THE MIDDLE AGES (1066-1485)

Perhaps the most famous date in British history is 1066, when William the First (William the Conqueror)

invaded England with an army of soldiers from Normandy (in north-west France). The Normans were originally Vikings, who had moved to north France in about AD 900. THE MIDDLE AGES (1066-1485) - Student Life England in the Middle Ages concerns the history of England during the medieval period, from

the end of the 5th century through to the start of the Early Modern period in 1485. When England emerged from the collapse of the Roman Empire, the economy was in tatters and many of the towns abandoned. After several centuries of Germanic immigration, new identities and cultures began to emerge
