Eons ago, a great king used a magical device—the Seven-Petaled Shield—to defeat the forces of primal chaos, but now few remember that secret knowledge. When an ambitious emperor conquers the city that safeguards the Shield, the newly-widowed young Queen, guardian of the heart-stone of the Shield, flees for her life, along with her adolescent son. As one land after

another falls to the empire, they become separated and her son fears the emperor has executed his mother. Consumed with grief and vengeance, he transforms himself into the agent of chaos, a ravening destroyer who threatens all the living world. The only ones standing in the way of annihilation are the mother he thinks is dead, a dispossessed enemy prince, a demented prophet, and the nomadic horsewoman whose love alone can heal the heart of the heir to the magical Shield.

Age Past is a fantasy RPG that incorporates a novel character creation and dice rolling mechanic. Age Past: The Incian Sphere was written to provide you a completely customized gaming experience. Characters are built using an archetype system that is only limited by your imagination. Cast from over 150 spells without restriction and select from over 140 powers. Most powers can be taken 4 times as your character levels so no two characters will ever be the same. The system encourages player balance so your character will be successful regarding her purpose and all characters will be equally important. The game's world is unique and open enough for a GM to tailor his own adventure yet has guidelines to keep expectations in check. Age Past also has many optional rules that allow you to further customize your gaming experience. Choose to use pulp gaming rules or high lethality... or both! Build your perfect hero and conquer the world. Incia awaits!

I Planes Of Existence is a Science Fiction/Fantasy Novel with a good dosage of Humor and Horror which I, Kyle Lance Proudfoot, have written. It combines the best elements of both science fiction and fantasy and is hyper modern and futuristic taking place on far distant planets in the Universe. Leading from The Black Dungeon Doorway which is published by AuthorHouse UK it expands upon Character Classes introduced in The Free Show giving life to their profiles. There is great adventure, plenty of magic and technological devices and absolutely phenomenal battles. There is also a strong portrayal of the theme of Light and Shadow. I maintain my highly descriptive and exciting style of writing. I Planes Of Existence is Part 2, the sequel of The Black Dungeon Doorway. This will give me time to promote and try to make a bestseller of The Black Dungeon Doorway which is already published by AuthorHouse UK. There is also a Free Draft Promo of it. I My plan is to write a trilogy; the third title is The Door Of Light or Door Of Light and is a progression towards the Light and Good which is standard in all stories and most Hollywood plot lines.
