*The Pluto Files: The Rise and Fall of America's Favorite Planet* Arihant Publications India limited

The book focuses on boredom, a construct that has been explored in educational psychology but has received only scant attention from second language acquisition researchers. Although recent years have seen a growing interest in positive emotions in second or foreign language learning and teaching, negative emotions are always present in the classroom and they deserve to be investigated in their own right. The theoretical part provides an overview of the construct of boredom (e.g., definitions, types, empirical studies in the L2 classroom). The empirical part reports the findings of an empirical study which aimed to examine the changes in the levels of boredom experienced by a group of English majors in English classes and identify the factors accounting for such changes. The book closes with a discussion of directions for further research as well as some pedagogic implications.

BEYOND BOOKS HUB

Published anonymously in 1729, Jonathan Swift's satirical essay, *A Modest Proposal*, puts forth the darkly comical idea that the starving poor of Ireland might alleviate their economic condition by selling their children as food for wealthy gentlemen and ladies. At its

core, Swift's *Modest Proposal* satirizes English exploitation of Ireland in particular and the heartless attitude that rich elites can develop towards the poor in general. Along with *Gulliver's Travels*, *A Modest Proposal* is an early English example of the black comedic genre. HarperTorch brings great works of non-fiction and the dramatic arts to life in digital format, upholding the highest standards in ebook production and celebrating reading in all its forms. Look for more titles in the HarperTorch collection to build your digital library. Swift's devastating short satire on how to solve a famine *Introducing Little Black Classics: 80 books for Penguin's 80th birthday*. Little Black Classics celebrate the huge range and diversity of Penguin Classics, with books from around the world and across many centuries. They take us from a balloon ride over Victorian London to a garden of blossom in Japan, from Tierra del Fuego to 16th century California and the Russian steppe. Here are stories lyrical and savage; poems epic and intimate; essays satirical and inspirational; and ideas that have shaped the lives of millions. Jonathan Swift (1667-1745). Swift's works available in Penguin Classics are *Gulliver's Travels* and *A Modest Proposal and Other Writings*. *The Interesting Narrative of the Life of Olaudah Equiano* Oswaal Books and Learning Private Limited "REA: the test prep AP teachers recommend." *Oswaal ISC Chapter-wise & Topic-wise Question Bank For Semester-2, Class 12, English Paper 1 Language Book (For*

As a Cookbook, this book enables you to create APEX web applications and to implement features with immediately usable recipes that unleash the powerful functionality of Oracle APEX 4.2. Each recipe is presented as a separate, standalone entity and the reading of other, prior recipes is not required. It can be seen as a reference and a practical guide to APEX development. This book is aimed both at developers new to the APEX environment and at intermediate developers. More advanced developers will also gain from the information at hand. If you are new to APEX you will find recipes to start development and if you are an experienced user you will find ways to improve your productivity and efficiency and make the most of APEX to enhance your applications. A little knowledge of PL/SQL, HTML and JavaScript is assumed.

Short Story Thomas Nelson and Sons

In the mid 1700s, around the age of eleven, Olaudah Equiano and his sister were kidnapped from their village in equatorial Africa and sold to slavers. Within a year he was aboard a European slave ship on his way to the Caribbean. The Interesting Narrative of the Life of Olaudah Equiano, or Gustavus Vassa, the African was published by the author in 1789 and is part adventure story, part treatise on the corrupting power of slavery, and part tract about the transformative powers of Christianity. Equiano's story takes him from Africa to the Americas, back across the Atlantic to England, into the Mediterranean, and even north to the ice packs, on a mission to discover the North-East passage. He fights the French in the Seven Year's War, is a mate and merchant in the West Indies, and eventually becomes a freedman based in London. The

Interesting Narrative of the Life of Olaudah Equiano was one of the first popular slave narratives and was reprinted eight times in the author's lifetime. While modern scholars value this account as an important source on the life of the eighteenth-century slave and the transition from slavery to freedom, it remains an important literary work in its own right. As a valuable part of the African and African-American canons, it is still frequently taught in both English and History university courses. This book is part of the Standard Ebooks project, which produces free public domain ebooks.

*Beyond the Wall* Carson-Dellosa Publishing

Poetry. In Noel Sloboda's second book of poems, he delves beneath the surface of suburban life, weaving together ancient myths, childhood nightmares, and

historical reveries. *OUR RARER MONSTERS* explores intersections between real and imagined geographies: a residential block where Grendel lives next door and Prospero is parked out in the street. These poems—and the accompanying linocuts by Marc Snyder—plumb the depths of memory to unearth roots that bind us to the literary, cultural, and mythological traditions of yesterday as we hurtle irresistibly through the twenty-first century. "Noel Sloboda's *OUR RARER MONSTERS* is an imaginative book full of wonder and charm."—Jeannine Hall Gailey "I kept coming back to Sloboda's poems and to Marc Snyder's exquisite linocuts included in this utterly winning book. Here is a poetry collection not to be missed for its audacity and verve."—Kristin Ong Muslim

*An English Lesson Book* BEYOND BOOKS HUB

Designed for North American students, this special version of the Oxford Latin Course combines the best features of both modern and traditional methods of Latin teaching, providing an exciting, stimulating introduction and approach to Latin based on the reading of original texts. In this four-volume North American edition, the order of declensions corresponds to customary U.S. usage, and the spelling has been Americanized. In addition, it offers full-color illustrations and photographs throughout Parts I and II and an expanded Teacher's Book with translations for each part. Parts I-III (now available in hardcover editions) are built around a narrative detailing the life of Horace, now based more closely on historical sources, which helps students to get to know real Romans—with their daily activities, concerns, and habits—and to develop an understanding of Roman civilization during the time of Cicero and Augustus. Part IV (paperback) is a reader consisting of extracts from Caesar, Cicero, Catullus, Virgil, Livy, and Ovid. The second edition of the Oxford Latin Course has been carefully designed to maximize student interest, understanding, and competence. It features a clearer presentation of grammar, revised narrative passages, new background sections, more emphasis on daily life and on the role of women, a greater number and variety of exercises, and review chapters and tests. Each chapter opens with a set of cartoons with Latin captions that illustrate new grammar points. A Latin reading follows, with new vocabulary highlighted in the margins and follow-up

exercises that focus on reading comprehension and grammatical analysis. A background essay in English concludes each chapter. Covering a variety of topics--from history to food, from slavery to travel, these engaging essays present a well-rounded picture of Augustan Rome. The Oxford Latin Course, Second Edition offers today's students and teachers an exceptionally engaging and attractive introduction to the language, literature, and culture of Rome--one that builds skills effectively and is exciting to use.

Study Guide to Passing the Salesperson Real Estate License Exam Effortlessly  
Oswaal Books and Learning Private Limited

A monster assembled by a scientist from parts of dead bodies develops a mind of his own as he learns to loathe himself and hate his creator. Shelley's suspenseful and intellectually rich gothic tale confronts some of the most important and enduring themes in all of literature--the power of human imagination, the potential hubris of science, the gulf between appearance and essence, the effects of human cruelty, the desire for revenge and the need for forgiveness, and much more.

*Frankenstein* Simon and Schuster  
Narrative of the Life of Frederick Douglass First published in 1845, Narrative of the Life of Frederick Douglass is an eye-opening depiction of American slavery. Part autobiography, part human-rights treatise, it describes the everyday horrors inflicted on captive laborers, as well as the strength and courage needed to survive. Narrative of the Life of Frederick Douglass Born into slavery on a Maryland plantation in 1818, Frederick Douglass spent years secretly teaching himself to read and write—a crime for which he risked life

and limb. After two failed escapes, Douglass finally, blessedly boarded a train in 1838 that would eventually lead him to New York City and freedom. Narrative of the Life of Frederick Douglass Few books have done more to change America's notion of African Americans than this seminal work. Beyond its historical and social relevancy, it is admired today for its gripping stories, the intensity of spirit, and heartfelt humanity. Narrative of the Life of Frederick Douglass This ebook has been professionally proofread to ensure accuracy and readability on all devices. Narrative of the Life of Frederick Douglass Born into a life of bondage, Frederick Douglass secretly taught himself to read and write. It was a crime punishable by death, but it resulted in one of the most eloquent indictments of slavery ever recorded. His gripping narrative takes us into the fields, cabins, and manors of pre-Civil War plantations in the South and reveals the daily terrors he suffered. Narrative of the Life of Frederick Douglass Written more than a century and a half ago by a Black man who went on to become a famous orator, U.S. minister to Haiti, and leader of his people, this timeless classic still speaks directly to our age. It is a record of savagery and inhumanity that goes far to explain why America still suffers from the great injustices of the past. Narrative of the Life of Frederick Douglass *Oswaal ISC Chapter-wise & Topic-wise Question Bank For Semester 2, Class 12 (Set of 5 Books) Physics, Chemistry, Biology, English 1 & 2 (For 2022 Exam)* Harper Collins  
Jimmy Doyle, a college student, is well-connected and has many wealthy friends. He enjoys the glamorous company, and his parents are proud. At dinner one evening, Jimmy and his friend

entertain an English nobleman named Routh. After much drinking they decide to play a few hands and gamble, and although Jimmy loses numerous times, he is still able to fit in and keep up a joyous front. Critically acclaimed author James Joyce's *Dubliners* is a collection of short stories depicting middle-class life in Dublin in the early twentieth century. First published in 1914, the stories draw on themes relevant to the time such as nationalism and Ireland's national identity, and cement Joyce's reputation for brutally honest and revealing depictions of everyday Irish life. HarperPerennial Classics brings great works of literature to life in digital format, upholding the highest standards in ebook production and celebrating reading in all its forms. Look for more titles in the HarperPerennial Classics collection to build your digital library. *Official GRE Quantitative Reasoning Practice Questions* Packt Publishing Ltd The New York Times bestseller: "You gotta read this. It is the most exciting book about Pluto you will ever read in your life." —Jon Stewart When the Rose Center for Earth and Space at the American Museum of Natural History reclassified Pluto as an icy comet, the New York Times proclaimed on page one, "Pluto Not a Planet? Only in New York." Immediately, the public, professionals, and press were choosing sides over Pluto's planethood. Pluto is entrenched in our cultural and emotional view of the cosmos, and Neil deGrasse Tyson, award-winning author and director of the Rose Center, is on a quest to discover why. He stood at the heart of the controversy over Pluto's demotion, and consequently Plutophiles have freely shared their opinions with him, including endless hate mail from third-graders. With his inimitable wit, Tyson delivers a

minihistory of planets, describes the oversized characters of the people who study them, and recounts how America's favorite planet was ousted from the cosmic hub.

#### **Introductory Statistics** Oswal Publishers

*Principles of Management* is designed to meet the scope and sequence requirements of the introductory course on management. This is a traditional approach to management using the leading, planning, organizing, and controlling approach. Management is a broad business discipline, and the *Principles of Management* course covers many management areas such as human resource management and strategic management, as well behavioral areas such as motivation. No one individual can be an expert in all areas of management, so an additional benefit of this text is that specialists in a variety of areas have authored individual chapters.

#### *Boredom in the Foreign Language Classroom* Good Press

In this wise and lyrical book about landscapes of the desert and the mind, Edward Abbey guides us beyond the wall of the city and asphalt belting of superhighways to special pockets of wilderness that stretch from the interior of Alaska to the dry lands of Mexico.

#### Daily Language Review W. W. Norton & Company
