****THE SILVERLIGHT SERIES IS A REVERSE HAREM SERIES****

When the sentencing judge's wife goes missing, Captain Crawford brings Trinity in to help track the woman. She agrees to find Madalyn Bennett--if the judge will let her visit Angus. After her visit is granted, Trinity becomes even more convinced Angus is in trouble. With her sexy hunting partner at her side, she sets out to track the judge's missing wife. Every single one of her supernaturals--her men--gather around her to help her free Angus Stark. Because the judge has agreed--if she finds his wife alive, he will give Angus back to her. As problems arise and the vampire master's hold on her tightens, Clayton's very existence is threatened, and Angus's situation becomes critical, Trinity discovers that battling demons and killing vampires might be the very least of her troubles... --- "5

stars. All the fucking stars." -- "This second installment is less dark than the first book but is a hell of a roller coaster. It's still very complex, fucked up, bloody, violent and the feels were everywhere. Sadness, anger, love, tenderness, cruelty. Everywhere and in everyone. It's beautiful, painful and wonderfully done." -- "The love he shows during the book is almost too much to bear and definitely swoon worthy. Shane Copas is adorable. Never thought I would say that." -- "Dynamite, emotional, draining, exciting, heartbreaking, uplifting, exhausting and wonderful read. CARETAKER was a study in opposites and I loved it." -- "I love the dark characters with the tragic history who require a lot of growth, and who are sexy as hell! " -- "Angus broke my heart multiple times in CARETAKER, but he remains one of my favorite characters. I think I like him even more now. He has become incredibly complex, and I can't wait to dive into what seems to be the deep well of darkness forced upon him." -- "I am most excited by Leo Trask. In some ways, he reminds me of Terrence, the troll from Jackie May's NORA JACOBS series - the huge, dangerous, not outwardly gorgeous guy that is a protective marshmallow at heart." -- "I will also note that this reverse harem series is most definitely NOT slow burn..." -- "What is interesting is how the author handles the sex scenes. Yes, they can be dark and graphic and hot and overwhelming (uh, sex on a pile of vampire corpses anyone?)" -- "And as with BLOODHUNTER, there are plenty of potentially triggering issues in CARETAKER. It is violent, bloody, brutal and dark. You have been warned! But I would not miss this series for the world. It is beautifully rendered and completely engrossing. Now how on earth am I going to stand the wait on Book 3? HIGHLY recommended!" DARK URBAN

At an obscure South Carolina nursing home, a lost world reemerges as a disabled elderly woman undergoes newfangled brain-restoration procedures and begins to explore her environment with the assistance of strap-on robot legs. At a deluxe medical spa on a nameless Caribbean island, a middle-aged woman hopes to revitalize her fading youth with grotesque rejuvenating therapies that combine cutting-edge medical technologies with holistic approaches and the pseudo-religious dogma of Zen-infused self-help. And in a rinky-dink mill town, an adolescent girl is unexpectedly inspired by the ravings and miraculous levitation of her fundamentalist friend's weird grandmother. These are only a few of the scenarios readers

encounter in Julia Elliott's debut collection, *The Wilds*. In these genre-bending stories, teetering between the ridiculous and the sublime, Elliott's language-driven fiction uses outlandish tropes to capture poignant moments in her humble characters' lives. Without abandoning the tenets of classic storytelling, Elliott revels in lush lyricism, dark humor, and experimental play. [Shiv Crew](#) Createspace Independent Publishing Platform
