How Do We Know?

Baker Books

'The pages of this book represent the quest of a man intent on discerning the nature of structural evil in

light of the biblical evidence. His experience of living for a time in Latin American and witnessing extensive social and political oppression appears to have moved him profoundly. The end result is a book that is a model of the attempt

to integrate scholarship with faith.'-
 -Clinton E. Arnold, Catalyst
The Kingdom of the Occult Lexham Press
 Ancient conspiracy. Relentless evil. The hunt for answers continues. The climactic ending of *The Façade* left Brian Scott and Melissa Kelley with only each other--and the terrible secrets they carry. The Portent finds them living under new identities, their future clouded by constant fear of being exposed. By the time Brian and Melissa learn they're being watched, their carefully constructed lives will be over. Follow Brian and Melissa into the center of an unthinkable vast, centuries-old conspiracy, conceived to turn the faith of

millions against itself. Revelations from ancient tombs, long-forgotten Nazi experiments, UFOs, occult mythologies, biblical theology, and godlike technologies converge in answer to a terrifying question: Now that "they" are here, what do they want?

The Disobedient Spirits and Christian

Baptism Defender

In Supernatural: What the Bible Teaches About the Unseen World--and Why it Matters, Michael S. Heiser uses his expertise and 15 years of research to tackle questions about what the Bible really says about the unseen world. Ronn Johnson's *Supernatural: A Study Guide* will help you further explore the ancient worldview of

the Bible. Johnson walks through main themes and big picture ideas from Supernatural, while connecting each with practical applications. Reflection questions at the end of each chapter are designed for individual study or discussion with a small group.

Hunting Magic Eels
B&H Publishing Group
The paranormal television series *Stranger Things* taps into the mysterious elements that have fueled spiritual questions for millennia. The otherworldly manifestations in Hawkins, Indiana offer compelling portrayals of important spiritual truths--and many of these truths are echoed in the supernatural worldview of the Bible.

God's Rivals

InterVarsity Press

In this much-
anticipated textbook,
three respected biblical
scholars have written a
history of ancient Israel
that takes the biblical

text seriously as an
historical document.
While also considering
nonbiblical sources and
being attentive to what
disciplines like
archaeology,
anthropology, and
sociology suggest
about the past, the
authors do so within
the context and
paradigm of the Old
Testament canon,
which is held as the
primary document for
reconstructing Israel's
history. In Part One,
the authors set the
volume in context and
review past and
current scholarly
debate about learning
Israel's history,
negating arguments
against using the Bible
as the central source.
In Part Two, they seek
to retell the history
itself with an eye to all
the factors explored in
Part One.

The Mystery of Reading Scripture Thomas Nelson

"Van Dorn summarizes key concepts and themes and includes questions aimed at helping you gain a deeper understanding of the biblical author's supernatural worldview." -- Amazon.com

The Holy Spirit B&H Publishing Group
Bestselling author and apologist takes on one of the most difficult questions Christians face. How can an omnipotent, loving God preside over a world filled with evil and suffering? The author's approach is concise, systematic, and clearly communicated, just what Geisler fans have grown to expect. In addition to relying on time-tested solutions to the problem of evil,

the author also presents a compelling new way to think about this puzzle.

Broadleaf Books
Start with a Skeptical, naturalistic culture. Add the Church's tendency to avoid or gloss over difficult supernatural Bible passages. The result most Christians miss the supernatural worldview

I Dare You Not to Bore Me with the Bible
Defender

In *The Bible Unfiltered*, Michael Heiser, an expert in the ancient Near East and author of best-seller *The Unseen Realm*, explores unusual and misunderstood parts of the Bible and offers insights that will inform and surprise you on every page.

Pastoral Meditations from a Systematic Theologian Zondervan Reversing Hermon is a groundbreaking work. It unveils what most in the modern Church have never heard regarding how the story of the sin of the Watchers in 1 Enoch 6-16 helped frame the mission of Jesus, the messiah. Jews of the first century expected the messiah to reverse the impact of the Watchers' transgression. For Jews of Jesus' day, the Watchers were part of the explanation for why the world was so profoundly depraved. The messiah would not just revoke the claim of Satan on human souls and estrangement from God, solving the predicament of the Fall. He would also not only bring the nations

back into relationship with the true God by defeating the principalities and powers that governed them. Jews also believed that the messiah would rescue humanity from self-destruction, the catalyst for which was the sin of the Watchers and the influence of what they had taught humankind. The role of Enoch's retelling of Genesis 6:1-4 in how New Testament writers wrote of Jesus and the cross has been largely lost to a modern audience. Reversing Hermon rectifies that situation. Topics include:* How the ancient Mesopotamian story of the apkallu aligns with Gen 6:1-4, was preserved in 1 Enoch, and sets the stage for the theme of reversing the evil of

the Watchers* How the theme of reversing the transgression of the Watchers colors the gospel accounts of the birth of Jesus, his genealogy, and his ministry.* How the writings of Peter and Paul allude to the sin of the Watchers and present Jesus as overturning the disastrous effects of their sins against humanity.* How the descriptions of the antichrist, the end-times Day of the Lord, and the final judgment connect to Genesis 6 and the nephilim. Though every topic addressed in *Reversing Hermon* can be found in scholarly academic literature, *Reversing Hermon* is the first book to gather this information and make it accessible to Bible students

everywhere.

The Unseen Realm

Whitaker House

This book studies the Holy Spirit through the lens of both biblical and systematic theology. It provides a comprehensive look at the third person of the Trinity as revealed by Scripture, focusing on eight central themes and assumptions.

A Question & Answer Companion InterVarsity Press

"I found myself joining in his joyful 'Amen!' to all of the promises that we have in Jesus Christ." --Michael Horton In this rich collection of sermons, John Webster considers the power of the gospel and the truth of God's grace. Born from years of theological and biblical study, these reflections serve to challenge, stimulate,

and inspire, demonstrating the grace of God at work in the complexities of life. By pointing us toward Christ, *Confronted by Grace* helps us grow in our understanding of the truth of the gospel. *A Companion to the Book of Enoch: A Reader's Commentary, Vol I: The Book of the Watchers (1 Enoch 1-36)* Thomas Nelson

What if the biblical creation account is true, with the origins of Adam and Eve taking place alongside evolution? Building on well-established but overlooked science, S. Joshua Swamidass explains how it's possible for Adam and Eve to be rightly identified as the ancestors of everyone, opening up new possibilities for understanding Adam

and Eve consistent both with current scientific consensus and with traditional readings of Scripture.

Confronted by Grace
InterVarsity Press
Bo Ivar Reicke (1914-1987) was born and schooled in Stockholm, Sweden. In 1933 he matriculated in the Faculty of Arts of the University of Stockholm, transferring, however, in 1935 to the University of Uppsala, where in 1937 he received his degree in the areas of the history of religions and classical Greek and philosophy. From 1938 he continued his studies in the Faculty of Theology of the same university. Graduating in 1941, he became ordained in December of the same year as a minister of

the Evangelical Lutheran Church of Sweden. He immediately continued with doctoral studies, choosing the exegesis of the Old and New Testaments as his field of research. In May 1946 he presented in print and publicly defended his dissertation, *The Disobedient Spirits and Christian Baptism: A Study of 1 Pet. III.19 and Its Context*, [Acta Seminarii Neotestamentici Upsaliensis Edenda Curavit A. Fridrichsen, 13] (Lund 1946). In the official statement to the university, his New Testament teacher, Professor A. Fridrichsen, describes the dissertation as a weighty contribution to the solution of an old exegetical problem and goes on to recommend

the author for a position on the Uppsala Faculty. In the following years, Reicke taught New Testament exegesis as assistant professor in his home faculty. In September of 1953 he received the call of the Faculty of Theology of the University of Basel, Switzerland, to fill the chair in New Testament. Moving to Basel with his family, Reicke served there for thirty years until his retirement in 1984. In addition to lecturing around the world and training about forty doctoral students, he was the author of a number of books (see below). Still actively writing and lecturing, Bo Reicke died in Basel in May of 1987. *Deep Exegesis* Westminster John Knox Press

Best-selling author Mary Baxter describes dreams, visions, and revelations of angels that God has given her. Explore the fascinating dynamics of angelic beings--their appearance, their assigned functions and roles, and how they operate, not only in the heavenly realms, but also in our lives here on earth. Discover the difference between good angels and bad angels (demons) and their activities as you learn to distinguish angels of light from angels of darkness. God's holy angels are magnificent beings who are His messengers and warriors sent to assist, sustain, protect, and deliver us through the power of Christ.

A Year of Devotions
InterVarsity Press

What does it mean to know something? Epistemology, the study of knowledge, can often seem like a daunting subject. And yet few topics are more basic to human life. In this primer on epistemology, now in a second edition, James Dew and Mark Foreman provide an accessible entry into one of the most important disciplines within contemporary philosophy.

What the Bible Really Says about the Powers of Darkness Lexham
Press

Jesus gets attention

not with exclamation marks, but with question marks. Jesus was always asking questions. Whether with a small group or large crowd, Jesus opened hearts and minds by asking questions that grasped attention and made one think. In *The Jesus Code*, author O. S. Hawkins poses fifty-two thought-provoking questions found throughout the Bible that believers should be able to answer as they grow in their faith and share their faith with others. Each question features a devotional thought to help readers find answers and promote further reflection. Sample questions include: What does the Lord require of you? Where can I go from Your Spirit? Who is my

neighbor? What is your life? A vapor that appears and vanishes away? Why do you seek the living among the dead? Will a man rob God? As with *The Joshua Code*, all royalties will go to Mission:Dignity, whose mission supports retired pastors and their wives (or widows) living near poverty level. Features & Benefits: Includes 52 thought-provoking questions and answers Handsome burnished leathersoft binding for a rich, classic look This release follows peak of O.S. Hawkins's book, *The Joshua Code* with sales of more than 150,000 units All royalties go toward Mission:Dignity, an organization that supports retired pastors and their spouses living near the

poverty level
