'The more I know of the world, the more am I convinced that I shall never see a man whom I can really love. I require so much!' Marianne Dashwood wears her heart on her sleeve, and when she falls in love with the dashing but unsuitable John Willoughby she ignores her sister Elinor's warning that her impulsive behaviour leaves her open to gossip and innuendo.

Meanwhile Elinor, always sensitive to social convention, is struggling to conceal her own romantic disappointment, even from those closest to her. Through their parallel experience of love-and its threatened loss-the sisters learn that sense must mix with sensibility if they are to find personal happiness in a society where status and money govern the rules of love. This Ultimate Book Club edition also includes discussion questions and fun facts for the perfect book club get together. It is beautifully designed to be a decorative masterpiece on your shelf and a great way to get your classic book collection started. [The Old Man And The Sea](#) Creative Company

Master verbalist Richard Lederer, America's "Wizard of Idiom" (Denver Post), presents a love letter to the most glorious of human achievements... Welcome to Richard Lederer's beguiling celebration of language -- of our ability to utter, write, and receive words. No purists need stop here. Mr. Lederer is no linguistic sheriff organizing posses to hunt down and string up language offenders. Instead, join him "In Praise of English," and discover why the tongue described in Shakespeare's day as "of small reach" has become the most widely spoken language in history: English never rejects a word because of race, creed, or national origin. Did you know that jukebox comes

from Gullah and canoe from Haitian Creole? Many of our greatest writers have invented words and bequeathed new expressions to our everyday conversations. Can you imagine making up almost ten percent of our written vocabulary? Scholars now know that William Shakespeare did just that! He also points out the pitfalls and pratfalls of English. If a man mans a station, what does a woman do? In the "The Department of Redundancy Department," "Is English Prejudiced?" and other essays, Richard Lederer urges us not to abandon that which makes us human: the capacity to distinguish, discriminate, compare, and evaluate.

The Autobiography of

an Ex-Colored Man
 BEYOND BOOKS HUB
 A Swiss orphan is heartbroken when she must leave her beloved grandfather and their happy home in the mountains to go to school and to care for an invalid girl in the city.

Daily Language Review

 "The Gift of the Magi" is a short story by O. Henry first published in 1905. The story tells of a young husband and wife and how they deal with the challenge of buying secret Christmas gifts for each other with very little money. As a sentimental story with a moral lesson about gift-giving, it has been popular for adaptation, especially for presentation at Christmas time.

In the mid 1700s, around the age of eleven, Olaudah Equiano and his sister were kidnapped from their village in equatorial Africa and sold to slavers. Within a year he was aboard a European slave ship on his way to the Caribbean. The Interesting Narrative of the Life of Olaudah Equiano, or Gustavus Vassa, the African was published by the author in 1789 and is part adventure story, part treatise on the corrupting power of slavery, and part tract about the transformative powers of Christianity. Equiano's story takes him from Africa to the Americas, back across the Atlantic to England, into the Mediterranean, and even north to the ice packs, on a mission

to discover the North-East passage. He fights the French in the Seven Year's War, is a mate and merchant in the West Indies, and eventually becomes a freedman based in London. The *Interesting Narrative of the Life of Olaudah Equiano* was one of the first popular slave narratives and was reprinted eight times in the author's lifetime. While modern scholars value this account as an important source on the life of the eighteenth-century slave and the transition from slavery to freedom, it remains an important literary work in its own right. As a valuable part of the African and African-American canons, it is still frequently taught in both English and History university

courses. This book is part of the Standard Ebooks project, which produces free public domain ebooks. *Puppy Dog Pals: Adopt-a-palooza* McGraw-Hill Education / Medical Narrative of the Life of Frederick Douglass First published in 1845, *Narrative of the Life of Frederick Douglass* is an eye-opening depiction of American slavery. Part autobiography, part human-rights treatise, it describes the everyday horrors inflicted on captive laborers, as well as the strength and courage needed to survive. *Narrative of the Life of Frederick Douglass* Born into slavery on a Maryland plantation in 1818, Frederick Douglass spent years secretly teaching himself to read and

write—a crime for which he risked life and limb. After two failed escapes, Douglass finally, blessedly boarded a train in 1838 that would eventually lead him to New York City and freedom. Narrative of the Life of Frederick Douglass Few books have done more to change America’s notion of African Americans than this seminal work. Beyond its historical and social relevancy, it is admired today for its gripping stories, the intensity of spirit, and heartfelt humanity. Narrative of the Life of Frederick Douglass This ebook has been professionally proofread to ensure accuracy and readability on all devices. Narrative of the Life of Frederick Douglass Born into a

life of bondage, Frederick Douglass secretly taught himself to read and write. It was a crime punishable by death, but it resulted in one of the most eloquent indictments of slavery ever recorded. His gripping narrative takes us into the fields, cabins, and manors of pre-Civil War plantations in the South and reveals the daily terrors he suffered. Narrative of the Life of Frederick Douglass Written more than a century and a half ago by a Black man who went on to become a famous orator, U.S. minister to Haiti, and leader of his people, this timeless classic still speaks directly to our age. It is a record of savagery and inhumanity that goes far to explain why

America still suffers from the great injustices of the past.

BJU Press

Tillie Olsen carved a permanent place in American literature on the strength of a single book, TELL ME A RIDDLE in 1962. This collection was widely hailed as a work of genius, in which the voices of ordinary Americans, black and white, male and female, were given their own rhythms and forms of expression. YONNONDIO, Olsen's only novel, was begun during the depression and completed in 1974. It tells the story of the Hollbrooks, an

itinerant working-class family in middle-America during the thirties. Brutalised by poverty, they struggle to find a space to breathe, to dream and to create a better life for their children. Told in compelling, haunting prose, it is a profound and timeless story of the human will to survive.

A man and his girlfriend wait for a train to Madrid at station in rural Spain, the almost casual nature of their conversation evading the true emotional depth of what's happening between the two of them. "Hills Like White Elephants" is considered to be among Ernest Hemingway's best short fiction, showcasing the author's powerful ability to strip writing down to its bare bones and allow the reader's imagination to fill in the subtext. One of America's foremost journalists and authors, Ernest Hemingway as also a master of the short story genre, penning more than fifty short stories during his career, many of which

featured one of his most popular prose characters, Nick Adams. The most popular of Hemingway's short stories include "Hills Like White Elephants," "Indian Camp," "The Big Two-Hearted River," and "The Snows of Kilimanjaro."
