JACOBS NELSON

Dicionário Sefaradi de Sobrenomes

Oxford
University Press on
Demand
In 1981, while working as
New Mexico State
Historian, Stanley M.
Hordes began to hear
stories of Hispanos who lit
candles on Friday night

and abstained from eating
pork. Puzzling over the
matter, Hordes realized
that these practices might
very well have been
passed down through the
centuries from early
crypto-Jewish settlers in
New Spain. After
extensive research and
hundreds of interviews,
Hordes concluded that
there was, in New Mexico
and the Southwest, a
Sephardic legacy derived

from the converso
community of Spanish
Jews. In *To the End of the
Earth*, Hordes explores
the remarkable story of
crypto-Jews and the
tenuous preservation of
Jewish rituals and
traditions in Mexico and
New Mexico over the past
five hundred years. He
follows the crypto-Jews
from their Jewish origins
in medieval Spain and
Portugal to their efforts to

escape persecution by migrating to the New World and settling in the far reaches of the northern Mexican frontier. Drawing on individual biographies (including those of colonial officials accused of secretly practicing Judaism), family histories, Inquisition records, letters, and other primary sources, Hordes provides a richly detailed account of the economic, social and religious lives of crypto-Jews during the colonial period and after the annexation of New Mexico by the United

States in 1846. While the American government offered more religious freedom than had the Spanish colonial rulers, cultural assimilation into Anglo-American society weakened many elements of the crypto-Jewish tradition. Hordes concludes with a discussion of the reemergence of crypto-Jewish culture and the reclamation of Jewish ancestry within the Hispano community in the late twentieth century. He examines the publicity surrounding the

rediscovery of the crypto-Jewish community and explores the challenges inherent in a study that attempts to reconstruct the history of a people who tried to leave no documentary record. *The Sephardim of England* KTAV Publishing House, Inc.

This dictionary identifies more than 13,000 German-Jewish surnames from the area that was pre-World War I Germany. From Baden-Wuerttemberg in the south to Schleswig-Holstein in the north. From Westfalen in the west to East Prussia in the east. In addition to providing the etymology and variants of each name, it identifies where in the region the name appeared, identifying the town and time period. More than 300 sources

were used to compile the book. A chapter provides the Jewish population in many towns in the 19th century. [Business Secrets from the Bible](#) Bloomsbury Publishing Find success in finance, friendships, , and spirituality with the advice of a well-known expert It's safe to say that nearly everyone is seeking a happier, more successful life. So then why do so few attain it? Business Secrets from the Bible proposes a new way to view and approach

success—one based upon key concepts from the Bible that are actually surprisingly simple. Written especially for those seeking success in the realms of money, relationships, and spirituality, this book encourages readers to realize their common mistakes, come to terms with them, and turn those mistakes into future triumphs. Filled with concrete advice for improved finances, spirituality, and connection, this resource takes a practical approach

and aims to change not just the minds, but the actions of readers with a self-evident and persuasive pathway. Drawing on his wisdom and knowledge of the Bible, the author reveals the clear link between making money and spirituality, and urges readers to focus on self-discipline, integrity, and character strength in order to achieve personal prosperity. Special emphasis is given to establishing positive attitudes toward making money and adopting

effective Biblically-based strategies. Demonstrates how earnings and profits are God's reward for forming relationships with others and serving them Stresses the importance of service, sharing, change, leadership, and creating boundaries and structures Encourages readers to focus on other people's desires and teaches why and how to make connections with many people Suggests ways for readers to transform themselves and continue toward success even in the face of fear

and uncertainty Attaining wealth and well-being is no longer a mystery. Let this book identify and correct the errors that are keeping you from fulfillment and happiness. [Diaspora and Zionism in Jewish American Literature](#) Canongate U.S. Provides a comprehensive list of Jewish family names with explanations of their meaning and origin. The names are grouped according to the countries in which they first occurred. [Holy Bible](#) Panther`s Lodge Publishers

"This book shows the roots of more than 1,200 Jewish personal names. It shows all Yiddish/Hebrew variants of a root name with English transliteration. Hebrew variants show the exact spelling including vowels. Footnotes explain how these variants were derived. An index of all variants allows you to easily locate the name in the body of book. Also presented are family names originating from personal names."-- Publisher description.

Where did your surname come from? Do you know how many people in the United States share it? What does it tell you about your lineage? From the editor of the highly acclaimed Dictionary of Surnames comes the most extensive compilation of surnames in America. The result of 10 years of research and 30 consulting editors, this massive undertaking documents 70,000 surnames of Americans across the country. A

reference source like no other, it surveys each surname giving its meaning, nationality, alternate spellings, common forenames associated with it, and the frequency of each surname and forename. The Dictionary of American Family Names is a fascinating journey throughout the multicultural United States, offering a detailed look at the meaning and frequency of surnames throughout the country. For students studying family genealogy, others

interested in finding out more about their own lineage, or lexicographers, the Dictionary is an ideal place to begin research. *Lenin's Jewish Question* McFarland

The scholarly quest to answer the question of Jewish origins The Jews have one of the longest continuously recorded histories of any people in the world, but what do we actually know about their origins? While many think the answer to this question can be found in the Bible, others look to archaeology or genetics.

Some skeptics have even sought to debunk the very idea that the Jews have a common origin. Steven Weitzman takes a learned and lively look at what we know—or think we know—about where the Jews came from, when they arose, and how they came to be. He sheds new light on the assumptions and biases of those seeking answers—and the religious and political agendas that have made finding answers so elusive. Introducing many approaches and theories, *The Origin of the Jews*

brings needed clarity and historical context to this enduring and divisive topic.

Dictionary of Bulgarian Jewish Surnames NYU Press

From unlikely places like Scotland and the Appalachian Mountains to the Bible and archives of the Spanish Inquisition, this valuable resource published in 2018 is the first to cover the naming practices of Conversos, Marranos and secret Jews along with more familiar Central and Eastern European Jewries. It

includes Joseph Jacobs' classic work on Jewish Names, a chapter on Scottish clans and septs, thousands of Sephardic and Ashkenazic surnames from early colonial records and Rabbi Malcolm Stern's 445 Early American Jewish Families. Appendix A contains 400 surnames from the Greater London cemetery Adath Yisroel. Appendix B provides a combined name index to the indispensable *When Scotland Was Jewish, Jews and Muslims in British Colonial America and The*

Early Jews and Muslims of England and Wales, all by Elizabeth Caldwell Hirschman and Donald N. Yates. It contains 276 pages and has an extensive index and bibliography. "Up-to-date and valuable research tool for genealogists and those interested in Jewish origins." —Eran Elhaik, Assistant Professor, The University of Sheffield *A Dictionary of Jewish Names and Their History* Princeton University Press A reasonably priced, quality black hardcover pew and ministry Bible

featuring a large 12-point font.

[The Origin of the Jews](#)
Knopf

One of the classics of modern Jewish thought, Kol Dodi Dofek is now translated into English and titled *Fate and Destiny: From the Holocaust to the State of Israel*. Rabbi Soloveitchik presents an extended theological meditation on the Holocaust and the rise of the State of Israel, a profound examination of the Jewish "covenant of faith" and the "covenant of fate and destiny" which

links all Jews, religious and irreligious and non-religious. This covenant of faith manifests itself in shared circumstances, shared responsibility and shared activity. Fate and destiny likewise links all Jews, but while fate is thrust upon the Jews, destiny is freely chosen by the individual Jew and the Jewish people by adopting a Torah lifestyle and possesses both significance and purpose. [Dictionary of American Family Names](#) Avotaynu The publication of the King James version of the

Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make

the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance. **The Inquisitors and the Jews in the New World** John Wiley & Sons The popular image of Scotland is dominated by widely recognized elements of Celtic culture. But a significant non-Celtic influence on Scotland's history has been largely ignored for centuries? This book argues that much of Scotland's history and culture from 1100 forward

is Jewish. The authors provide evidence that many of the national heroes, villains, rulers, nobles, traders, merchants, bishops, guild members, burgesses, and ministers of Scotland were of Jewish descent, their ancestors originating in France and Spain. Much of the traditional historical account of Scotland, it is proposed, rests on fundamental interpretive errors, perpetuated in order to affirm Scotland's identity as a Celtic, Christian society. A more accurate and profound

understanding of Scottish history has thus been buried. The authors' wide-ranging research includes examination of census records, archaeological artifacts, castle carvings, cemetery inscriptions, religious seals, coinage, burgess and guild member rolls, noble genealogies, family crests, portraiture, and geographic place names. [A Dictionary of Jewish Surnames from the Russian Empire](#) Jewish Family Names and Their Origins
An introduction and

research guide to the study of names, or onomastics, this book covers a wealth of topics comprising the major areas of name study--personal names (anthroponyms), place names (toponyms), acronyms, and brand and trade names--and numerous special areas, such as designations for athletic teams, musical groups, and tropical storms, animal names, code names, and scientific nomenclature. In each case a discussion of underlying linguistic

principles is illustrated by numerous fascinating examples. Additional features of the book include a glossary of terms, information on organizations and journals in the field, and a bibliography.

The grandson of a Jew, whose Jewish relatives converted to Christianity, whose allies played down his Jewish origins just as fervently as his enemies played them up, V.I. Lenin makes for a fascinating case study of the many complexities associated

with 'Jewish question' in Russia.

A Dictionary of Jewish Surnames from the Kingdom of Poland

Genealogical Publishing Com

"Based on a book published in Russia in 1911, this work presents to the English-speaking reader a comprehensive collection of Jewish given names used in Russia at the turn of the 20th century--more than 6,000 names in all. These names are also included in a dictionary of root names which shows its

etymology as well as all variants of the names identifying them as kinnui (everyday names), variants or distortions. The introductory portion of the book is a historical essay that reviews the evolution of Jewish given names from biblical times through the late 19th century in Russia."-- Publisher description.
[Pleasant are Their Names](#)
 Columbia University Press
 Originally published in 1951, this book explores the development in England of the Sephardi branch of the Jewish

community, the co-heirs, with their kinsmen in Holland, in Italy, in North America and in the Middle East, of the Golden Age of Jewish history in Spain. Based on archival history from within the community, it was the first full-length history of the Sephardi community in England and describes how this little Jewish community, the first in England since the Middle Ages, grew, prospered and contributed the wealth and influence of London, and eventually producing in Disraeli one

of England's greatest Prime Ministers.

To the End of the Earth
 Brandeis Univ

A groundbreaking history of the practice of Jewish name changing in the 20th century, showcasing just how much is in a name Our thinking about Jewish name changing tends to focus on clichés: ambitious movie stars who adopted glamorous new names or insensitive Ellis Island officials who changed immigrants' names for them. But as Kirsten Fermaglich elegantly reveals, the real

story is much more profound. Scratching below the surface, Fermaglich examines previously unexplored name change petitions to upend the clichés, revealing that in twentieth-century New York City, Jewish name changing was actually a broad-based and voluntary behavior: thousands of ordinary Jewish men, women, and children legally changed their names in order to respond to an upsurge of antisemitism. Rather than trying to escape their

heritage or “pass” as non-Jewish, most name-changers remained active members of the Jewish community. While name changing allowed Jewish families to avoid antisemitism and achieve white middle-class status, the practice also created pain within families and became a stigmatized, forgotten aspect of American Jewish culture. This first history of name changing in the United States offers a previously unexplored window into American Jewish life throughout the twentieth

century. *A Rosenberg by Any Other Name* demonstrates how historical debates about immigration, antisemitism and race, class mobility, gender and family, the boundaries of the Jewish community, and the power of government are reshaped when name changing becomes part of the conversation. Mining court documents, oral histories, archival records, and contemporary literature, Fermaglich argues convincingly that name changing had a lasting impact on

American Jewish culture. Ordinary Jews were forced to consider changing their names as they saw their friends, family, classmates, co-workers, and neighbors do so. Jewish communal leaders and civil rights activists needed to consider name

changers as part of the Jewish community, making name changing a pivotal part of early civil rights legislation. And Jewish artists created critical portraits of name changers that lasted for decades in American

Jewish culture. This book ends with the disturbing realization that the prosperity Jews found by changing their names is not as accessible for the Chinese, Latino, and Muslim immigrants who wish to exercise that right today.
