DESHAWN PONCE

What He Said, Exactly As He Said It One World

Popular Lost Cities author David Hatcher Childress takes to the road again in search of lost cities and ancient mysteries. This time he is off to the American Southwest, traversing the region's deserts, mountains and forests investigating archeological mysteries and the unexplained. Join David as he starts in northern Mexico and searches for the lost mines of the Aztecs. He continues north to west Texas, delving into the mysteries of Big Bend, including mysterious Phoenician tablets discovered there and the strange lights of Marfa. He continues northward into New Mexico where he stumbles upon a hollow mountain with a billion dollars of gold bars hidden deep inside it! In Arizona he investigates tales of Egyptian catacombs in the Grand Canyon, cruises along the Devil's Highway, and tackles the century-old mystery of the Superstition Mountains and the Lost Dutchman mine. In Nevada and California Childress checks out the rumors of mummified giants and weird tunnels in Death Valley, plus he searches the Mohave Desert for the mysterious remains of ancient dwellers alongside lakes that supposedly dried up tens of thousands of years ago. It's a full-tilt blast down the back roads of the Southwest in search of the weird and wondrous mysteries of the past!

Elvis - Word for Word Lyle Stuart

In *Sleepless Nights* a woman looks back on her life—the parade of people, the shifting background of place—and assembles a scrapbook of memories, reflections, portraits, letters, wishes, and dreams. An inspired fusion of fact and invention, this beautifully realized, hard-bitten, lyrical book is not only Elizabeth Hardwick's finest fiction but one of the outstanding contributions to American literature of the last fifty years.

The Unknown Callas Lizzie McGuire

This book explores the history of scrapbook-making, its origins, uses, changing forms and purposes as well as the human agents behind the books themselves. Scrapbooks bring pleasure in both the making and consuming - and are one of the most enduring yet simultaneously changing cultural forms of the last two centuries. Despite the popularity of scrapbooks, no one has placed them within historical traditions until now. This volume considers the makers, their artefacts, and the viewers within the context of American culture. The volume's contributors do not show the reader how to make scrapbooks or improve techniques but instead explore the curious history of what others have done in the past and why these splendid examples of material and visual culture have such a significant place in many households.

The Opera Singer and the Silent Film McFarland

Nobel Prize-winning author Isaac Bashevis Singer stands virtually alone among prominent writers for being more widely known through translations of his work than through the original texts. Yet readers and critics of the Yiddish originals have long pointed out that the English versions are generally shortened, often shorn of much description and religious matter, and their perspectives

and denouements are significantly altered. In short, they turn the Yiddish author into a Jewish-American English writer, detached from his Eastern European Jewish literary and cultural roots. By contrast, this collection of essays by leading Yiddish scholars seeks to recover the authentic voice and vision of the writer known to his Yiddish readers as Yitskhok Bashevis. The essays are grouped around four themes: The Yiddish language and the Yiddish cultural experience in Bashevis's writings; Thematic approaches to the study of Bashevis's literature; Bashevis's interface with other times and cultures; Interpretations of Bashevis's autobiographical writings. A special feature of this volume is the inclusion of Joseph Sherman's new, faithful translation of a chapter from Bashevis's Yiddish "underworld" novel "Yarme and Keyle". Seth L. Wolitz holds the L. D., Marie, and Edwin Gale Chair of Judaic Studies at the University of Texas at Austin, where he is also Professor of French, Slavic, and Comparative Literature.

A wonderful reminder for those who lived through the Swing Era, Bob Inman's radio logs also serve as a valuable and lively reference source for researchers and students of social history and jazz music. Inman's radio logs contain first-hand accounts of live Manhattan Swing shows he witnessed, and is well-illustrated with over 500 photographs of prominent musicians from the height of the Swing Era.

James McNeill Whistler and John Singer Sargent Scrapbook of an Unfound Songstress

Offers insight into one of the musician's most eventful and formative periods, tracing his arrival in New York and providing on the accompanying CD excerpts from early interviews and his 1965 performance at the Newport Folk Festival.

Kim Gordon Doubleday Books

A book about Taylor. Made with love. By fans. For fans. "Delightful...A rich and exhaustive production...Swifties have gotten their bible." —The New Yorker Ten years ago, an unknown sixteen-year-old released a self-titled debut country album. A decade later, Taylor Swift has reached record-breaking, chart-topping heights. A ten-time Grammy winner, Swift has been hailed for her songwriting talent, crossed effortlessly from country to pop, and established herself as a musician who can surprise, delight, and inspire, all while connecting with her fans in a way that only she can. Amazingly, after all these years, there is no great, comprehensive book about Swift for her fans. Until now. This book, a fan-generated celebration of Swift's first decade as an artist, collects the best writing and images from the past ten years in one gorgeous volume. From pre-fame interviews with Swift in local Pennsylvania newspapers to major profiles in *The New Yorker* and *Rolling Stone*; from album reviews by top critics such as Robert Christgau, Sasha Frere-Jones, and Ann Powers to essays by beloved novelists like Maggie Shipstead; from Tavi Gevinson's classic ode to Swift in *The Believer* to Q&As with Chuck Klosterman and humorous analysis from *McSweeney's* and *The Hairpin*; from album-themed crossword puzzles and adult coloring pages to profiles of Taylor's biggest fans; from an excerpt of the soon-to-be-published novel *Taylor Swift: Girl Detective* to a "book within a book" of Swift's most inspiring quotations titled (naturally) *The Tao of Tay*, this book is the vital collection of

all things Taylor. Here, finally, is the must-have book for every Swiftie and every music lover. For, as Klosterman wrote in GQ, "If you don't take Swift seriously, you don't take contemporary music seriously." * This book is a tribute to Taylor Swift, but she was not involved in its creation. *

Two Annotated Bibliographies Colorado Endowment for the

You're a 15-year-old schoolgirl who has big dreams of becoming a pop star, and then one day you get your lucky break. Polydor records sends you to Copenhagen to make pop music - to make you a recording artist. You get back home and your future is looking brighter than ever - until the High Court writ hits the door mat - you've fallen out with your management and they have decided to sue. No, this isn't a dream, this is now Vicky Nolan's reality and fast becoming a nightmare, and all while still at school at the sweet age of sixteen. Read about the trial, the family, Hollywood, London town, the glamour, the dog (eh?) and most importantly, the music. Curiouser and curiouser? We always talk about 'making it' and fulfilling your dreams. The question is, what if you don't? What happens next? Ultimately, this book speaks about life and family; its hopes and disappointments, its ups and downs. Scrapbook of an Unfound Songstress is in some way a story that speaks to us all, because in the end, the best stories are always true. "I'm living my life as consequence of yesterday. And all of my choices compliment my life today. There may have been times I could have gone and lost my way, I could have, I would have, I should have, I don't care - I'm here now." See the stories and hear the music @YouTube 'Scrapbook of an Unfound Songstress'

Furious Hours Catapult

A new edition of the classic New York Times bestseller edited by Toni Morrison, offering an encyclopedic look at the black experience in America from 1619 through the 1940s with the original cover restored. "I am so pleased the book is alive again. I still think there is no other work that tells and visualizes a story of such misery with seriousness, humor, grace and triumph."—Toni Morrison Seventeenth-century sketches of Africans as they appeared to marauding European traders. Nineteenth-century slave auction notices. Twentieth-century sheet music for work songs and freedom chants. Photographs of war heroes, regal in uniform. Antebellum reward posters for capturing runaway slaves. An 1856 article titled "A Visit to the Slave Mother Who Killed Her Child." In 1974, Middleton A. Harris and Toni Morrison led a team of gifted, passionate collectors in compiling these images and nearly five hundred others into one sensational narrative of the black experience in America—The Black Book. Now in a newly restored hardcover edition, The Black Book remains a breathtaking testament to the legendary wisdom, strength, and perseverance of black men and women intent on freedom. Prominent collectors Morris Levitt, Roger Furman, and Ernest Smith joined Harris and Morrison (then a Random House editor, ultimately a two-time Pulitzer Prize-winning Nobel Laureate) to spend months studying, laughing at, and crying over these materials—transcripts from fugitive slaves' trials and proclamations by Frederick Douglass and celebrated abolitionists, as well as chilling images of cross burnings and lynchings, patents registered by black inventors throughout the early twentieth century, and vibrant posters from "Black Hollywood" films of the 1930s and 1940s. Indeed, it was an article she found while researching this project that provided the inspiration for Morrison's masterpiece, *Beloved*. A labor of love and a vital link to the richness and diversity of African American history and culture, The Black Book honors the past, reminding us where our nation has been, and gives flight to our hopes for

what is yet to come. Beautifully and faithfully presented and featuring a foreword and original poem by Toni Morrison, The Black Book remains a timeless landmark work.

Gender, Performance, and the History of a Scene Sterling Publishing Company, Inc.

Chronicles the life of Eleanor Roosevelt, from her birth to wealthy parents, to her marriage to Franklin Delano Roosevelt, to her role as a wife, mother, first lady, and diplomat.

The American Opera Singer Jerry Osborne Enterprises

People love their pets—and now they can capture each playful, adorable antic and turn them into a fun scrapbook with the help of this colorful volume. It's chock-full of creative ideas for every cute creature, including dogs, cats, critters, and even farm and zoo animals. The endless possibilities include lively pages that feature stamps, machine stitching, patterned paper, ribbon, beads, rub-ons, silk flowers tassels, tiles, a zipper pull—all the wonderful accessories that scrapbookers enjoy using. Find inspiration in pages dedicated to "Couch Kitty" and "Three Little Kittens"; "Every Dog Has its Day" and "Puppy Pick-Up"; "Hamster Head"; and "Kissing Frogs." Special boxes offer tips on techniques, suggestions on thinking outside the scrapbook, and endearing quotations about animals.

The Beautiful Ones Studies in Jazz

"The Museum's collection illuminates all aspects of Sargent's career. The drawings and watercolors in particular reflect his activity outside the portrait studio: his sojourns in Spain, Morocco and elsewhere in North Africa, and in the Middle East; his enduring fascination with Venice; his holidays in the Italian lake district and the Alps; his tours of North America, including Florida and the Rocky Mountains; his visit as an official war artist to the western front in 1918; and his work as a muralist at the Boston Public Library, the Museum of Fine Arts, Boston, and Harvard University's Widener Library."--BOOK JACKET. Taylor Swift Metropolitan Museum of Art

An edgy and evocative visual self-portrait by musician and artist Kim Gordon, indie-underground cultural icon and muse of style for four decades. As cofounder of legendary rock band Sonic Youth, best-selling author, and celebrated artist, Kim Gordon is one of the most singular and influential figures of the modern era. This personally curated scrapbook includes a foreword by Carrie Brownstein and is an edgy and evocative portrait of Gordon's life, art, and style. Spanning from her childhood on Californian surf beaches in the '60s and '70s to New York's downtown art and music scene in the '80s and '90s where Sonic Youth was born. Through unpublished personal photographs, magazine and newspaper clippings, fashion editorials, and advertising campaigns, interspersed with Gordon's song lyrics, writings, artworks, private objects, and ephemera, this book demonstrates how Kim Gordon has been a role model for generations of women and men.

The Teenage Diaries & Radio Logs of Bob Inman, 1936-1938 New York Review of Books

(Amadeus). In this award-winning biography, Petsalis-Diomidis closely examines Maria Callas's life in Athens from 1937 to 1945. These years have been largely absent from previous works about Callas, but were crucial to her professional and personal growth. The author examines her professional development, her studies, her concertizing, and her work with the Greek National Opera. He also recounts Callas's daily life, her friendships, her rivalries at the conservatory, and her personal life. Though it is a detailed historical biography, the writing and pace are novelistic. HARDCOVER.

Lifting the Veil on the Lost Continent of Mu, the Motherland of Men Creative Arts Book Company

Fifteen-year-old Ruby Milliken leaves her best friend, her boyfriend, her aunt, and her mother's grave in Boston and reluctantly flies to Los Angeles to live with her father, a famous movie star who divorced her mother before Ruby was born.

Swing Era Scrapbook Sristhi Publishers & Distributors

"These journals also provide insight into Dodge's character, with reports of his official duties as a military man and of several landmark events in his family life. Extensive commentaries and notes by Wayne R. Kime provide further detail, including a history of Cantonment North Fork Canadian River, a six-company post Dodge established and commanded in the region."--BOOK JACKET.

The Life of Striptease Lili St. Cyr. Yale University Press

With over 1,000 colourful images, Robert Opie brings to life the 1920s and captures the mood of this radical decade in Great Britain. The Twenties were a time for change and invention. The arrival of the wireless provided a new form of entertainment and The Radio Times was launched in 1923. The popularity of the cinema continued and was changed forever with the coming of 'talkies' and The Jazz Singer in 1926. While there were many notable events, from the Tutankhaman discoveries to the Empire exhibition at Wembley, unemployment and workers' discontent pervaded everyday life, culminating in the General Strike of 1926. For children, however, fun and amusement could be found with new cartoon characters: the antics of Felix the Cat at the pictures, tales of Pooh Bear in A.A. Milne's book Winnie-the-Pooh and, in newspapers, Bonzo the Dog (Daily Sketch) , Rupert the Bear (Daily Express) , Teddy Tail (Daily Mail) and Pip, Squeak and Wilfred (Daily Mirror), . Apart from women daring to smoke (espe

#1 NEW YORK TIMES BESTSELLER • The brilliant coming-of-age-and-into-superstardom story of one of the greatest artists of all time, in his own words—featuring never-before-seen photos, original scrapbooks and lyric sheets, and the exquisite memoir he began writing before his tragic death NAMED ONE OF THE BEST MUSIC BOOKS OF THE YEAR BY THE NEW YORK TIMES BOOK REVIEW AND ONE OF THE BEST BOOKS OF THE YEAR BY THE WASHINGTON POST AND THE GUARDIAN • NOMINATED FOR THE NAACP IMAGE AWARD Prince was a musical genius, one of the most beloved, accomplished, and acclaimed musicians of our time. He was a startlingly original visionary with an imagination deep enough to whip up whole worlds, from the sexy, gritty funk paradise of “Uptown” to the mythical landscape of Purple Rain to the psychedelia of “Paisley Park.” But his most ambitious creative act was turning Prince Rogers Nelson, born in Minnesota, into Prince, one of the greatest pop stars of any era. The Beautiful Ones is the story of how Prince became Prince—a first-person

account of a kid absorbing the world around him and then creating a persona, an artistic vision, and a life, before the hits and fame that would come to define him. The book is told in four parts. The first is the memoir Prince was writing before his tragic death, pages that bring us into his childhood world through his own lyrical prose. The second part takes us through Prince's early years as a musician, before his first album was released, via an evocative scrapbook of writing and photos. The third section shows us Prince's evolution through candid images that go up to the cusp of his greatest achievement, which we see in the book's fourth section: his original handwritten treatment for Purple Rain—the final stage in Prince's self-creation, where he retells the autobiography of the first three parts as a heroic journey. The book is framed by editor Dan Piepenbring's riveting and moving introduction about his profound collaboration with Prince in his final months—a time when Prince was thinking deeply about how to reveal more of himself and his ideas to the world, while retaining the mystery and mystique he'd so carefully cultivated—and annotations that provide context to the book's images. This work is not just a tribute to an icon, but an original and energizing literary work in its own right, full of Prince's ideas and vision, his voice and image—his undying gift to the world.

The Life and Music of a Jazz Rambler Citadel Press

The author is currently working in a Navratna-PSU. He did Bachelor of Engineering from Jadavpur University, Kolkata. His other interests are photography, music, travelling, blogging and cooking. The Lost Scraps of Love is his first book.

Sleepless Nights University of Oklahoma Press

In this unforgettable and “essential feminist memoir of women's lives” (Sarah Wildman, author of Paper Love) the author of the New York Times bestselling memoir Perfection unearths her mother's hidden past in Nazi-occupied Austria. To Julie Metz, her mother, Eve, was the quintessential New Yorker. Eve rarely spoke about her childhood and it was difficult to imagine her living anywhere else except Manhattan, where she could be found attending Carnegie Hall and the Metropolitan Opera or inspecting a round of French triple crème at Zabar's. After her mother passed, Julie discovered a keepsake book filled with farewell notes from friends and relatives addressed to a ten-year-old girl named Eva. This long-hidden memento was the first clue to the secret pain that Julie's mother had carried as a refugee and immigrant from Nazi-occupied Vienna, shining a light on “a story of political repression, terror, and dissolution...full of astonishing and unlikely twists of fate showing again that individual destiny may be the greatest mystery of all” (Dani Shapiro, author of Inheritance). “A gripping and intimate wartime account with piercing contemporary relevance” (Kirkus Reviews), Eva and Eve lyrically traces one woman's search for her mother's lost childhood while revealing the resilience of our forebears and the sacrifices that ordinary people are called to make during history's darkest hours.
