An interactive touch and
feel book for babies that
inspires hands-on
learning, with the help of
the few bamboo chewing

pandas Baby Touch and Feel: Panda is an interactive and fun way to help your child about shapes, textures, and one of nature's most happy and delightful animals - the Panda. Bold, bright, and sometimes black and white, pictures and colorful illustrations will be more than enough to keep your baby's attention. This adorable picture book is a perfect first book for preschoolers and makes for an ideal baby gift. Not too big and not too small, this sturdy, padded sensory book is

just the right size for little hands to hold. No need for Mom and Dad to turn the pages! Babies and toddlers can turn the tough board book pages themselves, which helps to develop their fine motor skills while building an early language foundation. This charming board book for babies includes: • An amazing range of different textures to explore • Clearly labeled pictures and a simple, easy to follow design • Easy to read text to encourage early vocabulary building • A

texture or eye-catching area on every page • Rounded edges and chunky pages, protecting babies and their growing teeth Learning to read should always be this fun. Kids will get hours of play from this sturdy board book for babies and toddlers, from making the noises and reading the names to feeling the different textures. Packed full of shiny objects and some bumps and grooves, this educational book will engage small children and stimulate early childhood development in different

ways. This touchy feely book, with its strong, baby-safe jacket, makes for an ideal baby gift. Complete the Series This delightful book is part of the Baby Touch and Feel range of board books for babies and toddlers from DK Books and includes titles like Baby Touch and Feel Animals, Baby Touch and Feel Bedtime, Baby Touch and Feel Colors and Shapes, and more for your little one to enjoy!

[World History Dates](#) Edc Pub

systems in the human body. Easy-to-use and great for projects

Encyclopedia of World Religions Penguin

Pictures accompanied by simple text explore the planet Earth, including day and night, weather, seasons, rocks, mountains, oceans, deserts, the Arctic, rainforests, moon, and space.

[The Usborne Encyclopedia of World History](#) Usborne Publishing

Covers world history from the beginning of the universe to 2000, and

provides information about major civilizations, rulers and other historical figures, important events, and scientific and technical advances.

The Usborne Encyclopedia of Ancient Greece First Encyclopedia of History Introduce your little one to fables and fairy tales from around the world with this spellbinding series of board books for children. Little Bird has broken her wing and can't fly south for the winter with her friends. She has to find shelter, but will any trees offer her a safe

place to rest? This charming retelling of a Native American tale of why evergreen trees keep their leaves in winter teaches children about the importance of being kind and sharing. This story is the perfect length for bedtime reading, and Maja Andersen's colorful illustrations bring the magic and wonder of the tale to life. It is sure to be a storybook that little ones will treasure forever. *The Usborne Internet-linked Encyclopedia of World History* Usborne Books

With an easy-to-read text, this book provides an ideal introduction to history for young children. Intended for school projects it offers links to Internet sites which explore in more detail the topics covered.

The Usborne Internet-linked Encyclopedia of World Religions Usborne Pub Limited

Provides information on astronomy, including telescopes, space travel, and the solar system.

The Usborne Internet-linked Science Encyclopedia Usborne Books

Science and technology, nature, geography, culture, sports and hobbies, and history all combine in this mind-blowing visual encyclopedia. From incredible insects and musical instruments to spacecraft and prehistoric life, and from art and earthquakes to American football and dogs, Picturepedia gives you a world of information on every page. Did you know that more than half of the human body's weight is water, and that a koi carp can live for more than 200

years? Or how about there being more than 20,000 islands in the Pacific Ocean, or that Turkey eats the most bread, with each person getting through 104.6 kg (230.5 lb) of it per year? First published in 2015, Picturepedia has been revamped into a more thrilling edition that will take you on a visual odyssey. This brilliant book is crammed with stunning photographs, gripping information, and explanatory diagrams that allow for fascinating discoveries. New and

updated and jam-packed with thousands of pictures and fascinating facts about science, nature, culture, sports, and history, Picturepedia is the ultimate visual encyclopedia.
