The Man on Horseback (French: L'homme à cheval) is a 1943 novel by the French writer Pierre Drieu la Rochelle. It is set in Bolivia and tells the story of a dictator who tries to create an empire. The novel explores the author's ideas about political momentum and its origins. The allegorical narrative, complex plot and romantic verve make the novel stand out from Drieu's previous works, which ... man on horseback. 1.
