ORGANIZATIONAL BEHAVIOR:

INTEGRATING INDIVIDUALS, GROUPS

AND ORGANIZATIONS, THIRD EDITION is

a well-organized introduction to the

current field of organizational behavior

with in-depth coverage of the most

critical concepts. Its practical approach

shows the power of organizational

behavior theory for understanding one's

behavior and the behavior of others in

any organization. Although firmly

grounded in behavioral science theory

and research, the text is not a

compendium of research findings.

Champoux includes examples and builds

frameworks that make the material clear

and easy to understand. The concise

format allows the text to be used as a

primer or to be supplemented with

additional cases, readings, or exercises.

More interactive than in previous

editions, this text provides students with

several online features to reinforce their

knowledge of chapter content with

exercises, practice and other learning

opportunities.

*Organizational Behavior* Wiley

This revision of Fundamentals of

Organizational Behaviour presents all the

essential topics in Organizational

Behavior in a concise and readable

format. Fundamentals of Organizational

Behaviour, Third Canadian Edition, takes

a practical, outcomes-based approach,

applying organizational behaviour

concepts to both modern organizations

and everyday life.

Langton/Robbins/Judge, *Fundamentals of Organizational Behaviour*, 5ce is the most student-engaging book in the market. It makes Organizational Behaviour relevant to students, no matter what their background or work experience (or lack of) or their career goals. As a pared-down version of the highly successful Langton franchise, this text is targeted at the college and university-transfer market for those who need a lighter, more accessible text.

**Organizational Behavior** Prentice Hall For undergraduate and graduate courses in Organizational Behavior. Help Students Better Understand Their Behavioral and Interpersonal Skills Long considered the standard for all organisational behaviour textbooks, *Organizational Behavior* provides the research you want, in the language your students understand. This text continues its tradition of making current, relevant research come alive for readers. The 17th Edition has been thoroughly updated to reflect the most recent research and business events within the field of organisational behaviour worldwide, while maintaining its hallmark features—clear writing style, cutting-edge content, and intuitive

pedagogy. There's a reason why Robbins's textbooks have educated millions of students and have been translated into twenty languages—and it's because of a commitment that provides the kind of engaging, cutting-edge material that helps students understand and connect with organisational behaviour.
