**Cambridge IGCSE® Combined and Co-ordinated Sciences Coursebook with CD-ROM** Hodder Education

Collins IGCSE Spanish as a Foreign Language provides comprehensive coverage of the Cambridge IGCSE Spanish (0530) syllabus. With a clear structure and engaging content, the Student's Book has been carefully planned around topic-based units so that language learning and skills development can be taught in real-world contexts. All four skills (reading, writing, listening and speaking) are fully covered in a skills-based communicative approach. Content is relevant to the age group and so provides engaging and motivating learning opportunities in real-world contexts. All topics, grammar and vocabulary are mapped to the syllabus, with clear learning objectives highlighted for each section of each unit. Units follow a carefully planned, consistent structure allowing for reinforcement and progression at every stage. The course caters for all levels of ability, including the needs of students with less experience of Spanish or those who need more support. Each unit starts with a *Listo* page to allow for revision and consolidation of earlier language learning. An Introductory unit also serves as a language refresher as well as being specifically designed to engage and enthuse students at the start of the course. The Student's Book also offers opportunities for those looking for an extra level of challenge, with activities included to stretch higher-ability students. The

layout of the book is clear and accessible, with boxed features highlighting key points of grammar, vocabulary or suggestions for taking things further. A checklist towards the end of the unit encourages students to reflect on their progress, and is followed by a useful vocabulary section for ease of reference. Each unit also includes an "El Mundo hispanohablante" spread which offers stimulating, thought-provoking and enjoyable insights into the culture and society of Hispanophone countries. Opportunity for practice, consolidation and revision is provided throughout the course, with exam-style questions in Listening and Reading included to help students develop their skills for success. Audio files are available as a free download from the Collins website for listening comprehension exercises and development of oral fluency. This resource supports both the IGCSE Spanish (0530) and and IGCSE (9-1) 7160 syllabuses. Collins is working with Cambridge Assessment International Education for endorsement of this title to support the full syllabus for first teaching from 2019 and first examination from 2021.

**Cambridge IGCSE First Language English 4th edition** Hodder Education

Exam Board: Cambridge Level: IGCSE Subject: English First teaching: September 2018; First exams: June 2020 Letts Cambridge IGCSE® English Revision Guide provides clear and accessible revision content to support all students, with practice opportunities to build your confidence and help you prepare for your Cambridge IGCSE® English assessments. Cambridge IGCSE Computer Science Hodder Education

The Cambridge IGCSE Chemistry Revision Guide supports students through their course, containing specifically designed features to help students apply their knowledge as they prepare for assessment. This Revision Guide offers support for students as they prepare for their Cambridge IGCSE Chemistry (0620) exams. Containing up to date material that matches the syllabus for examination from 2016 and packed full of guidance such as Worked Examples, Tips and Progress Check questions throughout to help students to hone their revision and exam technique and avoid common mistakes. These features have been specifically designed to help students apply their knowledge in exams. Cambridge IGCSE and O Level Business Studies 5th edition Penguin UK

Brian Keenan went to Beirut in 1985 for a change of scene from his native Belfast. He became headline news when he was kidnapped by fundamentalist Shi'ite militiamen and held in the suburbs of Beirut for the next four and a half years. For much of that time he was shut off from all news and contact with anyone other than his jailers and, later, his fellow hostages, amongst them John McCarthy. OCR GCSE (9-1) Religious Studies Random House

This second edition of a GCSE computer studies text includes chapters on personal computers and desktop publishing, spreadsheets and their applications, and detailed case studies illustrating how a computer system can revolutionize the working environment. The Data Protection Act is also included, together with project work, an extended section on coursework, advice on how to revise and hints on how to pass examinations. Key words are explained in the text in context and highlighted with bold type, and also explained in an extensive glossary.

IGCSE Cambridge International Mathematics (0607) Extended Cambridge University Press

Will has four brothers and it's chaos in his house! If he's not being teased by his big brother Marty, he has to deal with the

terrible, three-headed bundle of cuteness that is his three younger brothers. Even worse, his mother has the brilliant idea of packing Will and Marty off to the library during the holidays. She just doesn't understand! Not only is the library no fun, it's also the habitat of the legendary librarian Spud Murphy. If you put a foot wrong, it's rumoured she will use her dreaded gas-powered spud gun and you don't want that - just ask Ugly Frank how he got his nickname! Eventually Will and Marty discover a love of books and that Mrs Murphy isn't so bad after all!
