The History of  
the Decline  
and Fall of the  
Roman  
Empire. By  
Edward  
Gibbon, Esq.  
In Twelve  
Volumes. Vol.  
1. -12.!  
Sourcebooks,  
Inc.  
War brought  
them  
together. Love  
will tear them  
apart. Auranos  
has been  
conquered  
and the three

kingdoms—Au  
ranos,  
Limeros, and  
Paelsia—are  
now  
unwillingly  
united as one  
country called  
Mytica. But  
alluring,  
dangerous  
magic still  
beckons, and  
with it the  
chance to rule  
not just  
Mytica, but  
the world. . . .  
CLEO is now a  
prisoner in her  
own palace,  
forced to be  
an  
ambassador  
for Mytica as  
the evil King  
Gaius lies to

her people  
MAGNUS  
stands to  
eventually  
inherit the  
new kingdom  
but is still  
obsessed with  
his feelings for  
his adopted  
sister, Lucia  
LUCIA is  
haunted by  
the deadly  
outcome of  
her  
breathtaking  
display of  
magic that  
allowed her  
father to  
capture the  
kingdoms  
JONAS  
watches at the  
palace gates,  
a troop of

rebels behind him, waiting for him to tell them how he plans to overtake King Gaius. When Gaius announces that a road is to be built into the Forbidden Mountains, formally linking all of Mytica together, he sets off a chain of cataclysmic events that will forever change the face of this land. Praise for *Falling Kingdoms* “From an opening dripping with blood, magic, and betrayal

through complex interweaving plots detailing treachery, deceit, and forbidden love, this novel . . . will immediately engage readers and keep them intrigued.”—Booklist “[It] will gut you emotionally . . . make you ache, cry, and beg for the sequel as you turn the last page. I absolutely loved it.”—Julie Kagawa, *New York Times* bestselling author of *The Iron Queen* “This triple-

layered tale of bloodshed, heartbreak, and tangled court intrigue kept me turning pages very late into the night.”—Lesley Livingston, author of *Wondrous Strange* and *Starling* Richelle Mead, bestselling author of the *Vampire Academy* and *Bloodlines* series, sits down with Morgan Rhodes to talk about *Rebel Spring*, the much-anticipated second book in her bestselling

Falling  
Kingdoms  
series.  
Richelle Mead:  
Morgan  
Rhodes (aka  
Michelle  
Rowen) has  
been my  
friend for a  
number of  
years. We've  
hung out  
together at  
conferences  
and swooned  
over each  
other's books.  
When she was  
able to work  
on Vampire  
Academy: The  
Ultimate  
Guide, I  
couldn't  
believe how  
lucky I was to  
have someone  
who was  
already a fan  
of the VA  
world and  
whose writing  
I personally  
loved. I'm just  
as excited  
about her  
Falling  
Kingdoms  
series and  
couldn't resist  
this chance to  
ask her some  
questions  
about Rebel  
Spring, the  
next book in  
the series!  
Morgan  
Rhodes: I was  
thrilled for the  
chance to  
write the VA  
Ultimate  
Guide! I  
remember  
Richelle telling  
me there were  
plans for the  
book and I  
piped up with:  
"I totally want  
to write that!"  
And what fun  
it was to delve  
back into a  
series that I  
loved (and am  
still in love  
with thanks to  
the wonderful  
Bloodlines  
spinoff). I'm  
counting down  
the days for  
the VA movie!  
Richelle is not  
only a friend,  
but one of my  
very favorite  
authors, so it's  
a real honor to  
be  
interviewed by  
her about  
Rebel Spring.  
RM: So  
without  
further ado,  
let's start  
talking about  
the new book.  
The world of  
Falling  
Kingdoms is  
so vivid and

detail-rich. When it comes to world-building for these novels, where do you get your inspiration? MR: I get my inspiration from pretty much everywhere, although I'm visually inspired by some of my favorite TV shows and movies, which run the gamut from Lord of the Rings to The Princess Bride to Game of Thrones, to name just a few. RM: At the end of Falling Kingdoms,

things are looking pretty bleak in Mytica. Is it fair to say that Rebel Spring will be quite a bit darker than book 1? MR: The stakes have been raised and sharpened, for sure. Blood will spill and lives will be lost. But I don't think I would ever want to write a book that was unrelentingly bleak from beginning to end. I can promise that Rebel Spring contains plenty of comic relief

and romance to counterbalance the darker bits. RM: The Falling Kingdoms books are written from multiple POVs, and each of your narrators has such a unique voice and perspective. How does your experience vary from POV to POV? Are there some characters that are more difficult than others? Do you have a favorite? MR: It's been a wonderful and exciting challenge to

write in multiple points of view from my diverse cast. I will admit, some POVs are always a joy to write and others prove to be a challenge. I try to put myself in the head of that character and see the world from their eyes, no matter who they are or what their goals are. I get into the heads of a couple different characters in Rebel Spring, including a villain who definitely sees

things from a darker angle than anything I've written before - which was fun. The characters whose scenes I most look forward to writing since they are very specific personalities and basically take over and make things easier for me are Cleo and Magnus. They tend to surprise me while the other characters usually stick to the outline! RM: Let's talk body count. You're very good at making me

fall in love with your characters, but you're also very good at killing them off when I least expect it. How do you decide the who, how, when, and why when it comes to killing off your characters? MR: I never knew how much I enjoyed killing characters until I started writing this series. \*evil grin\* However! I like to think those who get the ax (sometimes, um, literally) are necessary

deaths. It's all for a purpose, to change another character in the face of their shock and grief, to lead them down a path they never would have taken before, and to spark a desire for revolution and vengeance in the hearts of those who might previously have been passive and peaceful. Plus, I always think when things seem a bit too ideal and characters are getting too comfortable, it's a good

time to get a few heads rolling to keep things interesting for readers – and for me as the writer! RM: What's going on with Magnus? He seems like kind of a jerk in Falling Kingdoms, but I get the sense he's got a soft spot. MR: With a father like King Gaius, whose nickname is the "King of Blood," it would be pretty hard for a prince to grow up as a nice dude with a sunny disposition! Magnus really

came alive on the page for me, more so than any other character in the cast. Initially, he was supposed to be a jerk through and through, but he's really more of a lost soul whose entire life has been devoted to attempting to gain his cruel and driven father's love and respect. However, Magnus has begun to learn that he might have a different set of morals than the king, even though he knows

following in Daddy's footsteps would make life easier for him. This isn't to say that Magnus hasn't made (and will make) some rather dreadful decisions that will certainly cast a shadow over his future relationships and experiences. RM: Jonas has a lot of axes to grind by the end of book 1. What can we expect from him in Rebel Spring? MR: I think the main thing with Jonas is that beneath his thirst for

vengeance (focused on both the murderer of his brother Aron and King Gaius) is that he really does mean well. He cares about the people of downtrodden Paelsia, and he's someone, unlike his fellow countrymen, who doesn't believe his future is ruled by uncontrollable fate. In Rebel Spring, Jonas has been thrust into the position of rebel leader, which will be a challenge for him on many levels. RM:

Okay, ultimate personality test: Are you a Cleo or a Lucia? MR: Both are princesses from vastly different kingdoms and upbringings - Cleo is a girl who has favored parties and frivolity in the past, while Lucia prefers learning and solitude. Cleo is stubborn and sometimes reckless, and Lucia is more measured and controlled, but may be considered naïve in many ways. I wouldn't say

I'm much like either princess, really, although I am blond like Cleo and I love books like Lucia. :) RM: Lastly, can you talk a little bit about your writing process? MR: It would be next to impossible to undertake a large tapestry of a series like Falling Kingdoms if I didn't plan a lot of it ahead of time. I work from a detailed outline and map out character goals and conflicts and

relationship arcs, but I'm still surprised by some of the things my characters say and do that can take me in a direction different from what was meticulously planned. So far, it's been a lot of fun to explore these unexpected paths to see where they lead.

[The History Of The Decline And Fall Of The Roman Empire. By Edward Gibbon, Esq. Printed From The Edition In Twelve Volumes. With An](#)

[Introductory Memoir Of The Author, By William Youngman](#)  
Macmillan  
One of the most often-cited collections of letters from the American Civil War is brought to Kindle for the first time.  
General Joseph Benjamin Polley's letters to his future wife are considered some of the best of the period. An educated man, his letters were detailed accounts of his time in the

Texas Brigade of John Bell Hood. At Seven Pines, Gaines' Mill, 2nd Manassas, Chancellorsville, Gettysburg, Chicamauga, and during Grant's Overland Campaign, Polley was in the thick of the fighting. His writing is delightful and humorous. On meeting Stonewall Jackson in a road by chance, "No one offered to introduce us to each other, and, as we were both bashful, we lost the best chance of our

lives to become acquainted." The want of supplies and equipment were keenly felt in the southern forces: "I wish to God I was at home." "Oh, yes," I replied, "you want to see the girl you left behind you, don't you?" "No, indeed," he blurted out, "but I want something to eat." Every memoir of the American Civil War provides us with another view of the catastrophe that changed

the country forever. For the first time, this long out-of-print volume is available as an affordable, well-formatted book for e-readers and smartphones. Be sure to LOOK INSIDE by clicking the cover above or download a sample **Highland Rebel** Pushkin Press Five years after the final shot was fired in the War Between the States, Selah Daughtry can barely manage to keep herself, her two

younger sisters, and their spinster cousin fed and clothed. With their family's Mississippi plantation swamped by debt and the Big House falling down around them, the only option seems to be giving up their ancestral land. Pinkerton agent and former Union cavalryman Levi Riggins is investigating a series of robberies and sabotage linked to the impoverished Daughtry plantation. Posing as a

hotel management agent for the railroad, he tells Selah he'll help her save her home, but only if it is converted into a hotel. With Selah otherwise engaged with renovations, Levi moves onto the property to "supervise" while he actually attends to his real assignment right under her nose. Selah isn't sure she entirely trusts the handsome Yankee, but she'd do

almost anything to save her home. What she never expected to encounter was his assault on her heart. *The Forging of a Rebel* PM Press Selections of Flemish paintings, drawings, sculptures, tapestries and objets d'art from the 14th to 18th centuries and also of 19th century paintings from the Dutch Golden Age. Each is accompanied by commentary principally

from curators of the Royal Museums of Fine Arts of Belgium.  
**Rebel Belle** Manchester Medieval Literature The History of the Decline and Fall of the Roman Empire is a book of history which traces the trajectory of Western civilization (as well as the Islamic and Mongolian conquests) from the height of the Roman Empire to the fall of Byzantium. The work covers the history of the Roman

Empire, Europe, and the Catholic Church from 98 to 1590 and discusses the decline of the Roman Empire in the East and West: I. The first period may be traced from the age of Trajan and the Antonines, when the Roman monarchy, having attained its full strength and maturity, began to verge towards its decline; and will extend to the subversion of the Western Empire, by the barbarians of

Germany and Scythia, the rude ancestors of the most polished nations of modern Europe. This extraordinary revolution, which subjected Rome to the power of a Gothic conqueror, was completed about the beginning of the sixth century. II. The second period commences with the reign of Justinian, who, by his laws, as well as by his victories,

restored a transient splendor to the Eastern Empire. It will comprehend the invasion of Italy by the Lombards; the conquest of the Asiatic and African provinces by the Arabs, who embraced the religion of Mahomet; the revolt of the Roman people against the feeble princes of Constantinople; and the elevation of Charlemagne, who, in the year eight hundred, established the second, or German

Empire of the West III. The last and longest period includes about six centuries and a half; from the revival of the Western Empire, till the taking of Constantinople by the Turks, and the extinction of a degenerate race of princes. Edward Gibbon (1737-1794) was an English historian and Member of Parliament.

**THE HISTORY OF THE DECLINE AND FALL OF THE ROMAN EMPIRE (All**

**6 Volumes)**

Penguin  
This book studies medieval theories of free will, including explanations of how angels - that is, ideal agents - can choose evil.

**Doré's Angels**

Penguin  
By one of the most profoundly influential thinkers of our century, The Rebel is a classic essay on revolution that resonates as an ardent, eloquent, and supremely rational voice of conscience for our

tumultuous times. For Albert Camus, the urge to revolt is one of the "essential dimensions" of human nature, manifested in man's timeless Promethean struggle against the conditions of his existence, as well as the popular uprisings against established orders throughout history. And yet, with an eye toward the French Revolution and its regicides and deicides, he

shows how inevitably the course of revolution leads to tyranny. Translated from the French by Anthony Bower. [Museum of Ancient Art](#) Leisure Books Harper Price, peerless Southern belle, was born ready for a Homecoming tiara. But after a strange run-in at the dance imbues her with incredible abilities, Harper's destiny takes a turn for the seriously

weird. She becomes a Paladin, one of an ancient line of guardians with agility, super strength and lethal fighting instincts. Just when life can't get any more disastrously crazy, Harper finds out who she's charged to protect: David Stark, school reporter, subject of a mysterious prophecy and possibly Harper's least favorite person. But things get complicated when Harper starts falling for him--and

discovers that David's own fate could very well be to destroy Earth. With snappy banter, cotillion dresses, non-stop action and a touch of magic, this new young adult series from bestseller Rachel Hawkins is going to make y'all beg for more. "As surprising as it is delicious."—BCCB, starred review "Fun with a twist of supernatural and Southern charm."—VOYA "The romance,

coming-of-age aspects, and a well-drawn heroine with a crackling wit will lure in readers." —Booklist  
The History of the Decline and Fall of the Roman Empire  
 St. Martin's Press  
 Finalist for the National Book Critics Circle Award, the epic New York Times bestselling account of how Civil War general Thomas "Stonewall" Jackson became a great and tragic national hero.  
 Stonewall

Jackson has long been a figure of legend and romance. As much as any person in the Confederate pantheon—even Robert E. Lee—he embodies the romantic Southern notion of the virtuous lost cause. Jackson is also considered, without argument, one of our country's greatest military figures. In April 1862, however, he was merely another Confederate general in an

army fighting what seemed to be a losing cause. But by June he had engineered perhaps the greatest military campaign in American history and was one of the most famous men in the Western world. Jackson's strategic innovations shattered the conventional wisdom of how war was waged; he was so far ahead of his time that his techniques would be studied generations

into the future. In his "magnificent Rebel Yell...S.C. Gwynne brings Jackson ferociously to life" (New York Newsday) in a swiftly vivid narrative that is rich with battle lore, biographical detail, and intense conflict among historical figures. Gwynne delves deep into Jackson's private life and traces Jackson's brilliant twenty-four-month career in the Civil War, the

period that encompasses his rise from obscurity to fame and legend; his stunning effect on the course of the war itself; and his tragic death, which caused both North and South to grieve the loss of a remarkable American hero. *The History of the Decline and Fall of the Roman Empire (Complete 6 Volume Edition)* Simon and Schuster In this thrilling sequel, Gemma continues to

pursue her destiny to bind the magic of the Realms and restore it to the Order. Gemma and her friends from Spence use magical power to transport themselves on visits from their corseted world of Victorian London (at the height of the Christmas season), to the visionary country of the Realms, with its strange beauty and menace. There they search for the lost Temple, the key to

Gemma's mission, and comfort Pippa, their friend who has been left behind in the Realms. After these visits they bring back magical power for a short time to use in their own world. Meanwhile, Gemma is torn between her attraction to the exotic Kartik, the messenger from the opposing forces of the Rakshana, and the handsome but clueless Simon, a young man of good family who is

courting her. This is the second book in Libba Bray's engrossing trilogy, set in a time of strict morality and barely repressed sensuality, about a girl who saw another way. *The Fall of Heaven* Harlequin This book is an autobiography about the author's life when he was serving as a Confederate infantryman. In this book, he shares an unflinching account of the brutal realities of the Civil

War. As someone who fought alongside familiar faces from his hometown, he paints a vivid picture of the skirmishes, ambushes, and battles he witnessed. This firsthand account serves as a powerful historical document, capturing the experiences of soldiers in a way that can never be forgotten. *Reminiscences of a Rebel* Silvana Editoriale Pieter Bruegel the Elder - Fall of the Rebel

Angels is the first comprehensive book on one of the most cherished masterpieces of the Royal Museums of Fine Arts of Belgium in Brussels. *REBEL'S CREED* Harlequin The sizzling, un-put-downable sequel to the New York Times bestselling *Rebel of the Sands*, by Goodreads Choice Awards Best Debut Author of 2016 Alwyn Hamilton! Mere months ago,

gunslinger Amani al'Hiza fled her dead-end hometown on the back of a mythical horse with the mysterious foreigner Jin, seeking only her own freedom. Now she's fighting to liberate the entire desert nation of Miraji from a bloodthirsty sultan who slew his own father to capture the throne. When Amani finds herself thrust into the epicenter of the regime—the Sultan's palace—she's

determined to bring the tyrant down. Desperate to uncover the Sultan's secrets by spying on his court, she tries to forget that Jin disappeared just as she was getting closest to him, and that she's a prisoner of the enemy. But the longer she remains, the more she questions whether the Sultan is really the villain she's been told he is, and who's the real traitor to her sun-bleached, magic-filled homeland.

Forget everything you thought you knew about Miraji, about the rebellion, about djinni and Jin and the Blue-Eyed Bandit. In *Traitor to the Throne*, the only certainty is that everything will change. *Rebel of the Sands* was a New York Times bestseller, published in fifteen countries and the recipient of four starred reviews and multiple accolades, with film rights optioned by

Willow Smith. And its sequel is even better. [Hero at the Fall](#) DigiCat Before the Human-Covenant War engulfed Halo, the planet-colony Reach came under attack by the Covenant, and Earth's specially trained and augmented warriors, code-named SPARTANs, stood alone to fight for humanity's survival. **Rebel Spring** BoD – Books on Demand Peter Kropotkin remains one of the best-

known anarchist thinkers, and Words of a Rebel was his first libertarian book. Published in 1885 while he was in a French jail for anarchist activism, this collection of articles from the newspaper Le Revolté sees Kropotkin criticise the failings of capitalism and those who seek to end it by means of its main support, the state. Instead, he urged the creation of a mass movement

from below that would expropriate property and destroy the state, replacing their centralised hierarchies with federations of self-governing communities and workplaces. Kropotkin's instant classic included discussions themes and ideas he returned to repeatedly during his five decades in the anarchist movement. Unsurprisingly, Words of a Rebel was soon translated into

numerous languages—including Italian, Spanish, Bulgarian, Russian, and Chinese—and reprinted time and time again. But despite its influence as Kropotkin's first anarchist work, it was the last to be completely translated into English. This is a new translation from the French original by Iain McKay except for a few chapters previously translated by Nicolas Walter. Both anarchist

activists and writers, they are well placed to understand the assumptions within and influences on Kropotkin's revolutionary journalism. It includes all the original 1885 text along with the preface to the 1904 Italian as well as the preface and afterward to the 1919 Russian editions. In addition, it includes many articles on the labour movement written by Kropotkin for *Le Revolté*

which show how he envisioned getting from criticism to a social revolution. Along with a comprehensive glossary and an introduction by Iain McKay placing this work within the history of anarchism as well as indicating its relevance to radicals and revolutionaries today, this is the definitive edition of an anarchist classic. *Words of a Rebel* Simon and Schuster  
 Reproduction of the original:

Reminiscence of A Rebel by Wayland Fuller Dunaway  
*The History of the Decline & Fall of the Roman Empire* Penguin  
 About the rise and fall of Iran's glamorous Pahlavi dynasty. Traces the Shah's life from childhood through his ascension to the throne in 1941. Readers get the story of the Shah's political career alongside the story of his courtship and marriage to Farah Diba,

and an exclusive look at life inside the palace during the Iranian Revolution Rebel Angels Revell  
A love story set against the backdrop of Restoration England, Jacobite Scotland and Ireland, and the rise and fall of kings, by an award-winning author. Amidst the upheaval of the first Jacobite war in 17th century Britain, Jamie Sinclair's wit and military prowess have served him well. Leading

a troop in Scotland, he impetuously marries a captured maiden, saving her from a grim fate. A Highlands heiress to title and fortune, Catherine Drummond is not the friendless woman Jamie believed her to be. When her people effect her rescue, and he cannot annul the marriage, Jamie determines to recapture his hellcat of a new wife. In a world where family and creed cannot

be trusted, where faith fuels intolerance and war, Catherine and Jamie test the bounds of love, loyalty, friendship, and trust... Rebel Angels Simon and Schuster  
The story of the fall of the angels in Anglo-Saxon England is the story of a successfully transmitted exegetical teaching turned rich literary tradition. It can be traced through a range of genres-- sermons,

saints' lives, royal charters, riddles, devotional and biblical poetry--each one offering a distinct window into the ancient myth's place.h's place. <i>The Rebel Angels among Us</i> Courier Corporation With one simple myth, nations burned. Under the Almighty,	an empire has been forged, bringing peace to the once-divided continent. But now, a spark of truth threatens to ignite the religion of lies. Chapman unknowingly brought the Seventh Precinct to their demise. Now Officer Holden Sanders, known	throughout the Capital City as the survivor, seeks the truth of how so many he held dear were slaughtered. But when it comes to light his former mentor might still draw breath, the Officer of God is forced to wage war against the Almighty itself.
