 At the core of Deliverology is the establishment of a delivery unit—a small group of dedicated individuals focused exclusively on achieving impact and improving outcomes.  
 Deliverology: From idea to implementation  
 Deliverology is about nothing more and nothing less than building systems that

allow a leader in government to ask and answer these questions consistently and rigorously. As we best understand them today, the tools for building these systems break down into fifteen elements. Deliverology – the science of delivery - Centre for Public ... During this time, Barber continued to work on management in the public sector, and published *Deliverology 101* in 2011 to serve as a comprehensive guide to system reform and delivery. Governments and large public organisations (from the Louisiana school system to the Malaysian government) adopted elements of the 'deliverology' approach. Additionally, a number of international organizations ... Michael Barber (educationist) - Wikipedia' Michael Barber's pioneering work as head of my Delivery Unit helped ensure real progress, not just with our education reforms, but with healthcare and policing too. It attracted worldwide attention. This guide distils the wisdom he gained at that time and has refined since.
