El amor de su vida representa la antítesis de lo que ictan las normas de la corte y el enigmático bufón real, al que consideraba su amigo, parece anteponer su lealtad a un monarca que agoniza a todo lo demás. Los Seis Ducados parecen condenados a sucumbir a manos de los sanguinarios Corsario de la Vela Roja, y la última posibilidad de salvación podría encontrarse al otro lado del lejano Reino de las Montañas. Pero, se puede confiar la suerte de todo un país a la búsqueda de lo que parece ser una simple quimera?

La misión del bufón HarperCollins UK

The first in an epic, highly acclaimed trilogy from an Argentinian fantasist It is known that the strangers will sail from some part of the Ancient Lands and will cross the Yentru Sea. All our

predictions and sacred books clearly say the same thing. The rest is all shadows. Shadows that prevent us from seeing the faces of those who are coming. In the House of Stars, the Astronomers of the Open Air read contradictory omens. A fleet is coming to the shores of the Remote Realm. But are these the long-awaited Northmen, returned triumphant from the war in the Ancient Lands? Or the emissaries of the Son of Death come to wage a last battle against life itself? From every village of the seven tribes, a representative is called to a Great Council. One representative will not survive the journey. Some will be willing to sacrifice their lives, others their people, but one thing is certain: the era of light is at an end.

Luck of the Wheels (The Ki and Vandien Quartet, Book 4) Penguin From NYT bestselling author Brent Weeks comes the first novel in his breakout fantasy trilogy in which a young boy trains under the city's most legendary and feared assassin, Durzo Blint. For Durzo Blint, assassination is an art -- and he is the city's most accomplished artist. For Azoth, survival is precarious. Something you never take for granted. As a guild rat, he's grown up in the slums, and learned to judge people quickly -- and to take risks. Risks like apprenticing himself to Durzo Blint. But to be accepted,

Azoth must turn his back on his old life and embrace a new identity and name. As Kylar Stern, he must learn to navigate the assassins' world of dangerous politics and strange magics -- and cultivate a flair for death.

'Fantasy as it ought to be written' George R.R. Martin Robin Hobb returns to her best loved characters. Happy endings never last... Years ago, they freed a dragon from the glaciers on Aslevjal. Then they parted ways, the Fool returning to far-off Clerres, while Fitz finally claimed a wife, a family, and a home of his own. Now, betrayed by his own people and broken by torment, the Fool has made his way back to the Six Duchies. But as Fitz attempts to heal his old friend in Buckkeep Castle, his young daughter Bee is abducted from Withywoods by pale and mysterious raiders who leave ruin and confusion in their wake. Fitz must find a way to rescue his beloved Bee. At the same time it is the Fool's fiercest wish to return to Clerres with the best assassin he has ever known, to gain vengeance and justice. Can Fitz bear to take up the tools of his old trade again, even to avenge his dearest friend and save his child?

Coma—reimagined for the twenty-first century from the undisputed king of medical thrillers. Lynn Peirce, a fourth-year medical student at South Carolina's Mason-Dixon University, thinks she has her life figured out. But when her otherwise healthy boyfriend, Carl, enters the hospital for routine surgery, her neatly ordered life is thrown into total chaos. Carl fails to return to consciousness after the procedure, and an MRI confirms brain death. Devastated by Carl's condition, Lynn searches for answers. Convinced there's more to the story than what the authorities are willing to reveal, Lynn uses all her resources at Mason-Dixon—including her initially reluctant lab partner, Michael Pender—to hunt down evidence of medical error or malpractice. What she uncovers, however, is far more disturbing. Hospitals associated with Middleton Healthcare, including the Mason-Dixon Medical Center, have unnervingly high rates of unexplained anesthetic complications and patients contracting serious and terminal illness in the wake of routine hospital admissions. When Lynn and Michael begin to receive death threats, they know they're into something bigger than either of them anticipated. They soon enter a desperate race against time for answers before shadowy forces behind Middleton Healthcare and their partner, Sidereal Pharmaceuticals, can put a stop to their efforts once and for all.

Com personagens cativantes, tramas políticas complexas e lutas cheias de magia e reviravoltas, O aprendiz de assassino é tudo o que um fã do gênero pode esperar de uma ótima fantasia épica. Fitz tem seis anos de idade quando seu avô o joga aos pés de um guarda real e anuncia que a partir de então o pai deve cuidar do bastardo que produziu — e o pai de Fitz é ninguém menos que Chilvary Farseer, o príncipe herdeiro dos Seis Ducados. Excluído pela realeza, mas importante demais para ser abandonado, Fitz é criado à sombra da corte, protegido pelo mestre dos estábulos e crescendo em meio aos criados e plebeus da Cidade de Torre do Cervo. No entanto, um bastardo real é uma peça perigosa, e o rei Shrewd não demora a convocá-lo. Carregando no sangue a magia ancestral do Talento e uma habilidade ainda mais instintiva de se comunicar com os animais, Fitz passa a ser treinado para se tornar um assassino a serviço do rei. Quando saqueadores selvagens começam a atacar as regiões costeiras dos Seis Ducados, Fitz recebe sua primeira missão. Embora alguns o vejam como uma ameaça, o jovem bastardo vai provar que pode ser a chave para a sobrevivência do reino. "Exatamente como um livro de fantasia deve ser. A obra de Hobb é um diamante em

meio a falsos brilhantes." — George R.R. Martin

NEW YORK TIMES BESTSELLER • The stunning conclusion to Robin Hobb's *Fitz and the Fool* trilogy, which began with *Fool's Assassin* and *Fool's Quest* "Every new Robin Hobb novel is a cause for celebration. Along with millions of her other fans, I delight in every visit to the Six Duchies, the Rain Wilds, and the Out Islands, and can't wait to see where she'll take me next."—George R. R. Martin More than twenty years ago, the first epic fantasy novel featuring FitzChivalry Farseer and his mysterious, often maddening friend the Fool struck like a bolt of brilliant lightning. Now New York Times bestselling author Robin Hobb brings to a momentous close the third trilogy featuring these beloved characters in a novel of unsurpassed artistry that is sure to endure as one of the great masterworks of the genre. Fitz's young daughter, Bee, has been kidnapped by the Servants, a secret society whose members not only dream of possible futures but use their prophecies to add to their wealth and influence. Bee plays a crucial part in these dreams—but just what part remains uncertain. As Bee is dragged by her sadistic captors across half the world, Fitz and the Fool, believing her dead, embark on a mission of revenge that will take them to the distant island where the Servants reside—a place the Fool once called home and later called prison. It was a hell the Fool escaped, maimed and blinded, swearing never to return. For all his injuries, however, the Fool is not as helpless as he seems. He is a dreamer too, able to shape the future. And though Fitz is no longer the peerless assassin of his youth, he remains a man to be reckoned with—deadly with blades and poison, and adept in Farseer magic. And their goal is simple: to make sure not a single Servant survives their scourge.

attacks on the coast, the Red-Ship Raiders leave burned-out villages and demented victims in their wake. #### *La búsqueda del asesino Voyager*

A gorgeously illustrated anniversary edition of the book that launched the epic Farseer Trilogy, praised by George R. R. Martin as "fantasy as it ought to be written" and Lin-Manuel Miranda as "an incredible series," featuring a new foreword by Robin Hobb and ten illustrations. Twenty-five years ago, Robin Hobb's first novel featuring FitzChivalry Farseer and his mysterious, often maddening friend the Fool struck like a bolt of brilliant lightning. For in Fitz's blood runs the magic Skill—and the darker knowledge of a child raised with the stable hounds and rejected by his family. As barbarous raiders ravage the coasts, Fitz is growing to manhood. Soon he will face his first dangerous, soul-shattering mission. "Robin Hobb es una de las grandes escritoras modernas de fantasía. Que sus novelas sean tan adictivas como la morfina no sólo se debe a su brillante inventiva, sino al modo en que sus personajes se ven implicados y manipulados por el juego de la política." -The Times "En el abigarrado mundo de la literatura fantástica, los libros de Robin Hobb son diamantes en un océano de imitaciones" -George R. R. Martin Traspíe, hijo bastardo del noble príncipe Hidalgo, es heredero al trono de los Seis Ducados. Después de ser rechazado por su familia es llevado a la corte real, donde crece bajo la tutela del arisco caballero de su padre. Todos los miembros de la realeza lo consideran un paria, salvo el taimado rey Artimañas -su abuelo-, quien busca que sea instruido en las artes del asesinato, ya que por sus venas corre la sangre de una Habilidad mágica. Mientras los bárbaros invasores saquean las costas, Traspíe se convierte en un hombre. Pronto deberá enfrentar su primera misión, tan peligrosa como desoladora. Y aunque hay quienes ven en él una amenaza para el trono, quizá posea la fórmula secreta para la supervivencia del reino.

"Una conclusión fascinante para esta soberbia trilogía: una combinación excepcional de originalidad, magia, aventura, personajes y drama." -Kirkus Reviews Llena de magia y maldad, de heroísmo y deshonor, de pasión y aventura, la Trilogía del Asesino es una epopeya compuesta con una voz irresistible. El rey Artimañas ha muerto a manos de su hijo Regio. Al igual que Traspíe o al menos eso creen sus amigos y adversarios. Pero con la ayuda de sus aliados y de la magia de las bestias emerge de la tumba, profundamente herido en cuerpo y alma. También el reino se tambalea al borde del desastre: Regio ha saqueado y abandonado la capital, en tanto el legítimo heredero, el príncipe Veraz, continúa perdido en una disparatada búsqueda que podría repararle la muerte. Sólo su regreso, o el heredero que porta la princesa en su vientre, podría salvar a los Seis Ducados. La prosa refrescante y original de Robin Hobb marca el comienzo de una nueva época en la literatura fantástica.
