This set also comes with a unique serial code that gives you access to a comprehensive 12-week study syllabus on our online platform; we'll tell

you what to do every week until your exam. Note: While the 7th edition was originally written for the Classic version of the GMAT, when you register your set on our platform, you will gain access to digital supplements for the parts of the exam that have changed. (We'll also tell you which parts of the printed books you can ignore!) Online bonus materials include an

exclusive ebook with harder content, and GMAT Navigator with full solutions for problems found in the GMAT Official Guide. (Note: The Official Guide is sold separately from the official test makers; it is not included in All the GMAT.) Extra bonus: Need to brush up on your fundamental skills first? Our Foundations of Math and Foundations of Verbal ebooks are available for free—no purchase necessary. All the GMAT comes with access to Manhattan Prep’s Atlas online

separately) from the makers of the official test All lessons and practice problems created by expert instructors with 99th-percentile scores on the GMAT The All the GMAT book set includes three volumes: GMAT All the Quant guide GMAT All the Verbal guide GMAT Integrated Reasoning* & Essay guide *The Integrated Reasoning section has been renamed Data Insights on the new GMAT exam. The Essay section has been dropped from the new GMAT exam. This book set

comes with a unique one-time-use serial code to access your online resources. If you have any trouble registering your books or cannot find your serial code, please contact Manhattan Prep. Please note that Manhattan Review and Manhattan Elite Prep are different companies and cannot help you with our books! If you contact someone and they won't help, make sure you have contacted Manhattan Prep—we will make sure you get access to your resources. (Please also

note that the serial code is a one-time-use code. If you buy your books used or from a third-party seller rather than from Manhattan Prep, the original purchaser will likely already have used the serial code.) Executive Assessment (EA) test-takers: The IR guide is fully built out for both EA and GMAT test-takers. The All the Quant and All the Verbal guides are also effective for EA studiers; ignore the non-coordinate-plane geometry chapters in the Quant guide and study
