This book focuses on the Philippines as a powerhouse in the Catholic and global migration landscape. It offers a wide-ranging look at the roles, dynamics, character, and trajectories of Catholic faith and practice in the age of migration through an interdisciplinary, religious, and theological approach to Filipino Catholics' experience of migration and diaspora both at home and overseas. In so doing, the book introduces the reader to the hallmarks and characteristics of a contextual model of world Christianity and global Catholicism in the twenty-first century.

Why do religious people believe what they shouldn't -- not what others think they shouldn't believe, but things that don't accord with their own avowed religious beliefs? D. Jason Slone terms this phenomenon "theological incorrectness." He argues that it exists because the mind is built in such

a way that it's natural for us to think divergent thoughts simultaneously. Human minds are great at coming up with innovative ideas that help them make sense of the world, he says, but those ideas do not always jibe with official religious beliefs. From this fact we derive the important lesson that what we learn from our environment -- religious ideas, for example -- does not necessarily cause us to behave in ways consistent with that knowledge. Slone presents the latest discoveries from the cognitive science of religion and shows how they help us to understand exactly why it is that religious people do and think things that they shouldn't.

must be not just warriors for the pro-life cause, he says, but ambassadors for it. Read *Persuasive Pro-Life- 2nd Edition* today, and never again be afraid to speak up for the precious and fundamental right to life.

Learn about the history, blessing, and promise of Filipino Catholics in the United States! *A Treasured Presence* details how Christianity took root in the Philippines--beginning with the arrival of missionaries and priests who came alongside the Spanish expedition led by Portuguese explorer Ferdinand Magellan in 1521. It then explores the subsequent process of Filipino migration to the United States, and how their uniquely inculturated Catholicism has enriched the Church and the United States since. As you read, consider how Filipino Catholics add to the diverse richness of the Church in the United States and how their experiences, history, culture, and faith strengthen the Church. This short book will be a great read for families in the Filipino community; for pastors, teachers, and lay people who minister in parishes with a Filipino presence; and for all those interested in learning more about the Church's treasured presence of Filipino American Catholics.

"What must I do to gain eternal life?" The rich man who asked this of Jesus was told to sell all he had and give to the poor. But, more importantly, he was told, "Come, follow me!" Franciscan Casey Cole challenges us to let go of something more difficult than material wealth: expectations, anxiety, comfort, wounds, enemies, power—and our very selves. Speaking from both personal and pastoral experience, he outlines the stumbling blocks that turn us away from following Jesus as true disciples. The response to "What must I do?" is simple but not easy: Let go. Now.

The perfect gift! A specially priced, beautifully designed hardcover edition of *The Joy of the Gospel* with a foreword by Robert Barron and an afterword by James Martin, SJ. "The joy of the gospel fills the hearts and lives of all who encounter Jesus... In this Exhortation I wish to encourage the Christian faithful to embark upon a new chapter of evangelization marked by this joy, while pointing out new paths for the Church's journey in years to come."

– Pope Francis This special edition of Pope Francis's popular message of hope explores themes that are important for believers in the 21st century.

Examining the many obstacles to faith and what can be done to overcome those hurdles, he emphasizes the importance of service to God and all his creation. Advocating for "the homeless, the addicted, refugees, indigenous peoples, the elderly who are increasingly isolated and abandoned," the Holy Father shows us how to respond to poverty and current economic challenges that affect us locally and globally. Ultimately, Pope Francis demonstrates how to develop a more personal relationship with Jesus Christ, "to recognize the traces of God's Spirit in events great and small."

Profound in its insight, yet warm and accessible in its tone, *The Joy of the Gospel* is a call to action to live a life motivated by divine love and, in turn, to experience heaven on earth. Includes a foreword by Robert Barron, author of *Catholicism: A Journey to the Heart of the Faith* and James Martin, SJ, author of *Jesus: A Pilgrimage*

When one reaches the highest degree of human maturity, one has only one question left: How can I be helpful?—TERESA OF ÁVILA Beloved author Ronald Rolheiser continues his search for an accessible and penetrating Christian spirituality in this highly anticipated follow-up to the contemporary classic, *The Holy Longing*. With his trademark acuity, wit, and thoughtfulness, Rolheiser shows how identifying and embracing discipleship will lead to new heights of spiritual awareness and maturity. In this new book, Rolheiser takes us on a journey through the dark night of the senses and of the spirit. Here, we experience the full gamut of human life, pleasure and fervor, disillusionment and boredom. But, as Rolheiser explains, when we embrace the struggle and yearning to know God we can experience too a profound re-understanding to our daily lives. "What lies beyond the essentials, the basics?" Rolheiser writes. "Where do we go once some of the basic questions in our lives have been answered, or at least brought to enough peace that our focus can shift away from ourselves to others? Where do we go once the basic questions in our lives are no longer the restless questions of youthful insecurity and loneliness? Who am I? Who loves me? How will my life turn out? Where do we go once the basic question in life becomes: How can I give my life away more purely, and more meaningfully? How do I live beyond my own heartaches, headaches, and obsessions so as to help make other peoples' lives more meaningful? The intent of this book is to try to address exactly those questions: How can we live less self-centered, more mature lives? What constitutes deep maturity and how do we reach that place? And, not unimportantly, what constitutes a more adult, Christian discipleship? What constitutes a truly mature following of Jesus?" As the poet Rainer Maria Rilke suggests, "Live the questions now." In *Sacred Fire*, Rolheiser's deeply affecting prose urges us on in pursuit of the most holy of all passions—a deep and lasting intimacy with God.

Everyday worship practices—from praying the rosary to moments of recognizing the beauty of God's creation, from being moved by the power of music to praying Vespers on an iPad—not only take place at different locations and during different days of the week but also dynamically interact with one another. *The Liturgy of Life* examines the interrelationship between the practice of Sunday Eucharist and the many nonofficial worship practices that mark the everyday lives of Christians who continually negotiate the boundaries of official teaching on liturgy. Drawing on the writings of theologians and sociologists of lived religion and data from an ethnographic research project, this timely work stretches the contextual horizon of liturgical scholarship and presents a provocative and dynamic paradigm of Christian worship for the twenty-first century.

To young Christians of the world, Pope Francis has a message for you: "Christ is alive, and he wants you to be alive!" In his fourth apostolic exhortation, *Christus Vivit*, Pope Francis encapsulates the work of the 2018 synod of bishops on "Young People, The Faith, and Vocational Discernment." Pope Francis has always had a special relationship with young people, and in his fatherly love for you he shows that: You can relate to young people in Scripture who made a difference You identify with the Christ who is always young You face difficult issues in the world today You yearn for the truth of the Gospel You are capable of amazing things when you respond to the Gospel You learn and grow with help from the faithful of all generations You need bold and creative youth ministry You can discover who God made you to be You are urged to pray for discernment *Christus Vivit* is written for and to young people, but Pope Francis also wrote it for the entire Church, because, as he says, reflecting on our young people inspires us all. "May the Holy Spirit urge you on as you run this race. The Church needs your momentum, your intuitions, your faith. We need them! And when you arrive where we have not yet reached, have the patience to wait for us."
