JAXON DILLON

My Thoughts Exactly Image Comics

This book offers a reappraisal of star studies in light of the arrival of the internet and the explosion in materials such as glossy magazines and merchandise meaning that stars are visible as never before. It explores the political economy of stardom, questions of performance, the effect on stardom of convergence between the film industry and other leisure industries, and the role of audiences.

[From Victoria's Secret Model to Role Model](#) Random House

Presents the personal account of the author who has led a rollercoaster life. This book tells how she overcame a string of emotional challenges: she has battled post-natal depression, endured a traumatic miscarriage and continually fought fears for the safety and health of her children and husband.

How Celebrity Narcissism Is Endangering Our Families--and How to Save Them Crown Archetype

Professor is transformed into an feminine sissy and obedient pet! Ashley is stunned that Professor Stockton has been snapping upskirt image of her. Intent on teaching him a lesson, she decides on the ultimate public humiliation and embarks on a journey to wrap the older male around her finger.....before eventually transforming him into her crossdressing sissy and flaunting her pet in front of the whole class! This 6,000 short story contains adult themes including femnization , sissification , sissy training and should be read by adults only!

Portraits Nudes Flowers The Uncomfortable TruthGayton McKenzie tackles the tough subject of his experiences with love, sex and relationships, admitting the truth derived from his own life as a "player", in the hope that the women who read it will feel more equipped to deal with the search for the right kind of man.CamgirlsCelebrity and Community in the Age of Social Networks

The face of entertainment has changed radically over the last decade—and dangerously so. Stars like Britney, Paris, Lindsay, Amy Winehouse—and their media enablers—have altered what we consider "normal" behavior. According to addiction specialist Dr. Drew Pinsky and business and entertainment expert Dr. S. Mark Young, a high proportion of celebrities suffer from traits associated with clinical narcissism—vanity, exhibitionism, entitlement, exploitativeness—and the rest of us, especially young people, are mirroring what we witness nightly on our TV and computer screens. A provocative, eye-opening study, *The Mirror Effect* sounds a timely warning, raising important questions about our changing culture—and provides insights for parents, young people, and anyone who wonders what the cult of celebrity is really doing to America.

Hollywood Stardom Center Street

From former model, actress, and reality TV star Richards ("It's Complicated") comes a raw, honest, and uplifting memoir.

The Passion and the Paradox Beast Books

This book investigates the causes and consequences of image-based sexual abuse in a digital era. Image-based sexual abuse refers to the taking or sharing of nude or sexual photographs or videos of another person without their consent. It includes a diversity of behaviours beyond that of "revenge porn", such as the secret trading of nude or sexual images online; "upskirting", "downblousing" and

other "creepshots"; blackmail or "sextortion" scams; the use of artificial intelligence to construct "deepfake" pornographic videos; threats to distribute photographs and videos without consent; and the taking or sharing of sexual assault imagery. This book investigates the pervasiveness and experiences of these harms, as well as the raft of legal and non-legal measures that have been introduced to better respond to and prevent image-based sexual abuse. The book draws on groundbreaking empirical research, including surveys in three countries with over 6,000 respondents and over 100 victim-survivor and stakeholder interviews. Guided by theoretical frameworks from gender studies, sociology, criminology, law and psychology, the authors argue that image-based sexual abuse is more commonly perpetrated by men than women, and that perpetration is higher among some groups, including younger and sexuality minority men. Although the motivations of perpetrators vary, a dominant theme to emerge was that of power and control. The gendered nature of the abuse means that it is best understood as a "continuum of sexual violence" because victim-survivors often experience it as part of a broader pattern of gendered harassment, violence and abuse. Written in a clear and direct style, this book will appeal to students and scholars of criminology, sociology, law and psychology. Image-based Sexual Abuse is also an essential resource for activists, legal and policy practitioners, technology companies and victim-survivors seeking to understand the deeply complex nature of intimate-image sharing in a digital era.

[Other People's Clothes](#) Penguin UK

By integrating star studies and film industry studies, *HollywoodStardom* reveals the inextricable bonds between culture andcommerce in contemporary notions of film stardom. Integrates the traditions of star studies and industry studiesto establish an original and innovative mode of analysis wherebythe 'star image' is replaced with the 'starbrand' Offers the first extensive analysis of stardom in the 'post-studio' era Combines genre, narrative, acting, and discourse analysis withaspects of marketing theory and the economic analysis of the filmmarket Draws on an extensive body of research data not previouslydeployed in film scholarship A wide range of star examples are explored including GeorgeClooney, Mel Gibson, Tom Cruise, Daniel Day-Lewis, Tom Hanks, WillSmith, and Julia Roberts

[The Art of Pretending to Be a Grown-up](#) Harper Collins

Following her amazing adventures in *BANZAI GIRL* Volume 1 "By Dreams Betrayed," Jinky Coronado and Michelle Bebot recorded an album and performed a whirlwind multi-country music tour as the Banzai Girls - returning home to the Philippines only to find the monsters of myth and legend just keep on comin'!Not only are they captured by the Kapre` (a huge, mysterious tree-dwelling creature) and face the Duwende horror, Michelle endures the terror of the Tikbalang, which claims her for his bride! And that's before a mysterious female foe takes revenge upon Jinky Coronado, her young sister Jasmine, and her whole family for reasons quite frightening and very dear.Inspired by true events, this all-new graphic adventure is now revealed in "Fifty Shades of Prey"!

[The Naked Truth About Bioidentical Hormones](#) Routledge

Like her art, Marilyn Monroe was rooted in paradox: She was a powerful star and a childlike waif; a joyful, irreverent party girl with a deeply spiritual side; a superb friend and a narcissist; a dumb blonde and an intellectual. No previous biographer has recognized-much less attempted to analyze-most of these aspects of her personality. Lois Banner has. With new details about Marilyn's childhood foster homes, her sexual abuse, her multiple marriages, her affairs, and her untimely death at the age of thirty-six, Marilyn is, at last, the nuanced biography Monroe fans have been waiting for.

[Mirror, Mirror](#) Bloomsbury Academic

This book is a critical and ethnographic study of camgirls: women who broadcast themselves over the web for the general public while trying to cultivate a measure of celebrity in the process. The

book's over-arching question is, «What does it mean for feminists to speak about the personal as political in a networked society that encourages women to 'represent' through confession, celebrity, and sexual display, but punishes too much visibility with conservative censure and backlash?» The narrative follows that of the camgirl phenomenon, beginning with the earliest experiments in personal homecamming and ending with the newest forms of identity and community being articulated through social networking sites like Live Journal, YouTube, MySpace, and Facebook. It is grounded in interviews, performance analysis of events transpiring between camgirls and their viewers, and the author's own experiences as an ersatz camgirl while conducting the research.

My Life in Scandal Macmillan

The author recounts 30 matches from 1926 to 1999 and ranks the twenty best players.

A Farmer's Advice for Happier Hens, Healthier People, and a Better World Harry N. Abrams

The star of the hit show *Glee* shares her experiences and insider tips on beauty, fashion, inner strength, and more in an illustrated in an illustrated book that's part memoir, part how-to, and part style guide. Lea Michele is one of the hardest working performers in show business. Whether she's starring as Rachel Berry on *Glee*, rocking a glamorous look on the red carpet, recording her solo album, or acting as the spokesperson for L'Oreal, Lea is the ultimate multi-tasker. She knows better than anyone that it is difficult to be your best self and keep things in perspective when your to-do list is overflowing and you are faced with challenges, so she's developed a foolproof system for remaining healthy and centered. In *Brunette Ambition*, she reveals the lessons and advice that have worked for her—from beauty and fashion secrets to fitness tips, and career insights. Supplemented with never-before-seen photos and revealing anecdotes, it's the book Lea wishes she'd had in her teens and early twenties: A practical and inspirational guide to harnessing tenacity and passion and living the fullest life, no matter what obstacles life puts in your way.

Marilyn Chicago Review Press

"Smart ... compelling ... persuasive ." —New York Times Book Review She's everywhere once you start looking: the trainwreck. She's Britney Spears shaving her head, Whitney Houston saying "crack is whack," and Amy Winehouse, dying in front of millions. But the trainwreck is also as old (and as meaningful) as feminism itself. From Mary Wollstonecraft—who, for decades after her death, was more famous for her illegitimate child and suicide attempts than for *A Vindication of the Rights of Woman*—to Charlotte Brontë, Billie Holiday, Sylvia Plath, and even Hillary Clinton, Sady Doyle's *Trainwreck* dissects a centuries-old phenomenon and asks what it means now, in a time when we have unprecedented access to celebrities and civilians alike, and when women are pushing harder than ever against the boundaries of what it means to "behave." Where did these women come from? What are their crimes? And what does it mean for the rest of us? For an age when any form of self-expression can be the one that ends you, Doyle's book is as fierce and intelligent as it is funny and compassionate—an essential, timely, feminist anatomy of the female trainwreck.

Inside the Cutthroat World of Morning TV Harmony

What does online community look like in the age of social networking? How do participatory culture platforms reflect both their designer's intentions and the desires of their users? This book discusses how culture is created and challenged on Reddit.com, the self-proclaimed "front page of the internet." Reddit enables the sharing of original and reposted content from around the web, and provides a platform for like-minded individuals to commune around topics of interest. Also explored is the ways in which community on Reddit is formed and solidified through play and humor, and the complex ways in which Redditors come together, which demonstrate a deep capacity for altruism and charitable giving, but can easily lapse into mob action. It also explores the community's troubling gender and racial politics and how some Redditors are carving out their own space on the site to fight back. -- Publisher description

TMI Doubleday

#1 New York Times Bestseller By the host of *The Grace Helbig Show* on E! and the it'sGrace YouTube channel, comedian Grace Helbig offers an irreverent and illustrated guide to life for anyone faced with the challenge of growing up. Infused with her trademark saucy, sweet, and funny voice, *Grace's Guide* is a tongue-in-cheek handbook for millennials, encompassing everything a young or new (or regular or old) adult needs to know, from how to live online to landing a job to surviving a breakup to decorating a first apartment, and much more. Charmingly illustrated, *Grace's Guide* features full-color photos, interactive worksheets, and exclusive stories from Grace's own misadventures, including her disastrous interview for NBC's *Page Program*, her lifelong struggles with anxiety, the first (and also last) time she entered a beauty pageant, meeting her first boyfriend at a high school Latin convention, and many other hilarious lessons she learned the hard way. Amusing and unexpectedly educational, this refreshing and colorful guide proves that becoming an adult doesn't necessarily mean you have to grow up.

A Novel! Melville House

At the end of every horror movie, one girl always survives...in this case, Cassie Hack not only survives, she turns the tables by hunting and destroying the horrible slashers that would do harm to the innocent! Alongside the gentle giant known as Vlad, the two cut a bloody path through those who deserve to be put down...hard!

"Where Were You Last Night?" Peter Lang

The story of how Mario Lavandeira became Perez Hilton, the world's first and biggest celebrity blogger. With Perez's help, many promising young artists reached the masses – Katy Perry, Adele, Amy Winehouse, and Lady Gaga, to name a few. Soon Perez was a Hollywood insider, but after a dramatic fallout with Lady Gaga, his blog became increasingly mean. When people called him a bully and a hypocrite for outing gay celebrities, Perez was forced to reevaluate not only his alter ego, but also himself. *TMI* reveals the man behind the blog in a new, revealing, and still juicy memoir.

You First Crown Pub

Can you really feel better as you get older? Is aging without illness possible? Is your own internal fountain of youth waiting to be discovered? Yes, yes, and YES! says Suzanne Somers, the bestselling author of *The Sexy Years*. It can all be true when you take advantage of the science of antiaging medicine—a revolutionary approach to achieving the ageless life. Suzanne Somers has already introduced millions of women to bioidentical hormone replacement therapy and changed the way we look at menopause. Now, in *Ageless*, Suzanne introduces an inspiring, medically validated approach to reversing the aging process and maintaining a healthy, vibrant, mentally sharp, sexually active life—while building the body's natural defenses against age-related diseases. Suzanne talks about: • How antiaging medicine can help detox the body of harmful pollutants and chemicals and strengthen our weakest glands and organs • The dangers of perimenopause and how women can treat it • Why so many hysterectomies are unnecessary, how birth control pills may have contributed to the rise of hysterectomies, and how to restore your body to perfect hormonal balance after having one • How andropause is a real condition for men, and how men can lose weight, regain their youthful physiques, and restore health, energy, and sexuality, all through bioidentical HRT • The importance of sleep and the healing work that nature does during this time to balance hormones and increase energy In this "antiaging bible," Suzanne brings together prominent, Western-trained antiaging doctors to show how the traditional medical approach is woefully inadequate. Its standard of care has been to treat all symptoms with drugs, but in *Ageless* you will find out how this approach does not make us better. With antiaging medicine you can heal your body rather than keep a chronic condition at bay with drugs. *Ageless* shows you how to keep your "insides" young, and how this manifests on the outside.
