 [Siren LoveXtreme Forever: Erotic Menage Romance, M/F/M/M/M/M, light BDSM, spanking, HEA] Aspen Brooks is a fighter, a survivor set out to destroy the nightmares from her past by being a workaholic and dominating the business field. But she can't seem to put the past behind her, especially once she figures out who was responsible. These are bad men. Russian mobsters who rule the streets and the businesses she's involved in. As she initiates her attack against the Russian mob boss, she also draws the attention of five retired Navy Seals, who are friends with her brother and always seem to show up wherever she is. They're made men, too. She is completely attracted to them. But ignores it because she feels she's incapable of love. As business deals turn awry, her sneaky maneuvering hits the Russian mob boss where it hurts, in his wallet. Aspen must decide between seeking that ultimate revenge and compromising true love, or embracing her destiny and with it her true identity and a family tie far more dangerous than the man she's set out to destroy. Note: This book contains excessive violence against the heroine by a villain. \*\* A Siren Erotic Romance

The book investigates the notion of the representation of the peoples in both the aesthetic and the political senses of the word 'representation'. The notion of uprising is dealt with through various media: writers' manuscripts, paintings, drawings, engravings, photographs, and films.
