EY Tax Guide 2016 John Wiley & Sons

The ultimate money-saving tax guide for the small business
owner J.K. Lasser's *Small Business Taxes* is designed to help
business owners make sense of their taxes and file correctly, on
time, without over- or under-paying. Maximize your bottom line
with a complete listing of all available business expense
deductions, small business tax planning strategies, and the most
up-to-date tax laws and requirements, including plain-English
instructions on how to qualify, how to claim, and how to file.
There's an e-supplement with the latest tax developments from
the IRS and Congress. From employee wages and advertising, to
repairs, rents, debts, and more, this book answers all of your
questions about your 2016 filing. Stop wading through mountains

of paperwork and browsing sketchy tax advice—this book puts
America's most trusted tax advisors to work for your business.
Detailed guidance includes recordkeeping requirements, dollar
limits, sample forms, and checklists, and even shows you exactly
which line on which form needs what information—and where to
find it. Business taxes have so many moving parts that putting it
all together can seem more difficult than actually running your
business in the first place. J.K. Lasser puts a stop to the madness
by breaking down the requirements, forms, and processes into a
sensible workflow, with expert help that can save your business
money. Organize your recordkeeping for a more streamlined filing
Claim income and losses from business, property, and capital
gains Identify the many business expenses that qualify as
deductions Learn professional planning strategies specifically for
small businesses Work more efficiently with your own tax advisor
You're an expert on your business, not taxes. Unless you're
inclined to moonlight as a tax accountant, you need a trusted
expert on your side to help you keep more money where it
belongs—in your business. J.K. Lasser's *Small Business Taxes* is
the ultimate guide to filing quickly, correctly, and with less stress,
so you can get filed and get back to work.

The popular handbook to estate planning, now updated for 2018
Since its first publication in 2002, *New Rules for Estate,
Retirement, and Tax Planning* has sold more than 40,000 copies,
providing a solid, accessible introduction to estate planning for
any age or income bracket. Now in its sixth edition, *Estate,
Retirement, and Tax Planning* continues this tradition, covering
such topics as trusts, donations, life insurance, and wills in easy-
to-understand language that offers valuable insights and solid
strategies to help you preserve your wealth and plan your estate
so that your assets go where you want with a minimum of taxes
and government interference. This comprehensive guide answers
such common questions as: How much do I need to retire
comfortably? How do I protect my children's inheritance? How do I
ensure planned donations are made after I'm gone? And many
more. The Sixth Edition is also fully updated to reflect changes

following the 2018 Tax Cuts and Jobs Act, so that you can learn how new regulations could impact your inheritance and trusts. Other notable features include advice on working with elderly parents and introducing financial planning to children and teenagers, in addition to a list of professional advisers and a glossary of estate planning terms. Understand estate planning and obtain solid strategies for growing your wealth Explore asset protection and succession planning strategies Discover how recent updates to the tax code could affect you and your heirs Stay informed of any relevant law changes with an author-managed web site Estate, Retirement, and Tax Planning contains a wealth of valuable information for any adult who needs help planning their financial future, from the established professional heading toward retirement, to the young adult looking to understand the basics. Wherever you are in your journey, use Estate, Retirement, and Tax Planning to ensure your legacy is protected.
