 Accounting 9th edition continues the strong reputation established by this leading Australian text as the most comprehensive book for students studying introductory accounting in undergraduate or postgraduate programs. The full-colour design and improved pedagogy provides students with a reader-friendly text to enhance their understanding of concepts and make their study more enjoyable. The text builds on the thorough and reliable explanation of the accounting process through the Business Knowledge chapter vignettes that apply the principles to practice. Previous editions were renowned for the number of exercises and problems, and the new edition builds on this superior teaching feature. The end-of-chapter activities are designed to encourage student confidence through the development of skills in decision making, critical thinking, ethical thinking, analysis and communication.

Prepare your MBA students to become successful managers, not just leading accountants, with the proven success of MANAGERIAL ACCOUNTING: AN INTRODUCTION TO CONCEPTS, METHODS AND USES, 11E. This edition effectively balances coverage of concepts, methods, and the uses of managerial accounting with a strong emphasis on management decision-making. Students focus on concepts and managerial uses of financial information, rather than simply perfecting the accounting techniques. This edition combines core managerial accounting concepts with the latest cutting-edge material that is relevant to all managers and decision makers. A continued emphasis on international issues prepares students for today's globalized business environment. This edition also highlights the strategic effects of decisions, ethics, and new management accounting trends to prepare students for the challenges of today's workplace. Numerous realistic examples and

application problems help emphasize the skills most critical today including process improvement and integrating financial reporting issues within management decision-making. Students also learn to apply managerial accounting tools to the emerging service sector, government, and nonprofit organizations with new coverage of risk management and internal controls. Select MANAGERIAL ACCOUNTING, 11E to truly prepare your MBA students to be the successful managers they are meant to be.
