*Ten Commandments Twice Removed* Ave Maria Press

Sickly fifteen year old Prince Psal, the son of the nature-blessed warrior-king Nahas, should have been named Crown Prince of all Wheel Clan lands. A priest-physician like his friend Ephan, Psal lacks a warrior's heart, yet he desires to earn Nahas's respect and become a clan chief. If he cannot do this, he must escape his clan altogether. But his love for Cassia, the daughter of his father's enemy, and his own weaknesses work against him. When war comes, Psal defends Ktwala and her daughter Mahari, wronged by Nahas, and speaks out against the atrocities his clan commits, further jeopardizing his future. And now the mysterious towers that keep humans safe from the Creator's ancient curse are rebelling. A prophecy exists-not that Psal believes such matters-of three great ones who will find the Constant Tower and break the power of the third moon. Could Psal, Ephan, and Mahari be those great ones? Psal must risk losing his father's respect to find his destiny, and with his friends face the dangers of the unmaking night to find the Constant Tower and save all of humanity. "Carole McDonnell is a first-class world-builder. A unique, powerhouse epic, *The Constant Towers* is a treasure trove of great characters, compelling cultural details and political machinations, all lovingly detailed in evocative prose. Yay!" - Stefan Petrucha, author *Dead Mann Walking Catholicism and Life* Wildside Press LLC

"*The Ten Commandments: Case Studies in Catholic Morality*" is a single source that summarizes Catholic teaching around the Ten Commandments. Thirty case studies related to real-life issues and dilemmas addressed by each commandment make up the heart of this text. The case studies also remind students of the central importance of the Ten Commandments as a source for moral decision-making and provide contemporary ways the Commandments can be applied in their own lives. The text addresses both everyday issues of morality faced by teens, such as cheating on exams, using alcohol and drugs, sex before marriage--along with wider and new societal issues including the use of embryonic stem cells for medical research, responsibility for environmental problems, and the proper use of money.

[Kleiner Katechismus](#) BRILL

The words O Ten Commandments O conjure memories of the booming, majestic voice of God and ancient laws. The Ten Commandments, writes Sperry, remain important because they teach habits to develop a right relationship with God, self, and others.

[Living the Ten Commandments as a Catholic Today](#) Saint Pauls

The most important words ever written are the Ten Commandments. These words changed the world when they were first presented at Mt. Sinai to Israelites, and they are changing it now. They are the foundation stones of Western Civilization. Given their staggering importance, you would think that all societies, and certainly our educational and religious institutions, would be intent on studying them closely. Sadly, this is not the case. Our schools ignore them and our churches and

synagogues take them for granted. But here's a simple test: Who among us can even name all of the Ten Commandments? And even among those who can name them, how many can explain them in a way that makes sense to the modern eye and ear? If you are a person of faith, this book will strengthen it; if you are agnostic it will force you to rethink your doubts; if you're atheist, it will test your convictions. For people who have thought little about the Ten Commandments, as well as for those who have a sophisticated understanding of them, it will be a revelation. That's a lot to ask of a little book, but the only thing that's little here is the length. The ideas are very big.

**I Am the Lord Your God** Simon and Schuster

This small, durable hardback book is perfect, both inside and out, for young souls to bring to confession. Careful explanations of the Creed and the Ten Commandments, and five easy steps to the Sacrament of Reconciliation ensure that your child will readily grasp the precepts of our faith, learn to examine his or her conscience, and experience the grace of having a soul wiped clean in Confession.

[Catechism of the Catholic Church](#) Westminster John Knox Press

Entertaining and thought provoking, this instructive guide to the Ten Commandments is designed to be used by individuals or small groups. Each commandment is introduced and followed by three strategies for keeping the commandment. Each strategy is developed separately and followed by some form of reflection exercise.

*The Ten Commandments* Wm. B. Eerdmans Publishing

More than at any time in the past, Roman Catholics & evangelicals are working together. They are standing shoulder to shoulder against social evils. They are joining across denominational boundaries in renewal movements. And many evangelicals are finding the history, tradition, and grandeur of the Roman Catholic Church appealing. This newfound rapport has caused many evangelical leaders and laypeople to question the age-old disagreements that have divided Protestants and Catholics: Aren't we all saying the same thing in different language? *The Roman Catholic Controversy* is an absorbing look at current views of tradition and Scripture, the Papacy, the Mass, Purgatory, indulgences, and Marian doctrine. James White affirms that evangelicals and Catholics share common ground on some points. Yet there are crucial differences that remain regarding the Christian life--and the heart of the Gospel itself--that cannot be ignored.

[The Ten Commandments](#) McFarland

Each of these new "commandments" is partly true and may sound good until you look closely. For liberal Christianity never goes away, it just gets repackaged. If the church is going to hold fast to "the faith that was once for all delivered to the saints" (Jude 3), we must, in every era, be able to distinguish the true faith from the false.

[The Ten Commandments in Medieval and Early Modern Culture](#) Liturgical Press

Johann Friedrich Adolf Krug's edition of Martin Luther's Small Catechism offers a concise and accessible guide to the basics of Christian theology and practice. An essential resource for students of religion and anyone seeking a deeper understanding of Christianity. This work has been selected

by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work is in the "public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

I Believe Lexham Press

Over 3 million copies sold! Essential reading for Catholics of all walks of life. Here it is - the first new Catechism of the Catholic Church in more than 400 years, a complete summary of what Catholics around the world commonly believe. The Catechism draws on the Bible, the Mass, the Sacraments, Church tradition and teaching, and the lives of saints. It comes with a complete index, footnotes and cross-references for a fuller understanding of every subject. The word catechism means "instruction" - this book will serve as the standard for all future catechisms. Using the tradition of explaining what the Church believes (the Creed), what she celebrates (the Sacraments), what she lives (the Commandments), and what she prays (the Lord's Prayer), the Catechism of the Catholic Church offers challenges for believers and answers for all those interested in learning about the mystery of the Catholic faith. The Catechism of the Catholic Church is a positive, coherent and contemporary map for our spiritual journey toward transformation.

Father Champlin on Contemporary Issues TAN Books

This short, accessible, but theologically substantive volume unfolds the significance of the Ten Commandments for the Christian life. Gilbert Meilaender, one of today's leading Christian ethicists, places the commandments in the larger context of the biblical history of redemption and invites readers to wrestle with how human loves should relate to the first commandment: to love God above all else. As he approaches the Decalogue from this perspective, Meilaender helps Christians learn what it means to say, "Thy will be done."

The Commandments We Keep Catholic Book Publishing

The publication of *Laudato Si'*—a papal encyclical on a defining issue of our times—was a moment of great importance for Catholics and for the world. Now Fr. Joshtrom Kureethadam, one of the church's top experts on the document, provides a thoughtful, passionate, and highly accessible commentary on its key ideas and themes. Faithfully attentive to the outline of the six chapters of the encyclical, Fr. Joshtrom has also insightfully arranged the book according to the See-Judge-Act methodology that is increasingly used in spirituality, moral theology, and the social sciences. If Pope Francis is right when he insists that the solution to our environmental problems cannot be found only in technocratic approaches by governments and institutions, but by a wide and thoughtful embrace by all of us of our common responsibility, then Fr. Joshtrom's book is precisely what we need at this time.

Faith Basics: The Ten Commandments. A Contemporary Catechesis Ave Maria Press

Seasoned author and journalist Woodeene Koenig-Bricker skillfully weaves together Pope Benedict's key statements on environmental justice into one volume. Additionally, she offers commentary that helps to unpack the Ten Commandments for the Environment, which were recently released by the

Pontifical Council for Justice and Peace. Koenig-Bricker helps us understand an environmentally responsible lifestyle as a moral responsibility to protect the poor, who suffer most when climate change creates a shortage of resources. With practical, everyday ideas for reducing one's ecological footprint, this book is a must-read for those seeking the inspiration that the Holy Father radiates to a new generation of Catholics.

*The Ten Commandments* Bethany House Publishers

The Catholic Church has always acknowledged the significance and preeminent place of the Ten Commandments in the life of each of its members. We need from time to time, however, to be reminded of this fact in order that we might truly glorify the Lord not only with our lips but also in our actions. This little booklet provides just such a reminder. It is based on the Catechism of the Catholic Church and its subsequent Compendium, and is a positive approach toward Catholic morality, lifestyle and attitude. It provides several brief but thoughtful meditations on how we can live our graced Catholic faith by responding yes to the Lord's invitation to become saints, holy and happy brothers and sisters in the Lord.

**Ten Commandments for the Environment** Neumann Press

God desires a full, abundant life for us. We can be confident that when we do things His way, we will find the happiness we all seek. Discover the Ten Commandments anew in this contemporary catechesis based on the Catechism of the Catholic Church. About the Series: Faith Basics The Faith Basics series is about living life well. The booklets cover those topics of the Faith that most directly relate to the practical Catholic. Written for the person spread a bit too thin, the booklets are easily readable, covering the fundamentals in few words, while both informing and inspiring busy people to understand and live the Faith. Their convenient size makes them readily portable by purse or pocket. They are economically priced—ideal for distribution in evangelization efforts, RCIA classes, study groups, and outreach programs.

**My First Catechism** Emmaus Road Publishing

In his latest addition to the Pillars of Faith series, Msgr. Peter Vaghi guides readers in an exploration of the choices they make in their daily lives. With simplicity and clarity, he unpacks each of the Ten Commandments using a three-pronged approach: discover how the commandment was understood in the Old Testament, understand how Christ fulfilled the commandment in his life and teaching, and examine the personal and practical implications of each commandment for life today. James Martin, S.J., author of "The Jesuit Guide to (Almost) Everything," hails Vaghi's books as firmly grounded in scripture and tradition, well written, clear, orthodox, to the point and, best of all, wonderfully concise. In "The Commandments We Keep," Vaghi draws from scripture, the "Catechism of the Catholic Church," and the writings of Benedict XVI to help readers understand that Christ's purpose was not to replace the commandments, but rather to empower his followers to live them in a new way.

*Jews and Protestants* Wipf and Stock Publishers

Over the course of the fourteenth and fifteenth centuries, as more and more vernacular commentaries on the Decalogue were produced throughout Europe, the moral system of the Ten Commandments gradually became more prominent. The Ten Commandments proved to be a topic from which numerous proponents of pastoral and lay catechesis drew inspiration. God's commands were discussed and illustrated in sermons and confessor's manuals, and they spawned new

theological and pastoral treatises both Catholic and Reformed. But the Decalogue also served several authors, including Dante, Petrarch, and Christine de Pizan. Unlike the Seven Deadly Sins, the Ten Commandments supported a more positive image of mankind, one that embraced the human potential for introspection and the conscious choice to follow God's Law.

**40 Questions About Roman Catholicism** USCCB Publishing

This book retells the story of Moses and the Ten Commandments (Exodus 20:1-17). The Arch? Book series tells popular Bible stories through fun-to-read rhymes and bright illustrations. This well-loved series captures the attention of children, telling scripturally sound stories that are enjoyable and easy to remember.

*Stories on the Ten Commandments for the Children of the Holy Catholic Church* Our Sunday Visitor  
 "I Am the Lord Your God" explores anew the place of the Ten Commandments in contemporary civil society, their relation to natural moral law, their relevance for Christian instruction, and their

pertinence to ethical issues such as abortion, killing, homosexuality, lying, greed, and the like.

Written by an outstanding group of ethicists, theologians, and Bible scholars from various church traditions -- Catholic, Orthodox, Anglican, Lutheran, Methodist -- this timely work argues unequivocally for the divine authority and permanent validity of the Ten Commandments in both church and society. While including the Judge Roy Moore controversy in Alabama and other pertinent current issues in their discussion, the authors above all call the church to remain faithful to its heritage -- ultimately to the Lord God -- amid our postmodern culture at large. Contributors: Markus Bockmuehl Carl E. Braaten William T. Cavanaugh David Bentley Hart Reinhard Hutter Robert W. Jenson Gilbert Meilaender Thomas C. Oden Ephraim Radner R. R. Reno Christopher R. Seitz Philip Turner Bernd Wannewetsch Robert Louis Wilken
