 The truck's role in  
 American society changed  
 dramatically from the  
 1960s through the 1980s,  
 with the rise of off-  
 roaders, the van craze of  
 the 1970s and minivan

revolution of the 1980s,  
 the popularization of the  
 SUV as family car and the  
 diversification of the  
 pickup truck into multiple  
 forms and sizes. This  
 comprehensive reference  
 book follows the form of  
 the author's popular  
 volumes on American  
 cars. For each year, it  
 provides an industry  
 overview and, for each  
 manufacturer, an update  
 on new models and other  
 news, followed by a  
 wealth of data: available  
 powertrains, popular  
 options, paint colors and  
 more. Finally, each truck  
 is detailed fully with  
 specifications and  
 measurements, prices,  
 production figures,  
 standard equipment and  
 more.

The headline of the  
 Variety extra on October  
 27, 1926, proclaimed  
 "Vitaphone1 Thrills L.A.!"  
 Vitaphone, a subsidiary of  
 Warner Bros. formed in  
 association with Western  
 Electric, was one of the  
 major producers of  
 talkies, even though its  
 sound-on-disc technology  
 barely lasted four years.  
 The Vitaphone features  
 and shorts that have

survived intact, or that  
 have been so carefully  
 restored, preserve much  
 of the show business  
 history that might  
 otherwise have been lost  
 with the industry's fast-  
 paced advances in movie  
 making. This book is a  
 catalogue of Vitaphone  
 features and shorts. The  
 first section lists the  
 features and shorts by  
 release number. The New  
 York productions  
 (1926-1940) are listed  
 first, followed by the West  
 Coast productions  
 (1927-1970). For shorts,  
 the following particulars,  
 if known and if applicable,  
 are given: title, alternate  
 title(s), instrumental and  
 vocal selections  
 performed on screen,  
 composer(s) and  
 performers of  
 instrumental and vocal  
 selections, release date  
 and synopsis of the film,  
 names of major cast  
 members and directors,  
 set information if two or  
 fewer sets were used, and  
 the amount paid to early  
 performers. For features,  
 entries list release dates,  
 genre, and major cast  
 members. The section on  
 performers includes only  
 those who appeared in  
 shorts, listing dates and  
 places of birth when  
 known.
