The Secret History of the Jersey

Devil Harper Collins

On the tenth anniversary of the date that UN peacekeepers landed in Rwanda, Random House Canada is proud to publish the unforgettable first-hand account of the genocide by the man who led the UN mission. Digging deep into shattering memories, General Dallaire has written a powerful story of betrayal,

naïveté, racism and international politics. His message is simple and undeniable: “Never again.” When Lt-Gen. Roméo Dallaire received the call to serve as force commander of the UN intervention in Rwanda in 1993, he thought he was heading off on a modest and straightforward peacekeeping mission. Thirteen months later he flew home from Africa, broken, disillusioned and suicidal, having witnessed the slaughter of 800,000 Rwandans in only a hundred days. In *Shake Hands with the Devil*, he takes the reader with him on a

return voyage into the hell of Rwanda, vividly recreating the events the international community turned its back on. This book is an unsparing eyewitness account of the failure by humanity to stop the genocide, despite timely warnings. Woven through the story of this disastrous mission is Dallaire's own journey from confident Cold Warrior, to devastated UN commander, to retired general engaged in a painful struggle to find a measure of peace, reconciliation and hope. This book is General Dallaire's personal account of his conversion from a man certain of his worth and secure in his assumptions to a man conscious of his own weaknesses and failures and critical of the institutions he'd relied on. It might not sit easily with standard ideas of military leadership, but

understanding what happened to General Dallaire and his mission to Rwanda is crucial to understanding the moral minefields our peacekeepers are forced to negotiate when we ask them to step into the world's dirty wars. Excerpt from *Shake Hands with the Devil* My story is not a strictly military account nor a clinical, academic study of the breakdown of Rwanda. It is not a simplistic indictment of the many failures of the UN as a force for peace in the world. It is not a story of heroes and villains, although such a work could easily be written. This book is a *cri de coeur* for the slaughtered thousands, a tribute to the souls hacked apart by machetes because of their supposed difference from those who sought to hang on to power. . . . This book is the

account of a few humans who were entrusted with the role of helping others taste the fruits of peace. Instead, we watched as the devil took control of paradise on earth and fed on the blood of the people we were supposed to protect.

The Devil's Star Felony & Mayhem Press
"A pioneer work in...the sexual structuring of society. This is not just another book about witchcraft."

—Edmund S. Morgan, Yale University
Confessing to "familiarity with the devils," Mary Johnson, a servant, was executed by Connecticut officials in 1648. A wealthy Boston widow, Ann Hibbens was hanged in 1656 for casting spells on her neighbors. The case of Ann Cole, who was "taken with very strange Fits," fueled an outbreak of witchcraft

accusations in Hartford a generation before the notorious events at Salem. More than three hundred years later, the question "Why?" still haunts us. Why were these and other women likely witches—vulnerable to accusations of witchcraft and possession? Carol F. Karlsen reveals the social construction of witchcraft in seventeenth-century New England and illuminates the larger contours of gender relations in that society.

The Journal of Esther Edwards Burr, 1754-1757 DigiCat

From prizewinning journalist and Brazilian native Juliana Barbassa comes a deeply reported and beautifully written account of the seductive and chaotic city of Rio de Janeiro as it struggles with poverty and corruption on the brink of

the 2016 Olympic Games. Juliana Barbassa moved a great deal throughout her life, but Rio was always home. After twenty-one years abroad, she returned to find her native city—once ravaged by inflation, drug wars, corrupt leaders, and dying neighborhoods—undergoing a major change. Rio has always aspired to the pantheon of global capitals, and under the spotlight of the 2014 World Cup and the 2016 Olympic Games it seems that its moment has come. But in order to prepare itself for the world stage, Rio must vanquish the entrenched problems that Barbassa recalls from her childhood. Turning this beautiful but deeply flawed place into a pristine showcase of the best that Brazil has to offer in just a few years is a tall order—and with the whole world

watching, the stakes couldn't be higher. Library Journal called *Dancing with the Devil in the City of God* “akin to Charlie LeDuff’s *Detroit*”—a book that “combines history and personal interviews in an informative and engaging work.” This kaleidoscopic portrait of Rio introduces the reader to the people who make up this city of extremes, revealing their aspirations and their grit, their violence, their hungers, and their splendor, and shedding light on the future of this city they are building together. *Dancing with the Devil in the City of God* is an insider perspective from a native daughter and “a fascinating look at the people who live in and aspire to change one of the world’s most impressive cities” (Booklist, starred review).

Lucifer Reaktion Books

With *The Devil She Knows*, Bill Loehfelm has written a pitch-black thriller in a fresh, compulsively readable voice, with pages that turn themselves. This is the real deal: a breakout novel by a writer whom *Publishers Weekly* has praised for his "superb prose and psychological insights." Life isn't panning out for Maureen Coughlin. At twenty-nine, the tough-skinned Staten Island native's only excitement comes from . . . well, not much. A fresh pack of American Spirits, maybe, or a discreet dash of coke before work. If something doesn't change soon, she'll end up a "lifer" at the Narrows, the faux-swank bar where she works one long night after another. But just like the island, the Narrows has its seamy side. After work one night, Maureen walks in

on a tryst between her co-worker Dennis and Frank Sebastian, a silver-haired politico. When Sebastian demands her silence, Maureen is more than happy to forget what she's seen—until Dennis turns up dead on the train tracks the next morning. The murder sends Maureen careening out of her stultifying routine and into fast-deepening trouble. Soon she's on the run through the seedy underbelly of the borough, desperate to stop Sebastian before Dennis's fate becomes her own.

Shake Hands With the Devil Reaktion Books

Lucifer, lords of hell, fallen angels, demons, corrupted mortals, hell spawn, and the dark creatures of nightmares. The *Devil's Own* series is just starting! You're Lucifer's daughter. That's bad,

right? Could get worse, if you asked Ashmielle, the devil's own. Her soul's been splintered and she's addicted to consuming souls. Samazrael, her soul mate and bodyguard has finally Ashmielle again, only to lose her to her addiction and a demon gone bad. These two will need a little help. Devil in disguise... Warning: Unputdownable action-packed fantasy, with a touch of romance which features Lucifer, lords of hell, fallen angels, demons, hell spawn, and the dark creatures of nightmares. *The Devil in the Dust* Simon and Schuster NATIONAL BOOK AWARD FINALIST • A sweeping, genre-bending "masterpiece" (Minneapolis Star Tribune) exploring Black art, music, and culture in all their glory and complexity—from Soul Train,

Aretha Franklin, and James Brown to The Fresh Prince of Bel-Air, Whitney Houston, and Beyoncé ONE OF THE TEN BEST BOOKS OF THE YEAR: Chicago Tribune, The Philadelphia Inquirer, The Dallas Morning News, Publishers Weekly "Gorgeous essays that reveal the resilience, heartbreak, and joy within Black performance."—Brit Bennett, #1 New York Times bestselling author of *The Vanishing Half* "I was a devil in other countries, and I was a little devil in America, too." Inspired by these few words, spoken by Josephine Baker at the 1963 March on Washington, MacArthur "Genius Grant" Fellow and bestselling author Hanif Abdurraqib has written a profound and lasting reflection on how Black performance is inextricably woven into the fabric of American culture. Each

moment in every performance he examines—whether it’s the twenty-seven seconds in “Gimme Shelter” in which Merry Clayton wails the words “rape, murder,” a schoolyard fistfight, a dance marathon, or the instant in a game of spades right after the cards are dealt—has layers of resonance in Black and white cultures, the politics of American empire, and Abdurraqib’s own personal history of love, grief, and performance. Touching on Michael Jackson, Patti LaBelle, Billy Dee Williams, the Wu-Tan Clan, Dave Chappelle, and more, Abdurraqib writes prose brimming with jubilation and pain. With care and generosity, he explains the poignancy of performances big and small, each one feeling intensely familiar and vital, both timeless and desperately urgent. Filled

with sharp insight, humor, and heart, *A Little Devil in America* exalts the Black performance that unfolds in specific moments in time and space—from midcentury Paris to the moon, and back down again to a cramped living room in Columbus, Ohio. WINNER OF THE ANDREW CARNEGIE MEDAL AND THE GORDON BURN PRIZE • FINALIST FOR THE NATIONAL BOOK CRITICS CIRCLE AWARD AND THE PEN/DIAMONSTEIN-SPIELVOGEL AWARD ONE OF THE BEST BOOKS OF THE YEAR: *The New York Times Book Review*, *Time*, *The Boston Globe*, *NPR*, *Rolling Stone*, *Esquire*, *BuzzFeed*, *Thrillist*, *She Reads*, *BookRiot*, *BookPage*, *Electric Lit*, *The Rumpus*, *LitHub*, *Library Journal*, *Booklist*
Who the Devil Made It Rowman & Littlefield

Providing an accessible and comprehensive overview, *The Story of the Salem Witch Trials* explores the events between June 10 and September 22, 1692, when nineteen people were hanged, one was pressed to death and over 150 were jailed for practicing witchcraft in Salem, Massachusetts. This book explores the history of that event and provides a synthesis of the most recent scholarship on the subject. It places the trials into the context of the Great European Witch-Hunt and relates the events of 1692 to witch-hunting throughout seventeenth-century New England. Now in a third edition, this book has been updated to include an expanded section on the European origins of witch-hunts, an updated and expanded epilogue (which discusses the

witch-hunts, real and imagined, historical and cultural, since 1692), and an extensive bibliography. This complex and difficult subject is covered in a uniquely accessible manner that captures all the drama that surrounded the Salem witch trials. From beginning to end, the reader is carried along by the author's powerful narration and mastery of the subject. While covering the subject in impressive detail, Bryan Le Beau maintains a broad perspective on the events and, wherever possible, lets the historical characters speak for themselves. Le Beau highlights the decisions made by individuals responsible for the trials that helped turn what might have been a minor event into a crisis that has held the imagination of students of American

history. This third edition of *The Story of the Salem Witch Trials* is essential for students and scholars alike who are interested in women's and gender history, colonial American history, and early modern history.

The Story of the Salem Witch Trials

Vintage

Jennifer Traig's memoir *Devil in the Details* paints a portrait of a well-meaning Jewish girl and her good-natured parents, and takes a very funny, very sharp look back at growing up with obsessive-compulsive disorder. Recalling the agony of growing up an obsessive-compulsive religious fanatic, Traig fearlessly confesses the most peculiar behavior like tirelessly scrubbing her hands for a full half hour before dinner, feeding her stuffed animals before

herself, and washing everything she owned because she thought it was contaminated by pork fumes. Jennifer's childhood mania was the result of her then undiagnosed OCD joining forces with her Hebrew studies-what psychiatrists call scrupulosity. While preparing for her bat mitzvah, she was introduced to an entire set of arcane laws and quickly made it her mission to follow them perfectly. Her parents nipped her religious obsession in the bud early on, but as her teen years went by, her natural tendency toward the extreme led her down different paths of adolescent agony and mortification. Years later, Jennifer remembers these scenes with candor and humor. In the bestselling tradition of *Running with Scissors* and *A Girl Named Zippy*,

Jennifer Traig tells an unforgettable story of youthful obsession.

Develop equity, excellence, and well-being across the whole system! The world is troubled! We need to combine a moral imperative and a system transformation to survive for the better. Education is crucial to our future but needs to play a more direct role in shaping our future. The Devil is in the Details shows how we can re-think the education system and its three levels of leadership—local, middle, and top—so that each level can contribute to dramatic turnaround for education and society. The focus is on examining details to ensure effective actions are taken, rather than assuming large

pronouncements and policies will drive change. Readers will find: • Details and analysis about successful systems in California, Ontario, and Australia • Ideas for how leaders at all levels can take steps to begin • Vignettes, actions and strategies that illustrate how to address equity, excellence and well-being With the goal of transforming the culture of learning to develop greater equity, excellence, and student wellbeing, this book will help you liberate the system and maintain focus.

The Devil in the Shape of a Woman: Witchcraft in Colonial New England W. W. Norton & Company

Animals, Animality, and Literature offers readers a one-volume survey of the field of literary animal studies in both its theoretical and applied dimensions.

Focusing on English literary history, with scrupulous attention to the interplay between English and foreign influences, this collection gathers together the work of nineteen internationally noted specialists in this growing discipline. Offering discussion of English literary works from Beowulf to Virginia Woolf and beyond, this book explores the ways human/animal difference has been historically activated within the literary context: in devotional works, in philosophical and zoological treatises, in plays and poems and novels, and more recently within emerging narrative genres such as cinema and animation. With an introductory overview of the historical development of animal studies and afterword looking to the field's future possibilities, *Animals, Animality,*

and *Literature* provides a wide-ranging survey of where this discipline currently stands.

The Witchcraft Delusion of 1692 Random House

Satan is not God's enemy in the Bible, and he's not always bad—much less evil. Through the lens of the Old and New Testaments, Erik Butler explores the Devil in literature, theology, visual art, and music from antiquity up to the present, discussing canonical authors (Dante, Milton, and Goethe among them) and a wealth of lesser-known sources. Since his first appearance in the Book of Job, Satan has pursued a single objective: to test human beings, whose moral worth and piety leave plenty of room for doubt. Satan can be manipulative, but at worst he facilitates

what mortals are inclined to do anyway. "The Devil made me do it" does not hold up in the court of cosmic law. With wit and surprising examples, this book explains why.

The Devil I Know Back Bay Books
 Winner of the Pulitzer Prize "A must-read, cannot-put-down history." — Thomas Friedman, New York Times
 Arguably the most important American lawyer of the twentieth century, Thurgood Marshall was on the verge of bringing the landmark suit *Brown v. Board of Education* before the U.S. Supreme Court when he became embroiled in a case that threatened to change the course of the civil rights movement and cost him his life. In 1949, Florida's orange industry was booming, and citrus barons got rich on the backs

of cheap Jim Crow labor with the help of Sheriff Willis V. McCall, who ruled Lake County with murderous resolve. When a white seventeen-year-old girl cried rape, McCall pursued four young black men who dared envision a future for themselves beyond the groves. The Ku Klux Klan joined the hunt, hell-bent on lynching the men who came to be known as "the Groveland Boys." Associates thought it was suicidal for Marshall to wade into the "Florida Terror," but the young lawyer would not shrink from the fight despite continuous death threats against him. Drawing on a wealth of never-before-published material, including the FBI's unredacted Groveland case files, as well as unprecedented access to the NAACP's Legal Defense Fund files, Gilbert King shines new light

on this remarkable civil rights crusader. *Devil in Disguise* Da Capo Press
“A must have for any film nut.”—Details

photographs. Praise for *Who the Devil
Made It* “Illuminating . . . These were

(and sometimes are: a few yet breathe)
men rooted in history as much as in
Hollywood. Their collected memories
make the past look fearfully rich beside
a present that is poverty-stricken in
everything except money.”—The New
Yorker “Bogdanovich is one of America’s
finest writers on the cinema. . . . Thank
goodness [his] *Who the Devil Made It*
has come along to remind us that films
and writing about film were, at one time,
focused on the work and not strictly on
the bottom line.”—The Boston Globe “A
treasure trove on the craft of
directing.”—Newsday “Monumental . . .
The directors’ reminiscences about
technique, working methods, sources of
ideas, and relationships with actors and
studios are thoroughly
entertaining.”—Publishers Weekly “A

fine achievement that helps illuminate the art and craft of some remarkable directors . . . There are plenty of revealing anecdotes.”—Kirkus Reviews
Dancing with the Devil in the City of God
 Duke University Press

This superb documentary collection illuminates the history of witchcraft and witch-hunting in seventeenth-century New England. The cases examined begin in 1638, extend to the Salem outbreak in 1692, and document for the first time the extensive Stamford-Fairfield, Connecticut, witch-hunt of 1692–1693. Here one encounters witch-hunts through the eyes of those who participated in them: the accusers, the victims, the judges. The original texts tell in vivid detail a multi-dimensional story that conveys not only the process of

witch-hunting but also the complexity of culture and society in early America. The documents capture deep-rooted attitudes and expectations and reveal the tensions, anger, envy, and misfortune that underlay communal life and family relationships within New England’s small towns and villages. Primary sources include court depositions as well as excerpts from the diaries and letters of contemporaries. They cover trials for witchcraft, reports of diabolical possessions, suits of defamation, and reports of preternatural events. Each section is preceded by headnotes that describe the case and its background and refer the reader to important secondary interpretations. In his incisive introduction, David D. Hall addresses a wide range of important

issues: witchcraft lore, antagonistic social relationships, the vulnerability of women, religious ideologies, popular and learned understandings of witchcraft and the devil, and the role of the legal system. This volume is an extraordinarily significant resource for the study of gender, village politics, religion, and popular culture in seventeenth-century New England.

A Little Devil in America W. W. Norton & Company

In the heat of a sweltering Oslo summer, a young woman is found murdered in her flat—with one of her fingers cut off and a tiny red star-shaped diamond placed under her eyelid. An off-the-rails alcoholic barely holding on to his job, Detective Harry Hole is assigned the case with Tom Waaler, a hated colleague

whom Harry believes is responsible for the murder of his partner. When another woman is reported missing five days later, and her severed finger turns up adorned with a red star-shaped diamond ring, Harry fears a serial killer is at work. But Hole's determination to capture a fiend and to expose Waaler's crimes is leading him into shadowy places where both investigations merge in unexpected ways, forcing him to make difficult decisions about a future he may not live to see.

The Devil in the Gallery Taylor & Francis

"It's an in-depth look at varied time periods and artists, which readers interested in gossip, drama, or art history will enjoy." Library Journal, Starred Review Scandal, shock and

rivalry all have negative connotations, don't they? They can be catastrophic to businesses and individual careers. A whiff of scandal can turn a politician into a smoking ruin. But these potentially disastrous "negatives" can and have spurred the world of fine art to new heights. A look at the history of art tells us that rivalries have, in fact, not only benefited the course of art, from ancient times to the present, but have also helped shape our narrative of art, lending it a sense of drama that it might otherwise lack, and therefore drawing the interest of a public who might not be drawn to the objects alone. There would be no Sistine Chapel by Michelangelo had rival Raphael not tricked the pope into assigning him the commission, certain that Michelangelo, who had

never before worked with frescoes, would botch the job and become a laughing stock. Scandal and shock have proven to be powerful weapons when harnessed and wielded willfully and well. That scandal is good for exposure has been so obviously the case that many artists have courted it intentionally, which we will define as shock: intentionally overturning expectations of the majority in a way that traditionalist find dismaying or upsetting, but which a certain minority avant-garde find exciting. From Damien Hirst presenting the public with a shark embalmed in formaldehyde and entombed in a glass case to Marcel Duchamp trying to convince the art community that a urinal is a great sculpture shock has been a key promotional tool. The Devil in the

Gallery is a guided tour of the history of art through its scandals, rivalries, and shocking acts, each of which resulted in a positive step forward for art in general and, in most cases, for the careers of the artists in question. In addition to telling dozens of stories, lavishly illustrated in full color, of such dramatic moments and arguing how they not only affected the history of art but affected it for the better, we will also examine the proactive role of the recipients of these intentionally dramatic actions: The art historians, the critics and even you, the general public. The Devil likes to lurk in dark corners of the art world, morphing into many forms. Let us shed light upon him.

The Devil in the Bush JHU Press

In this work, Carol Karlsen reveals the

social construction of witchcraft in 17th century New England and illuminates the larger contours of gender relations in that society. "A pioneering work in . . . the sexual structuring of society. This is not just another book about witchcraft".- Edmund S. Morgan, Yale University.

The Devil Is in the Details Peter Smith Publisher

Daughter of Jonathan Edwards and mother of Aaron Burr, Mrs. Burr describes her experiences in colonial America.

The Devil in the Shape of a Woman Harper Collins

A missionary doctor is on the hunt for a killer in the Belgian Congo in this 1945 mystery series debut exploring WWII-era Colonial Africa. World War II is raging, but in this dusty backwater of the

Belgian Congo, the biggest problem is finding a cold beer. That's the case, at least, for Hooper Taliaferro, a U.S. government gofer sent to Africa on a vague errand related to the war effort. What he finds at the failing Congo-Ruizi plantation won't help the Allies much. Like colonialism itself, the owner is dying of a slow poison, and not even his wife—let alone his staff—can muster the energy to care. Good thing Hooper isn't showing up alone. With him is Dr. Mary Finney, a medical missionary who knows a homicide when she sees one. Middle-aged and unassuming, Mary is used to being underestimated. But with her quick mind and blunt manners, she doesn't suffer fools—or murderers—lightly.

Six Women of Salem Cambridge

University Press

The story of the Salem Witch Trials told through the lives of six women *Six Women of Salem* is the first work to use the lives of a select number of representative women as a microcosm to illuminate the larger crisis of the Salem witch trials. By the end of the trials, beyond the twenty who were executed and the five who perished in prison, 207 individuals had been accused, 74 had been "afflicted," 32 had officially accused their fellow neighbors, and 255 ordinary people had been inexorably drawn into that ruinous and murderous vortex, and this doesn't include the religious, judicial, and governmental leaders. All this adds up to what the Rev. Cotton Mather called "a desolation of names." The individuals

involved are too often reduced to stock characters and stereotypes when accuracy is sacrificed to indignation. And although the flood of names and detail in the history of an extraordinary event like the Salem witch trials can swamp the individual lives involved, individuals still deserve to be remembered and, in

remembering specific lives, modern readers can benefit from such historical intimacy. By examining the lives of six specific women, Marilynne Roach shows readers what it was like to be present throughout this horrific time and how it was impossible to live through it unchanged.
