This collection is a critical reflection of the evolution of Caribbean countries since the demise of the West Indies Federation in 1962. At this historical juncture, some territories opted for independence while others remained dependent territories. The volume examines Caribbean societies in comparative and general ways, covering aspects of their ongoing development and challenges. It covers such areas as Caribbean integration, the state of human capital and social policy in the region, the education sector, Caribbean economic sustainability, and, significantly, the physical environment of the Caribbean. A central question has always been: should these territories have gone independent or stayed under some British tutelage? The book addresses this question, illustrating that these island states have made considerable progress, especially in the maintenance and deepening of democratic practices.

A World of Prose Canoe Press (IL)

There have been many great and enduring works of literature by Caribbean authors over the last century. The Caribbean Contemporary Classics collection celebrates these deep and vibrant stories, overflowing with life and acute observations about society. *Old Story Time* is a Caribbean classic, providing brilliantly entertaining theatre about race, identity, malice, and the redeeming power of love. In this enthralling drama, we progress with Len from poor scholarship boy to successful

accountant. We see a similar but opposite shift in George, from wealthy, well-connected schoolboy to double-dealing crook. Len's mother Miss Aggy, the girls he first loves, and the woman he eventually marries, many destinies are entwined with Len's. Misunderstandings can be dangerous, and trust and love need some help to win through. With the help of Pa Ben, our far-seeing narrator, can things end well? Trevor Rhone was a leading dramatist in Jamaica. His sparkling and original talent has won acclaim from critics and audiences worldwide. Suitable for readers aged 14 and above.

English for Life 3 Heinemann

This is the second volume in the Consortium Graduate School's

series Studies in Caribbean Public Policy and represents the results of a programme of training in multidisciplinary policy-oriented research provided to graduate professionals from Caribbean countries through the MSc Development Studies degree. The volume focuses on selected issues and problems in social policy. Each of the seven papers presented here is a case study which offers fresh insights or radical and new interpretations of persistent problems in the region. The first three papers treat the society's most vulnerable or marginal social groups: youths, women and the elderly. Other areas of focus are education, crime and policing, rural to urban migration and labour relations.

Twelfth night; or, What you will Concise Course

Chained to the hold of a slave ship bound for the Caribbean, a terrified young girl's only comfort is the voice of a woman she can't see. She is told 'Anansi stories', tales of the crafty spider whose cunning and humorous tricks give the girl the resilience and wit she needs to survive. Moving and funny at the same time,

Anansi carefully juxtaposes the savagery of the slave trade with the exuberance of traditional story telling. SuperScripts are tried and tested plays that will appeal to 11 - 16 year olds. Mostly written by professional playwrights and performed in public to popular acclaim, these plays are ideal for the English classroom and drama studio and are accompanied by an extensive range of original activities.

The Blue Book of Grammar and Punctuation Oxford University Press - Children

Voted America's Best-Loved Novel in PBS's The Great American Read Harper Lee's Pulitzer Prize-winning masterwork of honor and injustice in the deep South—and the heroism of one man in the face of blind and violent hatred One of the most cherished stories of all time, *To Kill a Mockingbird* has been translated into more than forty languages, sold more than forty million copies worldwide, served as the basis for an enormously popular motion picture, and was voted one of the best novels of the twentieth century by librarians across the country. A gripping, heart-wrenching, and wholly remarkable tale of coming-of-age in a South poisoned by virulent prejudice, it views a world of great beauty and savage inequities through the eyes of a young girl, as

her father—a crusading local lawyer—risks everything to defend a black man unjustly accused of a terrible crime.
