Choose your
path forward
in this
mystical
interactive YA
about the
powers of

friendship,
self-discovery,
and tarot. It's
the summer
before college
and four best
friends—Ameli
a, Chase,
Cleo, and
Logan—are on
the first leg of
their road trip
inspired by
the unique

tarot deck that Amelia inherited from her grandmother. However, their trip full of visiting occult shops, bonding and sightseeing, takes a major detour as the friends discover that their tarot deck is more valuable—and coveted—than they could've ever imagined. As the friends race to finish this mystical scavenger-hunt across the West coast and uncover the mysteries of their tarot

deck, it is you who will decide where to go next and how the story will end. With four possible final and romantic endings, you will get to make actual choices to further the friends' road trip adventure in this unique interactive novel. Will you uncover the mysteries of the tarot deck and the legacy left behind? Will you help Amelia and Chase learn and grow? And will you unravel the secrets these friends keep

from each other—and from themselves? *Greek Homosexuality* by G K Hall & Company
A serial killer is strangling young women and dumping their lifeless bodies in the steep forested ravines of southern Indiana. With each corpse he leaves a calling card: a stone figurine wedged deep inside the victim's throat. FBI forensic anthropologist Christine Prusik saw such figurines placed inside

the bodies of the dead years ago when researching in Papua New Guinea. Is someone trying to send Christine a message? <u>Rise to the Sun</u> Applewood Books Un killer che vaga per i boschi con un certo gusto per i manufatti indigeni. Un'antropolog a forense decisa a catturarlo a ogni costo. Un passato da cui chiunque vorrebbe fuggire che torna e	scombina tutti i piani. Christine Prusik fa l'antropologa forense per l'FBI a Chicago. È fantastica nel suo lavoro. Ha visto una quantità di casi davvero incredibili, ma l'ultimo che le è capitato ha qualcosa di diverso. Qualcosa che non torna. Ogni serial killer ha uno schema, delle abitudini, delle manie. Questo - un uomo dalle mani forti - strangola giovani donne e getta i loro corpi nei	boschi vicino a corsi d'acqua. Ma ciò che supera la stranezza convenzionale per chi fa questo lavoro è che, come biglietto da visita, l'assassino lascia ogni volta nel corpo della vittima una statuetta di pietra, simile agli amuleti ritrovati in Papua Nuova Guinea: gli stessi luoghi in cui l'agente Prusik aveva lavorato tempo prima mentre faceva ricerche sul campo. Un'esperienza che l'aveva

 One flicker of
 hope. That's
 all it takes to
 catapult
 yourself into
 the life you've
 always
 imagined.
 Success is not
 born out of
 skill, school,
 where we're
 from, who we
 know, or what
 we scored on
 the SAT. None
 of us were
 born ready.
 None of us
 started life
 knowing how
 to fly a plane
 or launch a
 company or
 knit a sweater
 for our dog.
 But we are

born with
 something
 more
 important
 than skills.
 We're born
 with
 optimism—the
 initial seed for
 success.
 Optimism
 fuels the
 belief that you
 can be the
 one to create
 the good the
 world needs.
 But you've got
 to hone it. And
 practice it.
 And determine
 to live from it.
 In *Chasing the
 Bright Side*,
 Jess Ekstrom
 shares her
 own
 inspirational
 story of how
 optimism
 helped her
 overcome

multiple challenges, and the dynamic ways her mind-set propelled her as a young entrepreneur, international speaker, and philanthropist. Do you have dreams for yourself and the world that are tucked away in your box of somedays? What would happen if today was the day you opened the box? And what if that box was the key to a better tomorrow? Jess's journey will inspire you embrace

the power of optimism in your own life, and help you reimagine your purpose so you create good in the world while fulfilling your own dreams—right where you are.

Cast in Stone
A&C Black
I'm so sick of watching the world spin by. Of letting people think I'm plain and boring, too afraid to just be myself. Then I see him. John. He's strength and fury and unapologetic. He's everything I

want. And everything I wish I was. He won't want me, but that doesn't matter. The sight of him is all the inspiration I need to finally shatter this glass house I've built around myself. Only he does want me. And when our worlds collide, details we can't see become entwined, twisting together, trapping us in an invisible trap. But when it all goes wrong, I don't know if I'll be able to break

free of the chains binding us, or if I'll suffocate in the process. The Stone Maiden Simon and Schuster Twelve-year-old Josephine Russing lives alone with her father. Mr. Russing is a distant, cold man best known for his insistence that every member of their town wear gloves at all times, just as he does--even at home--and just as he forces his daughter to do as well. Then one day Josephine meets a boy named

Fargus. But when she tries to follow him, he mysteriously disappears and Josephine finds herself in another world called Gulm. Gulm is ruled by the "Master," a terrifying villain who has taken all the children of Gulm. With Fargus by her side, and joined by Fargus's friend Ida, Josephine must try to find her way home. As the trio attempt to evade the Master, they encounter numerous adventures

and discover the surprising truth about the land of Gulm, and Josephine's own life back home. *The Runner* Cornell University Press This new edition of what has become a standard account of Western expansion and technological dominance includes a new preface by the author that discusses how subsequent developments in gender and race studies, as well as

global technology and politics, enter into conversation with his original arguments.

License to Parent

Thomas & Mercer "If Mr. and Mrs. Smith had kids and wrote a parenting book, this is what you'd get: a practical guide for how to utilize key spy tactics to teach kids important life skills--from self-defense to effective communication to conflict resolution." --

Working Mother Christina was a single, successful CIA analyst with a burgeoning career in espionage when she met fellow spy, Ryan, a hotshot field operative who turned her world upside down. They fell in love, married, and soon they were raising three children from his first marriage, and later, two more of their own. Christina knew right away that there was something special about

the way Ryan was parenting his kids, although she had to admit their obsession with surviving end-of-world scenarios and their ability to do everything from archery to motorcycle riding initially gave her pause. More than that, Ryan's kids were much more security savvy than most adults she knew. She soon realized he was using his CIA training and field experience in his day-to-day child-rearing.

And why shouldn't he? The CIA trains its employees to be equipped to deal with just about anything. Shouldn't parents strive to do the same for their kids? As Christina grew into her new role as a stepmom and later gave birth to their two children, she got on board with Ryan's unique parenting style--and even helped shape it using her own experiences at the CIA. Told through

honest and relatable parenting anecdotes, Christina shares their distinctive approach to raising confident, security-conscious, resilient children, giving practical takeaways rooted in CIA tradecraft along the way. License to Parent aims to provide parents with the tools necessary to raise savvy, well-rounded kids who have the skills necessary to navigate

through life.

Chasing the Bright Side

Penguin
Meet Knightley and Son - two great detectives for the price of one . . . Darkus Knightley is not your average thirteen-year-old: ferociously logical, super-smart and with a fondness for tweed, detective work is in his blood. His dad Alan Knightley was London's top private investigator and an expert in crimes too

strange for Scotland Yard to handle, but four years ago the unexplained finally caught up with him - and he fell into a mysterious coma. Darkus is determined to follow in his father's footsteps and find out what really happened. But when Alan suddenly wakes up, his memory is wonky and he needs help. The game is afoot for Knightley & Son - with a mystery that gets weirder by the minute,

a bestselling book that makes its readers commit terrible crimes, and a sinister organisation known as the Combination . . . A funny, warm, fantastical crime caper with an unlikely hero and a brilliant comic cast, perfect for fans of Sherlock and criminally good storytelling. **Lightlark (The Lightlark Saga Book 1)** Scholastic Inc. From the author of You

Should See Me in a Crown, Leah Johnson delivers a stunning novel about being brave enough to be true to yourself, and learning to find joy even when times are unimaginably dark. Olivia is an expert at falling in love . . . and at being dumped. But after the fallout from her last breakup has left her an outcast at school and at home, she's determined to turn over a new leaf. A crush-free

weekend at Farmland Music and Arts Festival with her best friend is just what she needs to get her mind off the senior year that awaits her. Toni is one week away from starting college, and it's the last place she wants to be. Unsure about who she wants to become and still reeling in the wake of the loss of her musician-turned-roadie father, she's heading back to the music festival that changed his

life in hopes that following in his footsteps will help her find her own way forward. When the two arrive at Farmland, the last thing they expect is to realize that they'll need to join forces in order to get what they're searching for out of the weekend. As they work together, the festival becomes so much more complicated than they bargained for. Olivia and Toni will find that they need each other, and music,

more than they ever could have imagined. Packed with irresistible romance and irrepressible heart, bestselling author Leah Johnson delivers a stunning and cinematic story about grief, love, and the remarkable power of music to heal and connect us all. Stone Maidens Ediciones Destino Regardless of how much you spend on landscaping, plants and accents,

without a beautiful lawn to complete the picture your home will be missing an important ingredient. Proper lawn care is the 'grass roots' effort which will make your home exterior outstanding and beautiful. Three Visits to America Central Avenue Publishing After he accidentally shoots a teenager at a tense standoff, FBI Hostage Rescue Team member Mark Sanders is sent to St.

Louis to work as a field agent and get his bearings while the bad press starts to settle. Just weeks away from returning to Quantico to resume his work on the HRT, Mark has a chance encounter with an old flame, Emily Lawson. But their reunion is cut short by a sniper. Now Mark must find the shooter before he tries to strike again. But what is his motive--and who was his intended target? Can Mark put the

pieces together, keep Emily safe, and rekindle a long-dead relationship at the same time? A fast-paced tale of romance, suspense, and intrigue, An Eye for an Eye is the exciting second installment in the Heroes of Quantico series. Maidens of the Cave An Heir Comes to Rise A gripping, propulsive YA fantasy novel from award-winning author and social media superstar Alex Aster, "Lightlark is

an ebullient, fast-paced fantasy with a beautifully rendered world that seethes with intrigue, romance and tension. I couldn't turn the pages fast enough" (#1 New York Times bestselling author Sabaa Tahir) An Instant #1 New York Times Bestseller Welcome to the Centennial. Every hundred years, the island of Lightlark appears for only 100 days to host a

deadly game, where the rulers of six realms fight to break their curses and win unparalleled power. Each ruler has something to hide. Each curse is uniquely wicked. To break them—and save themselves and their realms—one ruler must die. To survive, Isla Crown must lie, cheat, and betray. Even as love complicates everything . . . Includes Select

Exclusive Excerpts from Nightbane, the Second Book in the Lightlark Saga
The Stone Maiden
 Edizioni Piemme
 A SWORD... In the impoverished outer town of a kingdom where fae outrank humans, Faythe, an orphan with a talent for swordplay, knows the importance of keeping her head down around the fae patrol. She and best friend Jakon long for a better life, and

her desire to swing her sword in combat may bring the purpose and coin she's yearned for. A DREAM... When she draws the attention of royal guard Nik, she soon learns that her mortal nature isn't the only reason to remain out of sight. Nik is a Nightwalker, a silent assassin of the mind with the power to enter others' dreams, and whether she trusts him or not, he's about to awaken

abilities in Faythe that shouldn't exist in a human. Nightmarish abilities. Deadly abilities. Abilities that will teach Faythe blood really does run thicker than water...and if she doesn't trust in higher powers soon, blood will run indeed. AN HEIR... For this is no battle Faythe can fight with steel. Within the city walls, suspicions are arising, and here in the outer town she has deeper bonds

to protect. It seems everyone will die with a dark secret to tell, but what if one unlikely human girl was born harboring the darkest secret of all...? In a clash of steel, a mortal body may fall. But in a clash of dreams, a powerful heir may rise. Fans of THRONE OF GLASS and RED QUEEN will enjoy this first instalment in a gripping new fantasy series that portrays the unbreakable strength of friendship, the

struggle for honor, and the ache of sacrifice.

*Exclusive bonus chapter in hardback edition.

The Goliath Stone Pan
Macmillan
From the #1 New York Times bestselling author of *These Violent Delights* and *Our Violent Ends* comes the “equal parts intoxicating and dazzling” (Roshani Chokshi, *New York Times* bestselling author of *The Gilded Wolves*) first book in a

captivating new duology following an ill-matched pair of spies posing as a married couple to investigate a series of brutal murders in 1930s Shanghai. It’s 1931 in Shanghai, and the stage is set for a new decade of intrigue. Four years ago, Rosalind Lang was brought back from the brink of death, but the strange experiment that saved her also stopped her from sleeping and

aging—and allows her to heal from any wound. In short, Rosalind cannot die. Now, desperate for redemption for her traitorous past, she uses her abilities as an assassin for her country. Code name: Fortune. But when the Japanese Imperial Army begins its invasion march, Rosalind’s mission pivots. A series of murders is causing unrest in Shanghai,

and the Japanese are under suspicion. Rosalind's new orders are to infiltrate foreign society and identify the culprits behind the terror plot before more of her people are killed. To reduce suspicion, however, she must pose as the wife of another Nationalist spy, Orion Hong, and though Rosalind finds Orion's cavalier attitude and playboy demeanor

infuriating, she is willing to work with him for the greater good. But Orion has an agenda of his own, and Rosalind has secrets that she wants to keep buried. As they both attempt to unravel the conspiracy, the two spies soon find that there are deeper and more horrifying layers to this mystery than they ever imagined. **The Stone Maiden** Abrams From the New York Times bestselling

author of *The Silent Girls* comes this chilling, harrowing thriller set in rural Vermont about a recluse who believes the young girl he's found in the woods is the reincarnation of his missing daughter, returned to help him solve her and his wife's disappearance. I won't say a word. Cross my heart and hope to die... Jonah Baum, a professor of poetry at a local college in Vermont, sees his ordinary life

come tumbling down when his wife and young daughter vanish from their home. No evidence of a kidnapping. No sign of murder. No proof that Rebecca didn't simply abandon her marriage. Just Sally's crude and chilling drawings, Jonah's little lies, and the sheriff's nagging fears that nothing is what it seems. For Sally's best friend, Lucinda, it's something else. She

trusts in Sally not to just disappear, not after they've shared so many secrets—especially about the woods and what they saw there. But she'll never tell. No one would believe her anyway. As the search for Rebecca and Sally intensifies, and as suspicion falls on Jonah, the disappearances become more relentlessly haunting than anyone can imagine. Because what's seen in the light of

day is not nearly as terrifying as what remains hidden in the dark...

More Than Marmalade

The House of the Pandragore trilogy can't wait for the next instalment. It's easy to see why: The Stone and the Maiden is a spellbinding tale of peril, passion, sorcery and high adventure. There is the legend of the Signata, a mysterious sacred treasure that appears as suddenly as it vanishes, yet it is the only hope in the lands of the Ascendancy, a world menaced by an ancient and merciless evil. That evil is the force known as Deep Magic, a power long ago banished from the world, but brought back by Erkai the Chain, a master of the dreaded Black Craft. It is up to Mandine Dascaris, heiress to the throne of the Ascendancy, and to the young soldier Key Mec Brander, to find the Signata. To fail means the annihilation of their world. To succeed may mean the loss of their own lives. An unforgettable tale of high adventure, The Stone and the Maiden is ultimately the thrilling story of two lovers who, haunted by their passion and their joint fate, must overcome seemingly insurmountable odds. Epic fantasy at its most richly imagined best, it is a wonderfully entertaining read.
