Cherokee ZJ S The Jeep Grand Cherokee  
is the first generation of the Jeep Grand  
Cherokee sport utility vehicle. Introduced  
in 1992 for the 1993 model year,  
development of the ZJ Grand Cherokee  
started under American Motors  
Corporation and was continued after the  
company was acquired by Chrysler in  
1987. Export models produced at the  
plant in Graz, Austria, were given the  
vehicle designation of "ZG". Jeep Grand  
Cherokee (ZJ) - Wikipedia It's pretty easy  
to tell the difference between a 4.0-liter  
and a 5.2-liter Jeep. Because the ZJ was  
heavier than most Jeeps, the 4.0L was a  
little underpowered in the ZJ chassis.  
Because of this, many of the ZJ Grand  
Cherokees produced came with a 5.2-  
liter V8. This engine makes more  
horsepower and more torque while still  
being extremely reliable. Buyer's Guide:  
ZJ Grand Cherokee - Off Road**

XtremeUpgrade to the 2021 Jeep® Cherokee Latitude Lux and experience the deep comfort of heated Nappa leather-trimmed front seats with an eight-way power driver seat and four-way power front passenger seat and power lumbar adjustment for both.
