Prabhat Prakashan  
Dr. A. P. J. Abdul Kalam,  
President of India, is  
known more as 'Children's  
President'. The man and  
his missions are  
legendary. His prophecies  
about India's future have  
a Messianic fervour. There  
have been books by him  
and on him. But this one

stands apart because it is  
a biography of Kalam for  
children. The eloquent  
illustrations and child-  
friendly language make  
the book really  
unputdownable.  
*A Vision for the New  
Millennium* Prabhat  
Prakashan  
The Luminous Sparks A  
Biography In Verse And  
Colours Written By Dr A P  
J Abdul Kalam, President  
Of India Is A Book Of  
Poems And Biographical

Notes Accompanied With  
Matching And Thought  
Provoking Visuals,  
Created By Well Known  
Painters, To Nurture And  
Bring Out All That Is Kind,  
Gentle And Sincere In  
Human Nature. It Is A  
Pageant Of Sensitive  
Impressions That Shaped  
The Greatest Human  
Being Of This Century Dr  
A P J Abdul Kalam. The  
Poems And Notes Are  
Presented As A Panorama  
Of Incidents From, His

Childhood, His Work Life And Present, Gradually Unfolding The Moments That Made These Thoughts Possible. These Thoughts And Poems Are Like Divine Dewdrops That Fall On The Blades Of Grass Of Our Life To Make It Beautiful. The Words Inspire When They Are Outpourings Of A Heart That Believes And Lives Them. The Biographical Notes Interspersed With The Selected Poems Of Dr. Kalam In The Luminous Sparks Invite Us Again And Again To Read And Reflect, Even As It

Inspires And Soothes The Mind. In Order To Have A Book That Could Deeply Inspire An Inner Monologue For The Superior Personal Values, For Each Poem Paintings Were Created, Some Of Them As Huge Canvasses By Selected Painters. The Relevant Images Were Juxtaposed With Great Thoughts To Make A Total Experience That Leaves A Lasting Impression. Pride of the Nation: Penguin UK  
Dr. Kalam is rare legendary personality. On the whole it is very

difficult to describe his greatness in words. The manifold aspects of a scientist, philosopher, great human being and a President are embodied in one person which is a source of inspiration for us. This book nicely narrates about his childhood days, life as a scientist and 'Missile Man', contributions towards our country, speeches, quotes. Readers are going to know a lot about Dr. A.P.J. Abdul Kalam through this book. Like as how he made India a self-dependent country in

atomic power, how he maintained the dignity of his position by living with simplicity, how he became the president of India despite not having any political background. This book narrates his vision of India by 2020 as a highly developed nation of the world. The language is simple and easy to understand. A must read book for everyone.

Always Dream Big!

Prabhat Prakashan

The definitive biography of India's most loved leader and scientist  
Aeronautical engineer,

rocket scientist, missile man, visionary, teacher and the most inspiring head of state in living memory - Avul Pakir Jainulabdeen Abdul Kalam was all these and more. Unquestionably the most revered Indian leader since Mahatma Gandhi, he transcended all the boundaries and obstacles that came his way in the course of a remarkable life; and he did so with grace and humility. Arun Tiwari tells Dr Kalam's life story with a deep understanding of his formative experiences

and character and reveals him as a man personifying all the glory and paradoxes of his nation: secular and religious; exalted and humble; schooled and unaffected; dynamic and calm; scientific and spiritual - an Indian above all.

A Biography of Dr. A.P.J.

Abdul Kalam Prabhat

Prakashan

A.P.J Abdul Kalam is not only a leader but a phenomenon. He offered great hope to small-town boys and girls. He inspired them to seek Greatness. He often played multiple roles throughout his life. He was a Grandfather, teacher, scientist,

President of India and many more. His story has been told and heard before. He touched millions of people. Many of them have an anecdote up in their sleeves. He kept his family away from his public life. But he was rooted in family. He made sure he attended weddings, kept track of growing children and filled their days with love. The author is a Grand Nephew of Dr. A.P.J. Abdul Kalam and had a chance to grow up in front of his eyes. In this book, his Grand Nephew Gulaam Khwaja

Moinudeen recounts the various roles played by Dr. A.P.J. Abdul Kalam in his life. He tries to show the multi-talented People's President of India in a different light. The roles played by Dr. A.P.J. Abdul Kalam right from Missile Man to Great-Grand father are heart-touching as well as thought-provoking. This book provides a chance to get one more step closer to the life of Dr. A.P.J. Abdul Kalam. It also provides a chance to take a dive into the Greatness of a special human being.

### **Wings of Fire** Rajpal & Sons

A. P. J. Abdul Kalam became President of India in July 2002. He came to the highest office in the land with doubts being cast on the wisdom of appointing a non-politician, even if it was someone as distinguished as him (he is a recipient of the Bharat Ratna for his work on India's space and defence programmes), to the post. What followed, however, was a remarkable presidency that in the next five years transformed the way

people looked at this office, and made Kalam popular in a way few politicians have been. Rashtrapati Bhavan became a much more accessible place in his time, and his enthusiasm for his favourite cause-a developed and strong India-infected all those who came in touch with him. While the reasons for his popularity will be analysed for a long time, P.M. Nair, who was his Secretary, shows through a series of vignettes in *The Kalam Effect* some of the probable causes. One

of them being that Kalam is just a very special human being. P.M. Nair had a long and varied career in the IAS, which he joined in 1967. In July 2002 he was appointed Secretary to the President and continued in that position all through the five years of A.P.J. Abdul Kalam's tenure at Rashtrapati Bhavan.

*Inspiring Thoughts* Harper Collins

Dr. Kalam was born and brought up in a multi-religious, multi-ethnic community, and this type of milieu had a profound effect on his personality. He gave equal respect to all faiths and religions; and he did not pay only lip-service to different religions. During his life, he visited the saints and seers of all faiths, discussed with them and learnt from them. He learnt what divinity and spirituality actually meant, and brought out a blended form. For him, religion is a connecting

thread. He was quite at ease when he quoted from the Gita or the Hadith, or for that matter, from the holy texts of other faiths. In this book, we have made a solemn endeavour to read his mind, how he thought at every turn of his life; and this will help the readers to understand the intricacies of his thinking and how he was guided for a mission in his life. To understand him well, we have also narrated a number of incidents, accidents and events of his life, that would

contribute to holistic understanding about him. He took up the challenges and worked on them wholeheartedly; whenever he failed, he overcame his negativity and came out a stronger man than ever. This is the beauty of his character, and this makes him one of the most popular public figures of all times. May his soul rest in peace! —K. Senthil Kumar, IAS

### **Dreams to Reality**

Prabhat Prakashan

Discover the incredible journey of India's most loved president, APJ Abdul

Kalam - from the little boy in Rameswaram who was fascinated by a coconut tree climber to becoming India's "Missle Man" and then the People's President. One of the leading scientists in the country, Kalam was a true pioneer, an icon who was a leader, but also a mentor and teacher, who believed that the road to a country's success lay with its younger generations.

*Dr. A.P.J. Abdul Kalam Vij Books India Pvt Ltd*

'The story of my life has become intertwined with

the story of this country. And somewhere along the way, as I met a million children across this land, I too learnt from a million minds. This book was not written to only tell my story. I want every young reader to think that this book is his or her story too.' A.P.J. Abdul Kalam has been one of the most iconic figures of Independent India. A scientist, leader, thinker, teacher and writer, he achieved remarkable success in various fields. Yet, what endeared him to so many was his

dedication to the idea of a developed India, his simple and direct way of interacting with people and his deep love for his fellowmen. In *My Life*, Kalam writes his life story starting from his days growing up at Rameswaram; about working on India's space and missile programmes; his years as the eleventh President of India; and about his life thereafter. Full of anecdotes that demonstrate the importance of hard work, commitment, courage and innovative thinking, this

autobiography is a wonderful introduction to a remarkable life. Beautifully illustrated and simply written. My Life will inspire readers of all ages. *APJ Abdul Kamal* Harper Collins  
 In this ground-breaking vision document, first published in 1998, Dr A.P.J. Abdul Kalam and Y.S. Rajan offer a blueprint for India to be counted among the world's top five economic powers by the year 2020. They cite growth rates and development trends to show that the goal is

not unrealistic. Past successes—the green revolution and satellite-based communication linking remote regions of the country, for instance—bear them out. The same sense of purpose can make us a prosperous, strong nation in a matter of years, assert Kalam and Rajan. This is a book that every citizen who hopes for a better India must read. *Learning from the Life of Dr. A. P. J. Abdul Kalam* Rupa Publications  
 Pramukh Swamiji Maharaj, one of the most inspiring

spiritual figures of modern times and the fifth spiritual successor of Bhagwan Swaminarayan, became a friend of the eleventh president of India, Dr A.P.J. Abdul Kalam. Together they created an unparalleled spirituality-science fellowship. In *Roohdaar*, Dr Kalam and Arun Tiwari map a journey of self-realization reflected in the eyes of Pramukh Swamiji, painting a delightful fusion of spirituality, science and leadership. Through the life of Pramukh Swamiji and the

history of the Swaminarayan mission, Dr Kalam traces the great rise of the Indian diaspora across the world. Drawing from the lives of great scientists and creative leaders, the book captures the spiritual essence of all religions and is a tribute to the multi-faith Indian society.

### **My Journey** APH

Publishing

Dr. A. P. J. Abdul Kalam, President of India, is known more as 'Children's President'. The man and his missions are legendary. His prophecies

about India's future have a Messianic fervour. There have been books by him and on him. But this one stands apart because it is a biography of Kalam for children. The eloquent illustrations and child-friendly language make the book really unputdownable.

A Journey Through Challenges Wings of Fire An Autobiography Greatness is not by accident. Greatness is a quality processed, honed and learnt over a lifetime of learning and hard work. Great human beings are

built when a curious mind is met with life-changing lessons, often early in the childhood. Just like the nature and quality of a tree is decided by the characteristic of the seed and how it is sown, the worth of a human life is shaped in the early stage of childhood. Often these life teachings as a growing-up child, transform into the values which set the boundaries of one's adult actions and govern one's decisions. We all know Dr. Kalam as an eminent teacher, an excellent President, an

exception scientist, a talented rocket scientist, a team man, an institution builder and a man of ethics and integrity. But what went behind the scenes, in the formative days of “Little Kalam” which shaped him slowly but surely into Dr. Kalam – the man we remember and admire. This book aspires to take you in this early history of childhood of Kalam tracking “Little Kalam” as he begins his first steps into the sands of Rameshwaram – which one day will translate into a march to the

Rashtrapati Bhawan. **India 2020** Diamond Pocket Books (P) Ltd. It was like any other day on the Anna University campus in Chennai. As I was returning to my room in the evening, the vice-chancellor, Prof. A. Kalanidhi, fell in step with me. Someone had been frantically trying to get in touch with me through the day, he said. Indeed, the phone was ringing when I entered the room. When I answered, a voice at the other end said, 'The prime minister wants to talk with you.'

Some months earlier, I had left my post as Principal Scientific Adviser to the Government of India to return to teaching. Now, as I spoke to the PM, Atal Bihari Vajpayee, my life was set for an unexpected change. Turning Points takes up the incredible Kalam story from where Wings of Fire left off. It brings together details from his career and presidency that are not generally known as he speaks out for the first time on certain points of controversy. It is a

a lot is the thing that the book catches pleasantly. The book remembers numerous tales and stories from youth, his time at school and school. The time spent at the Langley Research Center, NASA and Wallops Flight Facility stands out enough to be noticed. Individual misfortunes have not been forgotten about. At the point when he lost his dad and how he felt when met with many honours like the Padma Bhushan have been written in much detail. The last part of the book manages Dr

Kalam, the researcher who made a huge commitment in fostering the nations directed rocket program, a spearheading exertion for the security of the country. It's not with reason that he was nicknamed as the 'Missile Man of India'.

**Poems** Penguin UK  
A book in memory of the country's most loved teacher. Dr Kalam is often remembered as a teacher par excellence, whose words, thoughts and very life were lessons in many ways. This book is

dedicated by his student Srijan Pal Singh, who worked closely with him, right till the last day of his life. Recollecting his mentor's values, oaths and messages to the youth, Srijan beautifully shares the lessons Dr Kalam taught beyond the classroom. A peek into his daily routine, travels, reflections on various national and international issues, anecdotes and quips, this book helps readers get up-close and personal with the greatest Indian of contemporary times. Featuring many

little-known stories and  
never-before-seen  
photographs, as well as

certain expressions that  
were classic Dr Kalam,  
this heart-warming  
memoir will inspire and

enlighten, immortalizing  
the words and actions of a  
beloved leader.
