TATE SHERMAN

Black Butler, Chapter 139 Stone Bridge Press

Just a stone's throw from London lies the manor house of the illustrious Phantomhive earldom and its master, one Ciel Phantomhive. Earl Phantomhive is a giant in the world of commerce, Queen Victoria's faithful servant...and a slip of a twelve-year-old boy. Fortunately, his loyal butler, Sebastian, is ever at his side, ready to carry out the young master's wishes. And whether Sebastian is called to save a dinner party gone awry or probe the dark secrets of London's underbelly, there apparently is nothing Sebastian cannot do. In fact, one might even say Sebastian is too good to be true...or at least, too good to be human...

Black Butler, Vol. 23 Yen Press LLC

In recent years, otaku culture has emerged as one of Japan's major cultural exports and as a genuinely transnational phenomenon. This timely volume investigates how this once marginalized popular culture has come to play a major role in Japan's identity at home and abroad. In the American context, the word otaku is best translated as "geek"—an ardent fan with highly specialized knowledge and interests. But it is associated especially with fans of specific Japan-based cultural genres, including anime, manga, and video games. Most important of all, as this collection shows, is the way otaku culture represents a newly participatory fan culture in which fans not only organize around niche interests but produce and distribute their own media content. In this collection of essays, Japanese and American scholars offer richly detailed descriptions of how this once stigmatized Japanese youth culture created its own alternative markets and cultural products such as fan fiction, comics, costumes, and remixes, becoming a major international force that can challenge the dominance of commercial media. By exploring the rich variety of otaku culture from multiple perspectives, this groundbreaking collection provides fascinating insights into the present and future of cultural production and distribution in the digital age.
