 Laura comes from a world similar to our own except for one difference: it is next to the Place, an unfathomable land that fosters dreams of every kind and is inaccessible to all but a select few, the Dreamhunters. These are individuals with special gifts: the ability to catch larger-than-life dreams and relay them to audiences in the magnificent dream palace, the Rainbow Opera. People travel from all around to experience the benefits of the hunters' unique visions. Now fifteen-year-old Laura and her cousin Rose,

daughters of Dreamhunters, are eligible to test themselves at the Place and find out whether they qualify for the passage. But nothing can prepare them for what they are about to discover. For within the Place lies a horrific secret kept hidden by corrupt members of the government. And when Laura's father, the man who discovered the Place, disappears, she realizes that this secret has the power to destroy everyone she loves . . . A lady desiring vengeance seeks a highwayman's help in this tale by an author whose novels are "the gold standard in historical romance" (Lisa Kleypas). Lady Leigh Strachan's father governed the town of Felchester—until a religious zealot murdered her family and turned the village into hell on Earth. Now, there is room in her heart for only one thing: revenge. Leigh plans to kill her father's murderer once she learns to aim a pistol, slash a sword, and ride a horse. She seeks out the Prince of Midnight, a legendary highwayman exiled to France, as her choice of tutors. But the man she finds in a crumbling French castle is no hero. Half deaf and suffering from vertigo, S. T. Maitland can scarcely walk, much less wield a sword atop a dancing stallion. Yet for reasons she can't explain, she remains with him, steeling her heart against the sight of his gold-streaked hair, green eyes, and brows adorned with a devilish curl at the arch . . . Women mean nothing but trouble to the highwayman, so he wishes Leigh were less alluring. Alas, she is beautiful, with a piercing gaze and a determined spirit. Despite his broken balance, the loss of his horse, and the price on his head, he vows to return to England with her. He cannot resist the challenge—or the chance to sacrifice everything for love . . . The New York Times bestselling author of *Flowers from the Storm* and *Shadowheart*, Laura Kinsale writes an "unfailingly brilliant and beautiful" romance (Julia Quinn).
