 The Comprehensive Textbook of Healthcare Simulation is a cohesive, single-source reference on all aspects of simulation in medical education and evaluation. It covers the use of simulation in training in each specialty and is aimed at healthcare educators and administrators who are developing their own simulation centers or programs and professional organizations looking to incorporate the technology into their credentialing process. For those already involved in simulation, the book will serve as a state-of-the-art reference that helps them increase their knowledge base, expand their simulation program's capabilities, and attract new, additional target learners. Features: • Written and edited by pioneers and experts in healthcare simulation • Personal memoirs from simulation pioneers • Each medical specialty covered • Guidance on teaching in the simulated environment • Up-to-date information on current techniques and technologies • Tips from "insiders" on funding, development, accreditation, and marketing of simulation centers • Floor plans of simulation centers from across the United States • Comprehensive glossary of terminology

 Jean-Baptiste Adamsberg is not like other policemen. His methods appear unorthodox in the extreme: he doesn't search for clues; he ignores obvious suspects and arrests people with iron-clad alibis; he appears permanently distracted. The Chalk Circle Man is the first book featuring Jean-Baptiste Adamsberg, one of the most engaging characters in contemporary detective fiction. When strange, blue chalk circles start appearing overnight on the pavements of Paris, the press take up the story with amusement and psychiatrists trot out their theories. Adamsberg is alone in thinking this is not a game and far from amusing. He insists on being kept informed of new circles and the increasingly bizarre objects which they contain: empty beer cans, four trombones, a pigeon's foot, four cigarette lighters, a badge proclaiming "I Love Elvis," a hat, a doll's head. Adamsberg senses the cruelty that lies behind these seemingly random occurrences. Soon a circle with decidedly less banal contents is discovered: the body of a woman with her throat savagely cut. Adamsberg knows that other murders will follow.

 What can stories of magical engraved rings or prophetic inscriptions on walls tell us about how writing was perceived before print transformed the world? Writing beyond Pen and Parchment introduces readers to a Middle Ages where writing is not confined to manuscripts but is inscribed in the broader material world, in textiles and tombs, on weapons or human skin. Drawing on the work done at the Collaborative Research Centre "Material Text Cultures," (SFB 933) this volume presents a comparative overview of how and where text-bearing artefacts appear in medieval German, Old Norse, British, French, Italian and Iberian literary traditions, and also traces the paths inscribed objects chart across multiple linguistic and cultural traditions. The volume's focus on the raw materials and practices that shaped artefacts both mundane or fantastical in medieval narratives offers a fresh perspective on the medieval world that takes seriously the vibrancy of matter as a vital aspect of textual culture often overlooked.

The volume addresses the study of political violence from a humanistic and democratic perspective. The chapters utilize the lens of gender, examine myths and otherness, reflect on structural hunger and fear, and narrate testimonials of exile abroad and in Spain. The methodologies employed are grounded in hermeneutics and discourse analysis.

Some secrets refuse to stay hidden. Lacey Daughtry's perfect weekend is interrupted by tragic news of her brother's murder in the line of duty. Plagued by a rash of mysterious phone calls, she turns to her brother's best friends and fellow officers for protection...and comfort. Spending time in close contact with Mason and Tyler, the two men she's dreamed of since her first girlhood crush, seems like the answer to a prayer. Especially when they begin to explore the desire she's harbored for so long. But the partners are holding out on Lacey. Determined to suppress the most extreme facets of their lust, they agree to settle for sharing the woman they crave while concealing their desire for each other. Until Lacey cracks their resolve, unleashing a torrent of emotions that threatens to distract them when they can least afford it. Their blossoming relationship is complicated by secrets. And the only way to evade the killer threatening their lives is to bare their souls in the darkest hours of the night. Or everything will come crashing down, just before the dawn. Warning: After reading this book you'll never look at a pair of hot cops, a cemetery or a can of Spaghetti-O's the same way again.

This unique resource is designed to be a practical, user-friendly guide for pediatricians, primary care providers, and all healthcare providers who work with children with autism spectrum disorder. Diagnosing and Caring for the Child with Autism Spectrum Disorder offers state-of-the art instruction to clinicians on how to recognize, diagnose and assist children with autism spectrum disorders, from early in life to transition to adulthood. This book will also delve into how to support pediatric patients by working with families, and discuss how to best interact with and support these families. The book opens with a comprehensive introduction of ASD and obstacles to diagnosis and common myths. Section Two is devoted to the early recognition of atypical development and reviews the steps in diagnosing autism, including the evaluation, the diagnostic visit, the developmental exam, and the discussion of findings with parents. Section Three covers treatment and interventions for the autism spectrum and includes a discussion on alternative therapies and how to direct parents toward evidence-based or plausible treatments. Section Four and Five addresses special topics that are relevant to the PCP's or pediatrician's long-term relationship with families, including chapters on anxiety, parents, challenging behaviors and common scenarios that occur across childhood for those who have ASD.

Later chapters delve more deeply into providing informed, sensitive care for patients with intersecting identities, and discusses how gender identity and cultural perspective and attitudes can impact the pediatric patient with ASD. Engaging, and written in a conversational style, *Diagnosing and Caring for the Child with Autism Spectrum Disorder* will be an ideal resource for the pediatrician, primary care provider, and all healthcare providers working with children with ASD, providing concrete, step-by-step methods that readers can incorporate into their own practice.

Primer relato de 10 Secretos de Seducción. De día era Eve Grant, empleada del departamento de atención al cliente de una empresa, y trabajaba en una oficina compartimentada y gris. De noche se convertía en Eris Apparent, diosa del sexo de la blogosfera, donde podía expresar su verdadera personalidad con unas tórridas fantasías. En la realidad, Eve tenía deseos eróticos frustrados hacia su atractivo compañero de trabajo, pero en el ciberespacio, Eris Apparent era cada vez más directa y exigente en su apasionada aventura con el misterioso Tell\_me. Siempre que leo algún libro de Megan Hart termino dándole vueltas y más vueltas en mi cabeza. Creo que es una autora que tiene la facilidad de conectar muy bien con las emociones de las lectoras, porque no solo tiene la capacidad de entretenernos mientras leemos. De crear un mundo y personajes interesantes con los que compatibilicemos, sino que más que eso logra hacernos pensar, y analizar cosas que a veces simplemente pasamos por alto. "Como es costumbre, cada vez que leo un libro de ella sé que voy a terminar metida en un tobogán de emociones, desde la alegría, a la frustración total o hasta tener que soltar algunas lágrimas. Porque si algo logra la autora, es que vivamos a través de sus protagonistas, suframos y nos alegremos con ellas. Que lloremos con sus penas y anhelemos sus sueños. En resumen, hace lo mejor que puede hacer un escritor: meternos de lleno en el libro, y a pesar de que sus historias podría ser repetitivas, consigue que cada una de ellas a su manera, sea un mundo aparte." No pienses. No preguntes. Actua. Aquel anonimo no iba dirigido a mi. No te equivoques conmigo, no tengo la costumbre de leer el correo ajeno, pero era un simple pedazo de papel con unas cuantas lineas escritas a mano. Era evidente que iba dirigido a otro vecino. Parecia una nota inocente, pero, decididamente -y deliciosamente-, no lo era. Antes de meter aquella nota, y las que la siguieron, en su buzón, devoraba su contenido: sugerencias, instrucciones, emplazamientos, ordenes. Cada uno de ellos mas atrevido que el anterior, mas complicado y... mas excitante. Y yo los seguia todos al pie de la letra. Antes de recibir aquellas notas, si un hombre me hubiera dicho lo que tenia que hacer, le habria enviado a paseo. Pero la sumision es un arte y hay algo extranamente liberador al cumplir las ordenes de otro... Sobre todo cuando eso te hace sentirte tan bien. Pero he ido descubriendo que cuanto mas me someto, mas poderosa me siento, así que ya va siendo hora de invertir los papeles. Ahora pongo yo las reglas del juego. Más profundo Megan Hart A sus veinte años, Bess Walsh era una estudiante aplicada, responsable y trabajadora con un novio modélico y toda la vida por delante. Pero aquel verano en el que trabajaba como camarera en la playa iba a conocer a Nick, el chico malo del pueblo, quien se convertiría en su amante secreto y en el único hombre capaz de prender una obsesión hasta entonces insospechada. Acabado el verano, Nick desapareció sin dejar rastro. No fue en busca de ella como había prometido y Bess no volvió a saber de él... hasta veinte años después. Estando de nuevo en la playa, donde se refugiaba de un matrimonio en crisis, el cuerpo de Nick regresaba de las tinieblas del purgatorio para cumplir con su palabra. Amar peligrosamente Sarah McCarty Shadow Ochoa estaba oculto en Kansas esperando a que sus compañeros de los rangers de Texas limpiasen su nombre. O eso estaba haciendo hasta que lo capturaron para llevarlo a la horca por un supuesto robo de caballos, y la preciosa Fei Yen intervino. Amparándose en una ley prácticamente en desuso, su exótica protectora aceptó casarse con Shadow y salió corriendo de allí llevándose consigo. Chicas con suerte Kayla Perrin Annelise ha sido afortunada en el amor y en cuestión de cuatro meses va a ser madre, pero antes de pasar por la sala de partos tiene que encargarse de un asunto pendiente: emparejar a sus amigas solteras con dos hermanos de lo más sexy durante un viaje muy especial. Lishelle y Claudia están más que dispuestas a disfrutar de una aventura sin ataduras, y poco después, la primera y el atractivo e insaciable Jared ya están dando rienda suelta a la pasión. El sexo sigue siendo increíble al regresar a Atlanta, así que Lishelle no entiende por qué le molesta que su exnovio vaya a casarse, teniendo en cuenta que fue ella la que dio por terminada la relación.

His challenge? Make her fall in love with him. Her challenge? Play the player. Until life changes the rules of the game. Maddie Stevens hated Braden Carter on sight. Arrogant, egotistical, and the playboy of the University of California, Berkeley, he's everything her brother Pearce has taught her to despise. So why, when the girls challenge her to play the player, doesn't she say no? She doesn't know either. Braden wanted fiery little Maddie the second he laid eyes on her - and he'd do anything to have her, hence why he's agreed to make her fall in love with him. After all, it's the only way he'll get what he wants. Sex. But, as Braden discovers, there's more to the girl from Brooklyn than he ever imagined - and he can't help but care about the broken girl behind those pretty green eyes. Maddie finds Braden isn't just a walking erection - he actually has feelings. He can be sweet, funny and his good looks don't exactly hurt. That means trouble - but when her brother Pearce turns up in Berkeley begging for her help, she realises Braden and Pearce aren't so alike anymore. And maybe, just maybe, they're exactly what each other needs.

El gusto se adquiriría... lo único que necesitaba él era adquirirlo. Elise tenía muy claro lo que le gustaba en la cama, y se aseguraba de conseguirlo. Su sed de dominación estaba saciada desde hacía tiempo gracias a unos cuantos hombres más que felices de inclinarse ante ella. Sin embargo, la satisfacción sexual no era lo mismo que el amor, y ella ya se había quemado en el pasado por ofrecer su corazón con excesiva libertad. Niall era guapo, inteligente, triunfador y dulce... dulce como la vainilla. Al instante de conocerse, su atracción hizo saltar chispas, a pesar de que él no compartía sus gustos sexuales. Aunque Elise intentó evitarlo, terminó por sucumbir y enamorarse de él, pero ¿cómo podría funcionar una relación en la que ambos amantes querían colocarse encima?

Winner of the Alex Award "Mike Muñoz Is a Holden Caulfield for a New Millennium--a '10th-generation peasant with a Mexican last name, raised by a single mom on an Indian reservation' . . . Evison, as in his previous four novels, has a light touch and humorously guides the reader, this time through the minefield that is working-class America." --The New York Times Book Review For Mike Muñoz, life has been a whole lot of waiting for something to happen. Not too many years out of high school and still doing menial work--and just fired from his latest gig as a lawn boy on a landscaping crew--he's smart enough to know that he's got to be the one to shake things up if he's ever going to change his life. But how? He's not qualified for much of anything. He has no particular talents, although he is stellar at handling a lawn mower and wielding clipping shears. But now that career seems to be behind him. So what's next for Mike Muñoz? In this funny, biting, touching, and ultimately inspiring novel, bestselling author Jonathan Evison takes the reader into the heart and mind of a young man determined to achieve the American dream of happiness and prosperity--who just so happens to find himself along the way.

Chris Hart's *Humongous Book of Cartooning* is a great value book covering everything the beginner needs to master cartooning. It teaches how to draw cartoon people, fantasy characters, layouts, background design and much more. This latest cartoon title from Chris Hart, the world's bestselling author of drawing and cartooning books, packs a wallop. It's the cartooning book that has it all: cartoon people, animals, retro-style "toons", funny robots (no one has ever done cartoon robots in a how-to book before, and movies like "Wall-E" and "Robots" were smash hits and prove their appeal), fantasy characters and even sections on cartoon costumes, character design, and cartoon backgrounds and composition. The *Humongous Book of Cartooning* is humongous, not only because it's so big, but also because it includes a huge amount of original eye-catching characters and copious visual "side hints" that Chris is famous for. There is more actual instruction in this book than in any other of Chris' cartooning titles. In short, if you want to know how to draw cartoons, Chris Hart's *Humongous Book of Cartooning* is for you.
