Night Brings is the unforgettable story of Marci's struggle to find

and maintain her identity against all odds - a perilous home life,

an incomprehensible Church, and a largely indifferent world.

Winner of the Miguel Marmol prize focusing on human rights, the

Paterson Fiction Prize What Night Brings by Carla Trujillo - Goodreads Published in 2003, Carla Trujillo's novel What Night Brings is set in the late 1960s in a town outside San Francisco. The novel centers on Marcía Cruz, an 11-year-old Chicana girl struggling with her sexual orientation and domestic abuse amidst a larger backdrop of the Vietnam War and a crisis of faith in America. What Night Brings Summary and Study Guide | SuperSummary "Carla Trujillo's What Night Brings puts one more wonderful Chicana novelist on the must-read list right up there beside Sandra Cisneros, Julia Alvarez, and Cristina Garcia. This moving story, told in the completely convincing voice of its young protagonist, explores living with domestic abuse and longing for the maternal protection that always fails to materialize. What Night Brings: Carla Mari Trujillo: Trade Paperback ... Carla Trujillo What Night Brings focuses on a Chicano working-class family living in California during the 1960s. Marci—smart, feisty and funny—tells the story with the wisdom of someone twice her age as she determines to defy her family and God in order to find her identity, sexuality and freedom.
