Ética Fortress Press

Este libro, busca presentar e introducir el pensamiento de Bonhoeffer a las nuevas generaciones del siglo XXI, entendiendo por pensamiento de Bonhoeffer, no solo los problemas

específicos de su teología, sino también su mirada siempre cristocéntrica de teólogo sobre la espiritualidad, la ética, la política y lo social. Partiendo sus propias palabras, sacadas de sus libros, artículos, cartas, o incluso circulares a sus alumnos y a miembros de la Iglesia Confesante, el autor deja que el propio Bonhoeffer se explique a sí mismo a lo largo de la obra, evitando las interpretaciones o usos parciales y fragmentarios que se han hecho de él, por no mencionar el abuso de su pensamiento para otros fines. Una obra de sorprendente actualidad, que estamos

seguros será, no tan solo valorada y apreciada por los teólogos, sino también útil a muchos pastores, que precisan entender y transmitir mejor en sus predicaciones que creer es comprometerse, el precio de la gracia; y por muchos profesores y estudiantes universitarios cristianos, a veces faltos de argumentos a la hora de presentar y defender, en sus entornos académicos, la aportación del cristianismo en la construcción de un mundo mejor, de una sociedad más justa y más humana, de probar el sentido y realidad de la resistencia cristiana.

Dietrich Bonhoeffer New York Review of Books

From National Book Award-winning author Martin Marty, the surprising story of a Christian classic born in a Nazi prison cell For fascination, influence, inspiration, and controversy, Dietrich Bonhoeffer's Letters and Papers from Prison is unmatched by any other book of Christian reflection written in the twentieth century. A Lutheran pastor and theologian, Bonhoeffer spent two years in Nazi prisons before being executed at age thirty-nine for his role in the plot to kill Hitler. Ever since it was published in 1951, Letters and Papers from Prison has had a tremendous impact on Christian and secular thought, and has helped establish Bonhoeffer's reputation as one of the most important Protestant thinkers of the twentieth century. In this, the first history of the book's remarkable global career, National Book Award-winning writer Martin Marty tells how and why Letters and Papers from Prison has been read and used in such dramatically different ways, from the Cold War to today.

A través de los escritos de Bonhoeffer es posible constatar con gran facilidad que la preocupación por lo ético puede detectarse a lo largo y ancho de su pensamiento, tal vez como consecuencia directa de su inagotable «instinto» de interrogación, que le permitía leer con atención y espíritu crítico su propio presente y la tradición religioso-cultural en la que se encontraba anclado. Esta preocupación es especialmente importante en sus últimos años, tanto es así que algunos biógrafos señalan que la redacción de la «Ética» suponía para el teólogo la misión de su vida. La ética de Bonhoeffer se caracteriza por ser concreta y práctica y por proponerse prioritariamente la reconciliación y la armonía de las tensiones entre Dios y el mundo. En Bonhoeffer, lo ético no puede separarse de lo biográfico y por ello, su obra es una testificación, en medio de los avatares e incertidumbres de su vida cotidiana, de la verdad y de la justicia que son inherentes a

la encarnación de Dios en cada momento histórico, por complejo, difícil y preñado de maldad que pueda ser. Según sus editores alemanes, «en la biografía teológico-eclesial de Bonhoeffer, la «Ética» significa el intento de concretar en una concepción teológica fuertemente asentada en la realidad los conocimientos y experiencias que había adquirido» en los difíciles y crueles años de la guerra.

Dietrich Bonhoeffer's Christian Humanism Simon and Schuster

Dietrich Bonhoeffer creó la expresión “gracia barata” como forma de resumir el abuso de la gracia. Él vivió en la Alemania nazi, y lo abrumaba la cobardía con la que reaccionaban los cristianos ante las amenazas de Hitler. Los pastores luteranos predicaban la gracia los domingos desde el púlpito, y después callaban el resto de la semana mientras los nazis continuaban con su política de racismo, eutanasia y genocidio. Este libro, *El costo del discipulado*, es una invitación a reflexionar sobre el llamado a la conversión, al discipulado comprometido y a nuestra disposición a asemejarnos a Cristo.

Oraciones Para Catequistas Fortress Press

After his martyrdom at the hands of the Gestapo in 1945, Dietrich Bonhoeffer continued his witness in the hearts of Christians around the world. His Letters and Papers from Prison became a prized testimony to Christian faith and courage, read by thousands. Now in *Life Together* we have Pastor Bonhoeffer's experience of Christian community. This story of a unique fellowship in an underground seminary during the Nazi years reads like one of Paul's letters. It gives practical advice on how life together in Christ can be sustained in families and groups.

The role of personal prayer, worship in common, everyday work, and Christian service is treated in simple, almost biblical, words. *Life Together* is bread for all who are hungry for the real life of Christian fellowship.

Two Biblical Studies John Wiley & Sons

Not many theologians have had as great an impact on the study of peace and violence as Dietrich Bonhoeffer, who was labeled an Enemy of the State and eventually executed in April 1945. In this book, Trey Palmisano examines the theological connection between peace and violence across a range of Bonhoeffer's writings, sermons, and letters. Despite the challenges Bonhoeffer experienced in his personal life and in the life of his country, Palmisano asserts that a strong consistency emerges in Bonhoeffer's approach to ethics that resonates in the positing of Christ as the center of all ethical discourse and orients one to the ever-present challenges of a changing world. Palmisano creates distance from former studies that sought to define Bonhoeffer as a committed pacifist, a situational pacifist, or one who compromised his values to accommodate an exception for violence. By prioritizing methodology as the key to interpreting Bonhoeffer's thought, Palmisano argues that the ethical dilemma thought to be caused by Bonhoeffer's actions is avoided. The result is one that creates an authentic ethical openness by responsiveness to Christ rather than Christian virtue, and frees the individual from redundancies of action derived from deeply embedded patterns of theological engagement.

Dietrich Bonhoeffer, a uniquely reluctant and distinctly German

Lutheran revolutionary, analyzed and critiqued his class - the Bildungsbürgertum - not as a secular liberal but as a devout Lutheran Protestant who recognized the moral derailment of his people. Bonhoeffer confronted his compatriots both religiously and politically, and his life

Few twentieth-century theologians have had a bigger impact than Dietrich Bonhoeffer, a man who lived his faith and died at the hands of the Nazis. For Bonhoeffer, the theological was the personal: life and faith were deeply intertwined - and to this day the world is inspired by that witness. Yet the true story of the women in this remarkable man's life has until now been obscured by a conventional narrative that has distorted their role. Using primary sources written by the women in his life, and even including the first ever photo of alleged 'first fiancée' Elisabeth Zinn, this book 'sees' these women fully for the first time. A highly readable but scholarly work of narrative nonfiction, *The Doubled Life* places Bonhoeffer's theology of love and sexuality within the context of his struggles with women, friendship, and the evils of Nazi Germany.

Interweaving handwritten text and art in his signature style, John Hendrix tells the fascinating story of Dietrich Bonhoeffer and his fight against the oppression of the German people during World War II. Bonhoeffer was a German Lutheran pastor and theologian who was shocked to watch the German church embrace Hitler's agenda of hatred. He spoke out against the Nazi party and led a breakaway church that rebelled against racist and nationalist beliefs of the Third Reich. Struggling with how his faith interacted with his ethics, Bonhoeffer eventually became convinced that Hitler and the Nazi Party needed to be stopped--and he was willing to sacrifice anything and everything to do so.

En el año 2006, celebramos el centenario del nacimiento de uno de los hombres cuyos pensamientos y hechos han fecundado el quehacer teológico de la segunda mitad del siglo XX. Sin embargo, cualquier acercamiento a la comprensión de Bonhoeffer pasa por integrar vida y pensamiento, puesto que la suya fue siempre una "teología de rodillas" interpretada y encarnada desde el seguimiento de Jesús y la militancia en la iglesia. Esa y no otra, es la clave hermenéutica que nos permite

situarnos en el lugar de observación correcto para acoger su visión del cristianismo. Sus escasos treinta y nueve años de vida, y las adversas circunstancias en las que se desarrollaron constituyen la huella indeleble de una teología a contratiempo. Sin embargo, aun desde esas profundas limitaciones, su quehacer literario, su discurso docente y su vida inspirada en una insobornable piedad cristiana, merecen ser desenterrados y puestos al servicio del pueblo de Dios en el momento actual. Born into a loving family, Dietrich Bonhoeffer pursued a life as a

pastor, teacher, theologian -- and spy. He spoke out about the trouble in Germany when Adolph Hitler came to power, urging the Christian church to rescue disparaged people groups and resist Hitler's evil empire. Accused of being a troublemaker, Dietrich continued on fearlessly in the midst of wickedness. His work as a spy in the German resistance and participation in a plot to assassinate Hitler led to imprisonment and eventual execution. But the lesson of his life story remains: "Not to speak is to speak. Not to act is to act."

A compilation of essays and commentary delivered at the second annual Kent State University Symposium on Democracy, this work recognizes and considers the differences that arise when the competitive forces of commerce clash with the demand for the open availability of information in a democratic society. The conflicting roles of advocate-initiator and objective reporter for journalists who cover community politics; the role of the news media in forming public attitudes toward things political and their role in affecting voter nonparticipation; the role of financial considerations in the news media's attempt to provide citizens with needed news and perspective on political affairs; and particularly the role of the conglomeration of ownership of news media organizations are a few of the topics discussed in this volume.
