Saving the

*Party from
Truth Deniers,
Conspiracy
Theorists, and*

the Dangerous Policies of Joe Biden St. Martin's Press
The wildly entertaining story of progressive rock, the music that ruled the 1970s charts—and has divided listeners ever since. *Show That Never Ends* is the definitive story of the extraordinary rise and fall of progressive (“prog”) rock. Epitomized by such classic, chart-topping bands as Yes, Genesis, Pink Floyd, Jethro Tull, and Emerson Lake

& Palmer, along with such successors as Rush, Marillion, Asia, Styx, and Porcupine Tree, prog sold hundreds of millions of records. It brought into the mainstream concept albums, spaced-out cover art, crazy time signatures, multitrack recording, and stagecraft so bombastic it was spoofed in the classic movie *This Is Spinal Tap*. With a vast knowledge of what Rolling

Stone has called “the deliciously decadent genre that the punks failed to kill,” access to key people who made the music, and the passion of a true enthusiast, Washington Post national reporter David Weigel tells the story of prog in all its pomp, creativity, and excess. Weigel explains exactly what was “progressive” about prog rock and how its complexity and experimental

sm arose from such precursors as the Beach Boys' Pet Sounds and the Beatles' Sgt. Pepper. He traces prog's popularity from the massive success of Procol Harum's "Whiter Shade of Pale" and the Moody Blues' "Nights in White Satin" in 1967. He reveals how prog's best-selling, epochal albums were made, including The Dark Side of the Moon,

Thick as a Brick, and Tubular Bells. And he explores the rise of new instruments into the prog mix, such as the synthesizer, flute, mellotron, and—famously—the double-neck guitar. The Show That Never Ends is filled with the candid reminiscences of prog's celebrated musicians. It also features memorable portraits of the vital contributions of producers, empresarios, and

technicians such as Richard Branson, Brian Eno, Ahmet Ertegun, and Bob Moog. Ultimately, Weigel defends prog from the enormous derision it has received for a generation, and he reveals the new critical respect and popularity it has achieved in its contemporary resurgence. *How We Came Apart, How We Come Together* Rodale Epic, multi-layered, morally challenging

and action-packed - The Wire is everything a TV programme should be and more. A cult hit in the US and Britain, it has thousands of committed fans willing to engage in endless debates. Once you've watched it, you'll be drawn in, too: Is Omar Little the coolest criminal since Robin Hood? Which series has the best theme tune? Will Bubbles survive Baltimore? Avon or Stringer? This

book collects the thoughts of Guardian journalists and the readers of the Guardian's Wire Re-up blog and combines them with interviews with the show's creators and stars and the all important xxx ratings, to bring you a more than fitting eulogy that will follow the airing of the show's final season. [The Guardian Guide to the Greatest TV Show Ever](#) Made Simon and Schuster The story of the decades-

long fight to bring justice to the victims of the 16th Street Baptist Church bombing, culminating in Sen. Doug Jones' prosecution of the last living bombers. On September 15, 1963, the 16th Street Baptist Church in Birmingham, Alabama was bombed. The blast killed four young girls and injured twenty-two others. The FBI suspected four particularly radical Ku Klux Klan members. Yet

due to reluctant witnesses, a lack of physical evidence, and pervasive racial prejudice the case was closed without any indictments. But as Martin Luther King, Jr. famously expressed it, "the arc of the moral universe is long, but it bends toward justice." Years later, Alabama Attorney General William Baxley reopened the case, ultimately convicting one of the

bombers in 1977. Another suspect passed away in 1994, and US Attorney Doug Jones tried and convicted the final two in 2001 and 2002, representing the correction of an outrageous miscarriage of justice nearly forty years in the making. Jones himself went on to win election as Alabama's first Democratic Senator since 1992 in a dramatic race against Republican challenger

Roy Moore. *Bending Toward Justice* is a dramatic and compulsively readable account of a key moment in our long national struggle for equality, related by an author who played a major role in these events. A distinguished work of legal and personal history, the book is destined to take its place as a canonical civil rights history. **Congress's Constitution** Simon and

people who of the greatest the
are almost threats to our requirement

that most legislation secure the support of a supermajority of senators. Yet, as Jentleson reveals, the filibuster was not a feature of the original Senate and, in allowing a determined minority to gridlock the federal government, runs utterly counter to the Framers' intent. For much of its history, the filibuster was used primarily to prevent civil rights legislation from becoming law.

But more recently, Republicans have refined it into a tool for imposing their will on all issues, wielding it to thwart an increasingly progressive American majority represented by Barack Obama's agenda and appointees. Under Donald Trump, McConnell merged the filibuster with rigid leadership structures initially forged by Lyndon Johnson, in the process surrendering

the Senate's independence and centrality, as infamously shown by its acquiescence in Trump's impeachment trial. The result is a failed institution and a crippled democracy. Taking us into the Capitol Hill backrooms where the institution's decline is most evident, Jentleson shows that many of the greatest challenges of our era—partisan polarization, dark money, a media culture built on

manufactured outrage—converge within the Senate. Even as he charts the larger forces that have shaped the institution where he served, Jentleson offers incisive portraits of the powerful senators who laid the foundation for the modern Senate, from Calhoun to McConnell to LBJ’s mentor, Richard Russell, to the unapologetic racist Jesse Helms. An essential, revelatory investigation,

Kill Switch ultimately makes clear that unless we immediately and drastically reform the Senate’s rules and practices—starting with reforming the filibuster—we face the prospect of permanent minority rule in America. **Winning Back the Middle-Class Majority One Family at a Time** Pantheon In Stronger, the widow of Senator John McCain opens up about her beloved husband, their

thirty-eight-year marriage, and the trials and triumphs of a singular American life. “At once a love letter to her late husband . . . and an indictment of the party-line politics he fought against . . . This is the Cindy McCain we suspected was at his side for so many years.”—Time Cindy Hensley was just out of college when she met and fell in love with the celebrated Navy hero John McCain. They embarked on

a thrilling life together that put her at the center of American politics for over four decades. Stronger, her moving and inspiring memoir, tells the story of her adventurous life with John for the first time. Raising their four children in Arizona while John flourished as a six-term senator in Washington, D.C., Cindy McCain brought her own flair to the role of political wife.

She eagerly supported John's career even as she tried hard to stay out of the spotlight and maintain her own health and well-being. In Stronger, she is honest in revealing her own successes and missteps, discussing how she dealt with political attacks targeting her children, her battle with opioid addiction, and the wild whirl of campaigning for president. As they built their life together,

Cindy and John continued the multi-generation McCain tradition of service to country. With both immense pride and deep worry, she sent two sons off to active duty in the military. She describes her own brave efforts bringing medical support to countries in crisis and empowering women in Africa and around the world. And she reveals her feelings about the

tumultuous effects of the Trump presidency on the military. Most important, this book shares how John's humor and strength helped Cindy grow into the confident woman she is now. More than a political story, Stronger is the unforgettable journey of one woman who believes in family, honor, and country—and is willing to stand up for all of them.
In Turbulent Times W. W. Norton &

Company
""In Congress, politicians in both parties are pushing to further loosen bipartisan budget caps and revive the corrupt practice of earmarking tax dollars for pork projects ... "Wastebook PORKaemon Go" provides an index of just some of the questionable expenditures lurking throughout the federal budget that collectively cost taxpayers more than \$5 billion."--From introduction.

The official
U.S.
government
report on
Russian
interference in
democracy
around the
world! Most
Americans
were surprised
to learn of
Russian
efforts to
manipulate
the results of
the 2016
presidential
election, and
have become
increasingly
concerned
about the
vulnerabilities
of our
democracy.
Here for the

first time in an
official U.S.
government
report is the
fascinating
and detailed
account of
how ex-KGB
agent Vladimir
Putin has used
computer
hackers,
official state
spy agencies,
and even
Russian
organized
crime thugs
over the past
thirty years to
achieve his
policy
agenda?not
only for
Russian
political
domination,
but also for his
own
enrichment
and the
enrichment of

the oligarchs who control almost all aspects of the Russian economy. This complete report includes chapters on: Putin's Rise and Motivations Manipulation and Repression Inside Russia Old Active Measures and Modern Malign Influence Operations Weaponization of Civil Society, Ideology, Culture, Crime, and Energy Kremlin Interference in Semi-	Consolidated Democracies and Transitional Governments Kremlin Interference in Consolidated Democracies Multilateral and U.S. efforts to Counter the Kremlin's Asymmetric Arsenal In Putin's Asymmetric Assault on Democracy in Russia and Europe, we learn about Vladimir Putin's rise to power through the KGB to mayor of St. Petersburg and eventually as head of the Russian state.	We discover the history of how Putin used classic Cold War KGB tactics by weaponizing civil society, culture, ideology, and Russia's criminal element against the nascent Russian democracy by cultivating and using ties to NGOs, thinktanks, extremist political groups, the Russian orthodox church, industrial and energy policy, and the Russian Mafia. We also see
--	---	--

how the Kremlin then exported this political extortion, intimidation, and monetary corruption first to its Eastern European neighbors, then their western partners in the European Union, and how it has now landed on America's shores. Just as certain people in the intelligence community became increasingly alarmed at the growing strength and sophistication of Al-Qaeda in the late

1990s, the senators and staffers of the U.S. Senate Committee on Foreign Relations are giving the nation fair warning of a 9/11-level assault on the United States, this time by Russia's spy agencies. Putin's Asymmetric Assault on Democracy in Russia and Europe reveals not only the history of Russia's devastating tactics, but how to recognize and counter them. **The**

<p>fiercely mesmerizing story to tell. <u>Courage,</u> <u>Hope, and</u> <u>Humor in My</u> <u>Life with John</u> <u>McCain</u> Ballantine Books The nineteenth- century history of the Church of Jesus Christ of Latter-day Saints, Max Perry Mueller argues, illuminates the role that religion played in forming the notion of three "original" American races—red, black, and white—for Mormons and others in the</p>	<p>early American Republic. Recovering the voices of a handful of black and Native American Mormons who resolutely wrote themselves into the Mormon archive, Mueller threads together historical experience and Mormon scriptural interpretations . He finds that the Book of Mormon is key to understanding how early followers reflected but</p>	<p>also departed from antebellum conceptions of race as biblically and biologically predetermine d. Mormon theology and policy both challenged and reaffirmed the essentialist nature of the racialized American experience. The Book of Mormon presented its believers with a radical worldview, proclaiming that all schisms within the human family were anathematic to God's</p>
--	--	--

design. That said, church founders were not racial egalitarians. They promoted whiteness as an aspirational racial identity that nonwhites could achieve through conversion to Mormonism. Mueller also shows how, on a broader level, scripture and history may become mutually constituted. For the Mormons, that process shaped a religious movement in perpetual

tension between its racist and universalist impulses during an era before the concept of race was secularized. *The "new Right" and the Politics of Resentment* Simon & Schuster THE INSTANT NEW YORK TIMES AND WASHINGTON POST BESTSELLER A call to action from three of Washington's premier political scholar-journalists, One Nation After Trump offers the

definitive work on the threat posed by the Trump presidency and how to counter it. American democracy was never supposed to give the nation a president like Donald Trump. We have never had a president who gave rise to such widespread alarm about his lack of commitment to the institutions of self-government, to the norms democracy requires, and to the need

for basic knowledge about how government works. We have never had a president who raises profound questions about his basic competence and his psychological capacity to take on the most challenging political office in the world. Yet if Trump is both a threat to our democracy and a product of its weaknesses, the citizen activism he has inspired is

the antidote. The reaction to the crisis created by Trump's presidency can provide the foundation for an era of democratic renewal and vindicate our long experiment in self-rule. The award-winning authors of *One Nation After Trump* explain Trump's rise and the danger his administration poses to our free institutions. They also offer encouragement to the millions of Americans

now experiencing a new sense of citizenship and engagement and argue that our nation needs a unifying alternative to Trump's dark and divisive brand of politics—an alternative rooted in a New Economy, a New Patriotism, a New Civil Society, and a New Democracy. *One Nation After Trump* is the essential book for our era, an unsparing assessment of the perils

facing the United States and an inspiring roadmap for how we can reclaim the future. New Edition Simon and Schuster NEW YORK TIMES BESTSELLER • A passionate manifesto that exposes hypocrisy on both sides of the political divide and points a way out of the tribalism that is tearing America apart—from the CNN host hailed as “a star of the 2016 campaign”

(The New York Times), now seen on The Van Jones Show Van Jones burst into the American consciousness during the 2016 presidential campaign with an unscripted, truth-telling style and an already established history of bridge-building across party lines. His election night commentary, during which he coined the term “whitelash,” became a viral sensation. A longtime

progressive activist with deep roots in the conservative South, Jones has made it his mission to challenge voters and viewers to stand in one another’s shoes and disagree constructively. In *Beyond the Messy Truth*, he offers a blueprint for transforming our collective anxiety into meaningful change. Jones urges both parties to abandon the politics of accusation. He issues a stirring call for

life — and a
challenge to
Americans to
live up to their
values and
founding
principles at a
time when
both are in
jeopardy.”
—The Boston
Globe In this
candid
political
memoir from
Senator John
McCain, an
American hero
reflects on his
life and what
matters most.
“I don’t know
how much
longer I’ll be
here. Maybe
I’ll have
another five
years...Maybe

I'll be gone before you read this. My predicament is, well, rather unpredictable. But I'm prepared for either contingency, or at least I'm getting prepared. I have some things I'd like to take care of first, some work that needs finishing, and some people I need to see. And I want to talk to my fellow Americans a little more if I may." So writes John McCain in this inspiring, moving, frank,

and deeply personal memoir. Written while confronting a mortal illness, McCain looks back with appreciation on his years in the Senate, his historic 2008 campaign for the presidency against Barack Obama, and his crusades on behalf of democracy and human rights in Eastern Europe and the Middle East. Always the fighter, McCain attacks the spurious nationalism

and political polarization afflicting American policy. He makes an impassioned case for democratic internationalism and bipartisanship. He recalls his disagreements with several presidents, and minces no words in his objections to some of President Trump's statements and policies. At the same time, he tells stories of his most satisfying moments of public service and offers a

positive vision of America that looks beyond the Trump presidency. The Restless Wave is John McCain at his best. *The Real Psychology of the Trump Presidency* Berrett-Koehler Publishers Conscience of a ConservativeA Rejection of Destructive Politics and a Return to PrincipleRand om House Political Science Random House Donald Trump won the

presidency by being a one-man wrecking ball against our dysfunctional and corrupt establishment. Now Ann Coulter, with her unique insight, candor, and sense of humor, makes the definitive case for why we should all join his revolution. The media have twisted themselves in knots, trying to grasp how Donald Trump won over millions of Americans and what he'll be like as president. But

Ann Coulter isn't puzzled. She knows why Trump was the only one of seventeen GOP contenders who captured the spirit of our time. She gets the power of addressing the pain of the silent majority and saying things the "PC Thought Police" considers unspeakable. She argues that a bull in the china shop is exactly what we need to make America great again. In this powerful book,

Coulter explains why conservatives, moderates, and even disgruntled Democrats should set aside their doubts and embrace Trump: ·He's putting America first in our trade deals and alliances, rather than pandering to our allies and enemies. ·He's abandoned the GOP's decades-long commitment to a bellicose foreign policy, at a time when the entire country is sick of unnecessary

wars. ·He's ended GOP pandering to Hispanic activists with his hard-line policy on immigration. Working class Americans finally have a champion against open borders and cheap foreign labor. ·He's overturned the media's traditional role in setting the agenda and defining who gets to be considered "presidential." ·He's exposed political consultants as grifters and hacks, most of whom don't know real

voters from a hole in the ground. If you're already a Trump fan, Ann Coulter will help you defend and promote your position. If you're not, she might just change your mind.

Mothers of Conservatism Princeton University Press

The Pulitzer Prize-winning columnist's "astonishing" and "enthraling" New York Times bestseller and Notable Book about how the Founders' belief in

natural rights
created a
great
American
political
tradition
(Booklist) --
"easily one of
the best books
on American
Conservatism
ever written"
(Jonah
Goldberg). For
more than
four decades,
George F. Will
has attempted
to discern the
principles of
the Western
political
tradition and
apply them to
America's
civic life.
Today, the
stakes could
hardly be
higher. Vital
questions
about the

nature of man,
of rights, of
equality, of
majority rule
are bubbling
just beneath
the surface of
daily events in
America. The
Founders'
vision,
articulated
first in the
Declaration of
Independence
and carried
out in the
Constitution,
gave the new
republic a
framework for
government
unique in
world history.
Their beliefs in
natural rights,
limited
government,
religious
freedom, and
in human
virtue and

dignity
ushered in two
centuries of
American
prosperity.
Now, as Will
shows,
conservatism
is under threat
-- both from
progressives
and elements
inside the
Republican
Party. America
has become
an
administrative
state, while
destructive
trends have
overtaken
family life and
higher
education.
Semi-
autonomous
executive
agencies wield
essentially
unaccountable
power.

Congress has failed in its duty to exercise its legislative powers. And the executive branch has slipped the Constitution's leash. In the intellectual battle between the vision of Founding Fathers like James Madison, who advanced the notion of natural rights that pre-exist government, and the progressivism advanced by Woodrow Wilson, the Founders have been losing. It's time to

reverse America's political fortunes. Expansive, intellectually thrilling, and written with the erudite wit that has made Will beloved by millions of readers, *The Conservative Sensibility* is an extraordinary new book from one of America's most celebrated political writers. *Proceedings and Debates of the ... Congress* HarperCollins In the tradition of *Shattered and*

Game Change, Washington Post columnist Jennifer Rubin provides an insider's look at how women across the political spectrum carried a revolution to the ballot box and defeated Donald Trump, based on interviews with key figures such as Kamala Harris, Amy Klobuchar, Stacey Abrams, Nancy Pelosi, and many more. In a compelling narrative, bookended by Donald Trump's 2016

victory and his 2020 defeat, Rubin delivers an absorbing analysis of the women's counter-Trump revolution. Resistance tracks a set of dynamic women voters, activists and politicians who rose up when Donald Trump took the White House and fundamentally changed the political landscape. From the first Women's March the day after Trump's inauguration to the Blue Wave in the 2018

midterms to the flood of female presidential candidates in 2020 to the inauguration of Kamala Harris, women from across the ideological spectrum entered the political arena and became energized in a way America had not witnessed in decades. They marched, they organized, they donated vast sums of cash, they ran for office, they made new alliances. And they defeated Donald Trump. Democratic women

candidates learned that they could win in large numbers, even in red districts. Black women voters in 2020 surged in Georgia and in suburbs in key swing states. Women across the country voted in greater numbers than in any previous election, flipped the Senate, and ensured victory for the first female Vice President in the nation's history. While Democrats recorded impressive

victories,
 Republican
 women
 delivered
 critical
 victories of
 their own.
 From the
 White House
 to Congress,
 from activists
 to protestors,
 from liberals
 to
 conservatives,
 Resistance
 delivers the
 first
 comprehensiv
 e portrait of
 women's
 historic
 political surge
 provoked by
 the horror of
 President
 Trump. This is
 the indelible
 story of how
 American
 women
 transformed

their own
 lives,
 vanquished
 Trump,
 secured
 unprecedente
 d positions of
 power and
 redefined US
 politics
 decades to
 come.
 Resistance is
 essential
 reading for
 understanding
 the most
 important
 election in
 American
 history and
 the role
 women played
 in redesigning
 modern
 politics.

 Toward Justice*
 St. Martin's
 Press
 * AN INSTANT
 NEW YORK

TIMES
 BESTSELLER *
 From the New
 York Times
 bestselling
 author of *The
 Vanishing
 American
 Adult*, an
 intimate and
 urgent
 assessment of
 the existential
 crisis facing
 our nation.
 Something is
 wrong. We all
 know it.
 American life
 expectancy is
 declining for a
 third straight
 year. Birth
 rates are
 dropping.
 Nearly half of
 us think the
 other political
 party isn't just
 wrong; they're
 evil. We're the
 richest

country in history, but we've never been more pessimistic. What's causing the despair? In Them, bestselling author and U.S. senator Ben Sasse argues that, contrary to conventional wisdom, our crisis isn't really about politics. It's that we're so lonely we can't see straight—and it bubbles out as anger. Local communities are collapsing. Across the nation, little leagues are

disappearing, Rotary clubs are dwindling, and in all likelihood, we don't know the neighbor two doors down. Work isn't what we'd hoped: less certainty, few lifelong coworkers, shallow purpose. Stable families and enduring friendships—life's fundamental pillars—are in statistical freefall. As traditional tribes of place evaporate, we rally against common enemies so we can feel part of a

team. No institutions command widespread public trust, enabling foreign intelligence agencies to use technology to pick the scabs on our toxic divisions. We're in danger of half of us believing different facts than the other half, and the digital revolution throws gas on the fire. There's a path forward—but reversing our decline requires something radical: a rediscovery of

real places and human-to-human relationships. Even as technology nudges us to become rootless, Sasse shows how only a recovery of rootedness can heal our lonely souls. America wants you to be happy, but more urgently, America needs you to love your neighbor and connect with your community. Fixing what's wrong with the country depends on it. The Restless Wave All

Points Books Mothers of Conservatism tells the story of 1950s Southern Californian housewives who shaped the grassroots right in the two decades following World War II. Michelle Nickerson describes how red-hunting homemakers mobilized activist networks, institutions, and political consciousness in local education battles, and she introduces a generation of women who developed

political styles and practices around their domestic routines. From the conservative movement's origins in the early fifties through the presidential election of 1964, Nickerson documents how women shaped conservatism from the bottom up, out of the fabric of their daily lives and into the agenda of the Republican Party. A unique history of the American conservative

movement, shows how discovered
Mothers of housewives their political
Conservatism got out of the capital.
