Tucker's book is a comprehensive survey of all the major alternative religions in the United States, including the new groups since the 1960s.

World Religions and Cults Volume 3 New Leaf Publishing Group

Explore the Book is not a commentary with verse-by-verse annotations. Neither is it just a series of analyses and outlines. Rather, it is a complete Bible survey course. No one can finish this series of studies and remain unchanged. The reader will receive lifelong benefit and be enriched by these practical and understandable studies. Exposition, commentary, and practical application of the meaning and message of the Bible will be found throughout this giant volume. Bible students without any background in Bible study will find this book of immense help as will those who have spent much time studying the Scriptures, including pastors and teachers. Explore the Book is the result and culmination of a lifetime of dedicated Bible study and exposition on the part of Dr.

Baxter. It shows throughout a deep awareness and appreciation of the grand themes of the gospel, as found from the opening book of the Bible through Revelation.

The Compact Guide To World Religions P & R Publishing

The vital resource for grading all assignments from the Comparative Religions course, which includes: An examination of over 50 world religious views, always with a focus on the Word of God as truth. Weekly connections to the World Religions and Cults Generalized Timeline Chart with a church and denominational breakdown. OVERVIEW: A world religion is a belief system that attempts to explain some aspect of reality and often how the physical and spiritual world operates, and yet it is independent of another world religion (though they often have different sects, cults, or denominations). A cult is typically defined as a religious offshoot of a major world religion that no longer holds to the core tenets of that world religion. This course cannot examine every world religion, cult, sect, or system, but quite a few have been selected from different belief systems, and these will be critiqued. Note: Because this course is very reading intensive, a teacher might evaluate specific chapters they would prefer to cover, or perhaps adjust the schedule provided to cover a two-year period. FEATURES: The calendar provides daily lessons with clear objectives and guided readings.

World Religions and Cults Volume 2 HarperCollins Christian Publishing

This final book in the series focuses on the atheistic or humanistic type of religions. It would be one of the most valuable for the church in the Western World where anti-god and pro-evolution religions are beginning to explode, for it was written to refute those religions and show how they fail. Unlike most books on world religions, this title dives into the secular humanistic religions. The book starts with God's Word as the absolute authority. In doing so, God becomes our guide to refute false religions. Humanistic religions are all around us and we need to be able to spot their tenets and oppose them instead of allowing them to subtly infiltrate our Christianity and undermine us from within. We need to know how to refute these humanistic religions. We need to know how to effectively present the gospel to people who have been deceived by humanistic religions.

The God-men Domenic Marbaniang

The Saints of Zion is a fresh look at the history and theology of The Church of Jesus Christ of Latter-day Saints. Although hundreds of books have been published on this topic, The Saints of Zion is an attempt to explain Latter-day Saint history and beliefs from their own perspective. Relying heavily on Latter-day Saint sources for exploration and explanation, the work's purpose is to present Latter-day Saint theology in such a way that Latter-day Saints would see their beliefs represented

fairly and accurately. After presenting a short history and exploration of beliefs, the work turns to present an effective evangelistic methodology for reaching Latter-day Saints with the gospel of the New Testament Jesus.

Another Gospel OUP USA

Historic heresies didn't die or fade away. Each generation boasts its own. Even while these counterfeit teachings remain outside the accepted bounds of Christianity, modern-day versions plague churches. So how does a church leader or pastor understand and deal with these age-old controversies when they pop up in the congregation? In this book, Roger Olson describes the curses but also gifts that heresies bring the Church. While heresies can occasionally correct a version of orthodoxy, they are not simple confusions or misunderstandings about impenetrable mysteries of divine revelation. Instead they undermine the faith and are dangerous distortions. The author describes major heresies and how the church dealt with them, the players, and what pastors can do to address these faith issues in order to educate congregations about Jesus, God, and salvation. Also included are questions for individual or group study. Also available - a Leader guide with DVD in which Adam Hamilton hosts on-screen conversations with Roger Olson (9781501806360)

The Church of Scientology New Leaf Publishing Group

Hugh Urban tells the real story of Scientology from its cold war-era beginnings in the 1950s to its prominence today as the religion of Hollywood's celebrity elite. Urban paints a vivid portrait of Hubbard, the enigmatic founder who once commanded his own private fleet and an intelligence apparatus rivaling that of the U.S. government. One FBI agent described him as "a mental case," but to his followers he is the man who "solved the riddle of the human mind." Urban details Scientology's decades-long war with the IRS, which ended with the church winning tax-exempt status as a religion; the rancorous cult wars of the 1970s and 1980s; as well as the latest challenges confronting Scientology, from attacks by the Internet group Anonymous to the church's efforts to suppress the online dissemination of its esoteric teachings.

Counterfeit Christianity Bethany House

Approach the New Testament with confidence. Chronological and Background Charts of the New Testament will help students organize and synthesize the vast amount of biblical and extrabiblical information on the New Testament by providing a helpful visual overview of the data, chronology, historical background, and criticism. This format allows facts, relationships, parallels, and contrasts to be grasped quickly and easily. Perfect for enhancing every type of teaching and learning situation and style, including homeschooling curricula and tutoring, church classes and Sunday school. The 90 charts in this updated, expanded edition are divided into four broad categories: General material for reading and understanding the New Testament. Backgrounds to the New Testament, such as historical and cultural settings. The Gospels—information on their authors, differences, audiences, etc. The apostolic age—chronology, theology, history, interpretations, etc. These charts cover a wide range of topics, from basic information to extrabiblical data such as "The Roman Military System," "Rabbinic Writings," and "The Five Gospels of the Jesus Seminar." Zondervan Charts are ready references for those who need the essential information at their fingertips. Accessible and highly useful, the books in this library offer clear organization and thorough summaries of issues, subjects, and topics that are key for Christian students and learners. The visuals and captions will cater to any teaching methodology, style, or program.

Confronting: the Kingdom of Cults, Counterfeit Christianity, and Hategroups Baker Books V. 3 - Summary: This final book in the series focuses on the atheistic or humanistic type of religions. It would be one of the most valuable for the church in the Western World where anti-god and pro-evolution religions are beginning to explode, for it was written to refute those religions and show how they fail. Unlike most books on world religions, this title dives into the secular humanistic religions. The book starts with God's Word as the absolute authority. In doing so, God becomes our guide to refute false religions. -- <http://www.nlpg.com>.

Cults, World Religions, and the Occult New Leaf Publishing Group

For too long the study of Cults and the Occult has been relegated to the shadows of Christian theology. Viewing the subject matter as dark and sinister, it has been largely ignored by the

contemporary church which has proven more interested in the latest congregational growth trend than genuinely saving and shaping the culture. While the body of Christ has slept, these counterfeit movements have risen to places of prominence to such a degree that the average person is not even aware of the danger they pose. In this revealing book, the major Cult and Occult groups are examined from a fresh, honest, biblical perspective that has one central goal in mind: confronting darkness with light. Rather than scrutinize those aberrations from the traditionalist approach of academic scholarship which has been done time and again, Truth Wins will empower you to take your rightful position as a child of God in the earth, actively destroying the counterfeits one lie at a time. Every time a lie encounters the truth, TRUTH WINS!

Replacing Darwin Mountain Arbor Press

This is one volume of a series of brief books on contemporary religious movements, comparing what they believe with Christian doctrine and explaining effective ways of witnessing to their adherents.

Chronological and Background Charts of the New Testament IVP Books

If Darwin were to examine the evidence today using modern science, would his conclusions be the same? Charles Darwin's *On the Origin of Species*, published over 150 years ago, is considered one of history's most influential books and continues to serve as the foundation of thought for evolutionary biology. Since Darwin's time, however, new fields of science have emerged that simply give us better answers to the question of origins. With a Ph.D. in cell and developmental biology from Harvard University, Dr. Nathaniel Jeanson is uniquely qualified to investigate what genetics reveal about origins. The *Origins Puzzle Comes Together* If the science surrounding origins were a puzzle, Darwin would have had fewer than 15% of the pieces to work with when he developed his theory of evolution. We now have a much greater percentage of the pieces because of modern scientific research. As Dr. Jeanson puts the new pieces together, a whole new picture emerges, giving us a testable, predictive model to explain the origin of species. A *New Scientific Revolution Begins* Darwin's theory of evolution may be one of science's "sacred cows," but genetics research is proving it wrong. Changing an entrenched narrative, even if it's wrong, is no easy task. *Replacing Darwin* asks you to consider the possibility that, based on genetics research, our origins are more easily understood in the context of . . . In the beginning . . . God, with the timeline found in the biblical narrative of Genesis. There is a better answer to the origins debate than what we have been led to believe. Let the revolution begin! About the Author Dr. Nathaniel Jeanson is a scientist and a scholar, trained in one of the most prestigious universities in the world. He earned his B.S. in Molecular Biology and Bioinformatics from the University of Wisconsin-Parkside and his PhD in Cell and Developmental Biology from Harvard University. As an undergraduate, he researched the molecular control of photosynthesis, and his graduate work involved investigating the molecular and physiological control of adult blood stem cells. His findings have been presented at regional and national conferences and have been published in peer-reviewed journals, such as *Blood*, *Nature*, and *Cell*. Since 2009, he has been actively researching the origin of species, both at the Institute for Creation Research and at Answers in Genesis.

Truth Wins Harvest House Publishers

Religions of the Far East like Hinduism, Buddhism, and New Age have been gaining a foothold in the Western world. We even see witchcraft on the rise and paganism infiltrating the minds of the next generation—even in Christian homes! Why is that? How can a Christian respond? We already know how the one true God has responded, and in this title you will learn: □How a Christian can effectively witness for Christ How to refute these false religions What it truly is that these religions teach and why The Christ follower should be set at ease knowing that all other gods are false as the all-knowing God of Scripture has revealed that He is the only God. Therefore, this volume dives into these styles of religions and looks at their origins and their basic tenets as well as why they fall so short. Understanding the basic tenets of these religions helps the Bible believer see the flaws in these philosophies. In this way one can better discern how to be an effective witness for Jesus Christ while standing on the authority of the Bible.
