Time and Again Penguin **NOW THE NETFLIX FILM BRAZEN, STARRING ALYSSA MILANO** From #1 New York Times bestselling author Nora Roberts comes a novel that explores the dangerous side of desire, when a mystery writer in search of a little peace

and quiet instead finds herself ensnared in the world of a real-life serial killer whose craving for murder stops at nothing . . . and no one. After a demanding book tour, superstar mystery novelist Grace McCabe decides to visit her sister, Kathleen, who's embroiled in a custody battle after a bitter divorce. Arriving in D.C., Grace is shocked to find Kathleen living in a run-down neighborhood and, hoping to afford a hotshot lawyer, supplementing her meager teacher's salary by moonlighting as a phone sex operator. According to Kathleen, Fantasy, Inc., guarantees its employees ironclad anonymity. But Grace has her doubts—which are confirmed one horrifying cherry-blossom-scented night when one of Fantasy, Inc.'s operators is murdered. As Grace is drawn to help solve the crime, her life turns into a scene from one of her own books. Yet as one of her biggest fans, investigator Ed Jackson, warns her: This isn't fiction. Real people die—and Grace could be next. For she's hoping to trap a killer more twisted than anything she could imagine. And not even Ed may be able to protect

her from a rendezvous with lust and death. *Nora Roberts' The Inn Boonsboro Trilogy* St. Martin's Press "Meet Yinka: a thirty-something, Oxford-educated, British Nigerian woman with a well-paid job, good friends, and a mother whose constant refrain is "Yinka, where is your husband?" Yinka's Nigerian aunts frequently pray for her delivery from singledom, her work friends think she's too traditional (she's saving herself for marriage!), her girlfriends think she needs to get over her ex already, and the men in her life...well, that's a whole other story. But Yinka herself has always believed that true love will find her when the time is right. Still, when her cousin gets engaged, Yinka commences Operation Find-A-Date for Rachel's Wedding. Aided by a spreadsheet and her best friend, Yinka is determined to succeed. Will Yinka find herself a husband? And what if the thing she really needs to find is herself? *Yinka, Where is Your Husband?* brilliantly subverts the traditional romantic comedy with an unconventional heroine who bravely asks the questions we all have

about love. Wry, acerbic, moving, this is a love story that makes you smile but also makes you think--and explores what it means to find your way between two cultures, both of which are yours"--*Hideaway* Berkley #1 New York Times bestselling author Nora Roberts presents the first novel in a compelling trilogy about three brothers bound by fate, blood, and a timeless enemy. In the town of Hawkins Hollow, it's called The Seven. Every seven years, on the seventh day of the seventh month, strange things happen. It began when three young boys—Caleb, Fox, and Gage—went on a camping trip to The Pagan Stone... It is only February, but Caleb Hawkins—descendant of the town founders—has already seen and felt the stirrings of evil. Though he can never forget the beginning of the terror in the woods twenty-one years ago, the signs have never been this strong before. Cal will need the help of his best friends Fox and Gage, but surprisingly he must rely on a stranger as well. Reporter Quinn Black came to Hawkins Hollow hoping to make its eerie happenings the subject of

her new book. She too can see the evil the locals cannot, somehow connecting her to the town—and to Cal. As winter turns to spring, they will shed their inhibitions, surrendering to a desire that will grow and form the cornerstone of a group of men and women bound by the fight against what is to come from out of the darkness... Don't miss the other books in the Sign of Seven trilogy *The Hollow The Pagan Stone Dance of Dreams Harlequin* Stranded in the present, time traveler Caleb Hornblower's biggest problem isn't returning to the twenty-third century—but falling head over heels for the beguiling Liberty Stone, who shows him a love more powerful than time itself. Though Caleb knows he belongs in the future, how can he leave the past, and Liberty, behind? Cynical Jacob Hornblower has followed his brother, Caleb, back in time, hoping to convince him to return home. His mission is soon forgotten, however, when he finds himself captivated by Liberty's spitfire sister, Sunny. But can a man who is down on love truly understand the

unbounded strength of the human heart?

From #1 New York Times bestselling author Nora Roberts comes a trilogy about the land we're drawn to, the family we learn to cherish, and the people we long to love... Book One of The Cousins O'Dwyer Trilogy *Dark Witch* With indifferent parents, Iona Sheehan grew up craving devotion and acceptance. From her maternal grandmother, she learned where to find both: a land of lush forests, dazzling lakes, and centuries-old legends. Ireland. County Mayo, to be exact. Where her ancestors' blood and magic have flowed through generations—and where her destiny awaits. Iona arrives in Ireland with nothing but her Nan's directions, an unfailingly optimistic attitude, and an innate talent with horses. Not far from the luxurious castle where she is spending a week, she finds her cousins, Branna and Connor O'Dwyer. And since family is family, they invite her into their home and their lives. When Iona lands a job at the local stables, she meets the owner, Boyle McGrath. Cowboy, pirate, wild tribal horsemen, he's

three of her biggest fantasy weaknesses all in one big, bold package. Iona realizes that here she can make a home for herself—and live her life as she wants, even if that means falling head over heels for Boyle. But nothing is as it seems. An ancient evil has wound its way around Iona's family tree and must be defeated. Family and friends will fight with each other and for each other to keep the promise of hope—and love—alive... "Reading *Hideaway* is like a mini vacation, as Roberts transports you from the sun-drenched mountains of Big Sur to the rolling hills of Ireland to the bustling streets of New York City." - Associated Press

A family ranch in Big Sur country and a legacy of Hollywood royalty set the stage for Nora Roberts' emotional new suspense novel, *Hideaway*. Caitlyn Sullivan had come from a long line of Hollywood royalty, stretching back to her Irish immigrant great-grandfather. At nine, she was already a star—yet still an innocent child who loved to play hide and seek with her cousins at the family home in Big

Sur. It was during one of those games that she disappeared. Some may have considered her a pampered princess, but Cate was in fact a smart, scrappy fighter, and she managed to escape her abductors. Dillon Cooper was shocked to find the bloodied, exhausted girl huddled in his house—but when the teenager and his family heard her story they provided refuge, reuniting her with her loved ones. Cate's ordeal, though, was far from over. First came the discovery of a shocking betrayal that would send someone she'd trusted to prison. Then there were years spent away in western Ireland, peaceful and protected but with restlessness growing in her soul. Finally, she would return to Los Angeles, gathering the courage to act again and get past the trauma that had derailed her life. What she didn't yet know was that two seeds had been planted that long-ago night—one of a great love, and one of a terrible vengeance...
