*And Other Brave Questions Women Ask* Balboa Press

Strong women dominate these reminiscences: the grandmother taught the girl whose mother refused to let her go to school, and the life-changing events they witnessed range from the ravages of the influenza epidemic of 1918-20 and murder committed in a jealous rage to the abduction of a young woman by underground spirits who on her release grant her healing powers. A highly personal document, these memoirs are altogether exceptional in recounting the thoughts and feelings of a Cree woman as she copes with the challenges of reserve life but also, in a key chapter, with her loneliness while tending a relative's children in a place far away from home - and, apparently just as debilitating, away from the company of other women. Her experiences and reactions throw fresh light on the lives lived by Plains Cree women on the Canadian prairies over much of the twentieth century. The late Sarah Whitecalf (1919-1991) spoke Cree exclusively, spending most of her life at Nakiwacihk / Sweetgrass Reserve on the North Saskatchewan River. This is where Leonard Bloomfield was told his Sacred Stories of the Sweet Grass Cree in 1925 and where a decade later David Mandelbaum apprenticed himself to Kâ-miyokisihkwêw / Fineday, the step-grandfather in whose family Sarah Whitecalf grew up. In presenting a Cree woman's view of her world, the texts in this volume directly reflect the spoken word: Sarah Whitecalf's memoirs are here printed in Cree exactly as she recorded them, with a close English translation on the facing page. They constitute an autobiography of great personal authority and rare authenticity.

Oscar-nominated Charlotte Rampling most recently appeared in hit ITV drama *Broadchurch*, the BBC's *London Spy* and HBO's *Dexter*, and the feature film *45 Years*. Her career has spanned popular entertainment and arthouse cinema, having starred in English, French and Italian films from 1966's *Georgy Girl* (opposite Lynn Redgrave), to films with French director François Ozon, including 2003's *Swimming Pool*. Having shied away from biographies and autobiographies ("too personal") Rampling has now written *Who I Am* (first published in French) a lyrical, and intimate self-portrait via reminiscences. Highly personal, packed with photographs from her personal archive, Rampling recounts her childhood and youth as the daughter of an army officer (who won a gold medal for the 4 x 400 relay in the infamous 1936 Berlin Olympics), and the memories and passions that would inspire her life and later work as an actress. Written in a style that gives a unique insight into her screen persona, it is an idiosyncratic and beguiling insight of one of the most consistently adventurous and interesting actors.

In this searingly honest memoir, Jane Haynes recalls to her psychotherapist her extraordinary story. Having overcome her strange childhood, overshadowed by her mother's absence and father's descent into madness, the real diagnosis of which the family concealed, she attempts, vividly but without sentimentality, to understand the construction of her own life. Now a psychotherapist in her own right, Haynes opens up her case files, which include a gifted young man on the cusp of a nervous breakdown; the middle-aged woman tormented by suicidal thoughts; the pornography addict, unable to connect emotionally with his girlfriend. Tragedy is brought home to her when her son-in-law is murdered. Her account powerfully demonstrates the resilience and life force of human nature. Proud, happy, grateful—gay youth describe their lives in terms that would have seemed surprising a generation ago. Yet many adults, including parents, are skeptical of this sea change—coming out is supposed to involve struggle. This is the kind of thinking, say the honest, humorous young men in Ritch Savin-Williams's new book, that needs to change.

This hilarious and thoughtful memoir from comedy legend Anjelah Johnson explores questions of identity, belonging, and her two dreams as a kid: to be an actress and to be a chola. You may know Anjelah Johnson for her viral sketch "Nail Salon" (over 100 million views globally) or her beloved ghetto-fabulous MadTV character Bon Qui Qui, but it's her clean humor and hilarious storytelling that make her one of the most successful stand-up comedians and actresses today. With her razor-sharp wit, Anjelah recounts funny stories from her journey—from growing up caught between two worlds (do chips and salsa go with potato salad?) to unexpectedly embracing faith ("I love Jesus, but I will punch a 'ho") to her many adventures in dating (she may or may not have accepted dates simply for the food). Through it all, Anjelah transforms from a suburban-adjacent kid with Aquanet-drenched hair into a devoted Christian who abstains from drinking and premarital sex, into a mall-famous

Oakland Raiders cheerleader, and then an actually famous comedian traveling the world and meeting people from all-walks of life, including Oprah. No biggie. (Huge biggie.) As she travels the world, Anjelah has eye-opening experiences, and she morphs from square, rigid Anjelah into "Funjelah," and learns that she can still ride with Jesus without squashing the other parts of her personality. Anjelah's stories explore subjects such as navigating your racial identity, finding your place in the world, chasing your crazy dreams, embracing the messiness of an evolving faith, and searching for belonging and meaning. Through her journey, Anjelah gets closer to discovering her true identity and encourages readers to have the audacity to dream big.

Wherever she goes the popular South African recording artist and celebrity Nianell offers this important, inspiring message: Every one of us should love ourselves. When we learn how to love ourselves unconditionally, we will be able to experience a life worth living and also inspire and touch the people around us. Then we not only make a difference in our own lives, but also in the lives of others. In her first book, *Knowing Who I Am*, Nianell tells how she has learned to love herself. She takes the reader on a journey through her life, from being a shy, withdrawn schoolgirl to becoming the acclaimed singer/songwriter she is today. Like most people, Nianell has had to face challenges, and she offers an honest and unpretentious account of her personal experience of suffering, the struggle to belong, love, womanhood, being a mother of triplets, and being a star. Her personal stories, many shared with the public for the first time, illustrate how she discovered who she really is and how she came to the point of accepting herself and her worth. Nianell's descriptions of her experiences will touch your heart, inspire you, and help you realize the value of accepting and loving yourself as you are. *Knowing Who I Am* is an enjoyable combination of biography and inspiration. It

is a reading and growing experience that will remain with you long after you have finished the book. The eBook comes with a special link so you can download some of Nianell's most inspiring songs.

Meanwhile, her relationship with Josh takes on a serious tone via e-mail -- threatening her commitment to "kiss dating goodbye." When Beanie begins dating an African-American, Caitlin's concern over dating seems to be misread as racism. One thing is obvious: God is at work through this dynamic girl in very real but puzzling ways. A soul-stretching time of racial reconciliation at school and within her church helps her discover God's will as never before.

*A 60-Day Journey to Knowing Who You Are because of Who He Is* Multnomah

Said God to Moses, "I am who I am." Ever since, questions about God abound. Who, what, where, when, why? Even, how many? In the Christian faith tradition, what about all that "trinitarian" stuff the Father, the Son, the Holy Spirit? Is it one God? Three Gods? What's up? I AM WHO I AM is God's answer to all these questions and more. For the first time ever, God speaks out. The God of the Holy Spirit, the immanent God inside, speaks out! And all is good. I AM WHO I AM is God's answer to all these questions and more. For the first time ever, God speaks out. By overthrowing the hierarchical Trinity (with the Father enjoying a view from the top and the Holy Spirit bringing up the rear) and by replacing it with a circular Trinity having no beginning and no end, for the first time ever, God is free to speak God's mind. The God of the Holy Spirit, the immanent God inside, speaks out! And all is good. The book is divided into six Parts (as we all know, on the seventh, God rests). After a general introduction in Part I, Parts II-IV are devoted to each persona of the Trinity offering thoughts on anything and everything: on Creation and the Creative Process; on the "mind of God;" on the need for an "extreme make-over" when it comes to God and the Holy Trinity in contemporary society; on the universality of the story of Jesus; and so much more. Speaking to the reader in no-nonsense, user-friendly terms, Part V addresses such theological topics as "The Prayer of the Preyer," "S.I.N.," Satan, Heaven, Hell, and everything in between. The final part, the Epilogue, is a return of that talking donkey out of the Book of Numbers, Balaam's Donkey, reporting from the parade route of Jesus into Jerusalem. It is something that no one should miss. Finally, an autobiography of God as seen through the lens of God! Finally, the God of the Holy Spirit gets his/her say! And all is good. (I AM WHO I AM is the first of three autobiographies featuring God, Satan, and Jesus, respectively. Stay tuned for Satan's personal story in E-MAILS FROM THE UNDERWORLD and for I AM THE WORD: AN AUTOBIOGRAPHY OF JESUS.)

For readers who loved *Do You Think I'm Beautiful?* Angela Thomas's new book explores a woman's need to be known and loved—just as she is. In her book *Do You Know Who I Am?* Angela Thomas asks God if He knows her—and ultimately does He love her—as she is, right now, today. In each chapter, she names a different identity issue, such as: "I am invisible," "I am worn out," "I am undisciplined," "I am ordinary," and "I am afraid to dream." With each honest admission, Angela teaches that God lovingly replies, "Yes, I know your heart. I see your struggle. Now...do you know who I Am?" Ultimately Angela reveals that the secret to being known and loved lies in an intimate understanding of who God is. Each identity struggle is answered with a short biblical study on the character of God that assures readers that their personal, spiritual, and eternal fulfillment is not dependent on getting themselves together. Rather, God has a purpose for them just as they are—broken, afraid, disappointed, disillusioned. Through vivid storytelling, biblical teaching, and practical application, readers will find the heartfelt answers they seek.

It's Part of Who I Am: Searching for Spiritual Understanding tells the story of one woman, Peace, who relentlessly seeks out spiritual understanding. Her daughter, Kay, explores the complexities involved in the life of her mother. She, in turn, finds that her exploration leads her to embark on her own spiritual journey. Kay Fraser—who holds a PhD in social history—brings her academic background to this intimate and personal account that follows Peace on a fifty-five year journey through many twists and turns. Peace begins with Christianity and then moves through a variety of teachings—Gurdjieff, Krishnamurti, the Theosophical Society, Co-Freemasonry, and 'A Course in Miracles'—before turning to Zen Buddhism for two decades. Finally she returns to the Christian Church. Her return to the church gave rise to many questions and answers between mother and daughter. Whenever Peace was asked why, after all her searching, she had returned to the church she would simply say "It's part of who I am." If you are drawn to other people's accounts of their spiritual journeys and wonder what insights they can provide for your own journey then *It's Part of Who I Am: Searching for Spiritual Understanding* will give you some clues about how to find that deep spiritual core within. Yet, it also gives hints about how not to travel on your own journey.
