They’re naturally more gifted than even their brother, Alex, the head mage of Artimé, could hope to be. But when they accidentally use their magic in the jungle of Artimé to strike down a beloved creature, Alex is furious, and threatens to lock them away until they can learn to control their power. The threat is soon forgotten, though, when Hux, the ice blue dragon, comes to Artimé bearing the horrible news that his siblings have been enslaved by the notoriously evil Revinir, ruler of the dragon land. Seeking a chance to right their wrong and escape their brother’s wrath, Thisbe, Fifer, and their friend Seth sneak away to rescue the dragons from grave peril.
