Jack Reacher races to solve the perfect crime in the fourth novel in Lee Child's New York Times bestselling series. Across the country, women are being murdered, victims of a disciplined and clever

killer who leaves no trace evidence, no fatal wounds, no signs of struggle, and no clues to an apparent motive. They are, truly, perfect crimes. In fact, there's only one thing that links the victims. Each one of the women knew Jack Reacher—and it's got him running blind.

 Jack Reacher's Rules is the ultimate fan's

guide to the World of Reacher! Featuring selections from all seventeen electrifying Jack Reacher novels and an introduction from Lee Child himself, this one-of-a-kind book compiles timeless advice from maverick former army cop Jack Reacher, the hero of Lee Child's blockbuster thrillers and now the star of a major motion picture. My name is Jack Reacher. No middle name,

no address. I've got a rule: People mess with me at their own risk. You don't have to break the rules if you make the rules. Case in point: Jack Reacher, the two-fisted, quick-witted, "current poster-boy of American crime fiction" (Los Angeles Times). The brainchild of #1 New York Times bestselling author Lee Child, Reacher is a freelance troubleshooter with a mysterious past—and a serious

passion for justice. Now the hard-won knowledge and hard-hitting strategies of fiction's toughest tough guy are within every thriller reader's reach—in a rapid-fire rundown of the trade secrets, tried-and-true tricks, and time-honored tactics that separate the man in the street from the man to beat. Rule 1. When in doubt, drink coffee. Rule 2. Never volunteer for

anything. Rule 3. Don't break the furniture. Rule 4. Only one woman at a time. Rule 5. Show them what they're messing with. Please note: Jack Reacher's Rules is a compilation of advice, wisdom, and facts from the Jack Reacher series of novels by #1 New York Times bestselling author Lee Child. It features an introduction by Lee Child, but is not a Jack Reacher novel.

the vice president of the United States. Theoretically, of course. A female Secret Service agent wants Reacher to find the holes in her system, and fast—because a covert group already has the vice president in their sights. They've planned well. There's just one thing they didn't plan on: Reacher. Vintage In this new short story from #1 New York Times bestselling author Lee Child,

available exclusively as an eBook, a young Jack Reacher knows how to finish a fight so it stays finished. He knows how to get the job done so it stays done. And, in one of his earliest challenges, he knows that his analytical brain is just as important as his impressive brawn. Okinawa, 1974. Even at thirteen, Jack Reacher knows how to outwit and overpower anyone who stands in his way. And as

the new kid in town, that's pretty much everyone. His family has come to the Pacific with his father, who's preparing for a top-secret Marine Corps operation. After receiving a rude welcome from the local military brats, Reacher and his older brother, Joe, intend to teach them a lesson they won't forget. But it's soon clear that there's more at stake than pride. When his family's future appears to come

crumbling down, it's the youngest Reacher who rises to the occasion with all the decisive cunning and bravura that will one day be his deadly trademark. Second Son also includes a thrilling excerpt from Lee Child's forthcoming novel, The Affair.

Former FBI
agent Lauren
Pauling met

Jack Reacher in THE HARD WAY, the 10th Jack Reacher novel by Lee Child. Now, Pauling investigates the murder of a man with ties to Jack Reacher. She and her partner Michael Tallon quickly realize they're dealing with much more than a missing persons case, and soon they're in a deadly race to stop a terrifying act of mass murder. Book Two: THE RIGHT MAN FOR REVENGE. In

this fast-paced, riveting thriller, former FBI agent and current private investigator Lauren Pauling receives a mysterious message saying Jack Reacher is dead. Soon, Pauling is on the hunt for a killer and the case quickly collides with Michael Tallon, who is looking into the disappearance of young woman. Pauling and Tallon are thrown into a sordid world of

drug traffickers and professional killers. Book Three: A MAN MADE FOR KILLING. Former FBI agent Lauren Pauling is summoned to the home of a billionaire whose daughter has died in an accident. However, he feels her death was no accident. He also claims that Jack Reacher is working on the case, and has requested Lauren Pauling's help. Pauling finds herself on a mysterious island owned by the military, trying to track down a killer, and reconnect with Jack Reacher. <p>Lee Child's new novel, <i>Past Tense</i>. Reacher takes a stroll through a small Wisconsin town and sees a class ring in a pawn shop window: West Point 2005. A tough year to graduate: Iraq, then Afghanistan. The ring is tiny, for a woman, and it has her initials engraved on the inside. Reacher wonders what unlucky circumstance made her give up something she earned over four hard years. He</p>	<p>decides to find out. And find the woman. And return her ring. Why not? So begins a harrowing journey that takes Reacher through the upper Midwest, from a lowlife bar on the sad side of small town to a dirt-blown crossroads in the middle of nowhere, encountering bikers, cops, crooks, muscle, and a missing persons PI who wears a suit and a tie in the Wyoming wilderness. The deeper</p>	<p>Reacher digs, and the more he learns, the more dangerous the terrain becomes. Turns out the ring was just a small link in a far darker chain. Powerful forces are guarding a vast criminal enterprise. Some lines should never be crossed. But then, neither should Reacher.  #1 NEW YORK TIMES BESTSELLER • Jack Reacher is back in a brand-new page-turning thriller from acclaimed #1 bestselling

authors Lee Child and Andrew Child. Digging graves had not been part of my plans when I woke up that morning. Reacher goes where he wants, when he wants. That morning he was heading west, walking under the merciless desert sun—until he comes upon a curious scene. A Jeep has crashed into the only tree for miles around. A woman is slumped over the wheel. Dead? No,

nothing is what it seems. The woman is Michaela Fenton, an army veteran turned FBI agent trying to find her twin brother, who might be mixed up with some dangerous people. Most of them would rather die than betray their terrifying leader, who has burrowed his influence deep into the nearby border town, a backwater that has seen better days. The mysterious Dendoncker rules from the

shadows, out of sight and under the radar, keeping his dealings in the dark. He would know the fate of Fenton's brother. Reacher is good at finding people who don't want to be found, so he offers to help, despite feeling that Fenton is keeping secrets of her own. But a life hangs in the balance. Maybe more than one. But to bring Dendoncker down will be the riskiest job of Reacher's life. Failure is

not an option, because in this kind of game, the loser is always better off dead.

LAPD Detective

Harry Bosch tackles three tough cases that span a legendary career in this never-before-collected trio of stories. In "Christmas Even," the case of a burglar killed in mid-heist leads Bosch to retrace a link to his past. In "Father's Day," Bosch investigates a young boy's seemingly accidental death and confronts his own fears as a father. In "Angle of Investigation," Bosch delves into one of the first homicides

he ever worked back as a uniformed rookie patrolman, a case that was left unsolved for decades. Together, these gripping stories span Bosch's controversial career at the LAPD, and show the evolution of the haunted, legendary investigator he would become. Utterly unputdownable, they are proof that "Connelly never stops doling out the suspense....Once it grabs you

in those first few pages, it won't let go of you" (Boston Globe).

THE BLOCKBUSTER JACK REACHER SERIES THAT INSPIRED TWO MAJOR MOTION PICTURES AND THE UPCOMING STREAMING SERIES
REACHER Jack Reacher is back! The "utterly addictive" (The New York Times) series continues as acclaimed author Lee Child teams up with his brother, Andrew Child, fellow thriller writer

extraordinaire. "One of the many great things about Jack Reacher is that he's larger than life while remaining relatable and believable. The Sentinel shows that two Childs are even better than one."-- James Patterson As always, Reacher has no particular place to go, and all the time in the world to get there. One morning he ends up in a town near Pleasantville, Tennessee. But there's

nothing pleasant about the place. In broad daylight Reacher spots a hapless soul walking into an ambush. "It was four against one" . . . so Reacher intervenes, with his own trademark brand of conflict resolution. The man he saves is Rusty Rutherford, an unassuming IT	manager, recently fired after a cyberattack locked up the town's data, records, information . . . and secrets. Rutherford wants to stay put, look innocent, and clear his name. Reacher is intrigued. There's more to the story. The bad guys who jumped Rutherford are	part of something serious and deadly, involving a conspiracy, a cover-up, and murder--all centered on a mousy little guy in a coffee-stained shirt who has no idea what he's up against. Rule one: if you don't know the trouble you're in, keep Reacher by your side.
