## ANAYA NELSON

Spectrum Spelling, Grade K Christian Liberty Press

"The new Units of study in phonics provide a lean and concise instructional pathway in phonics that is realistic and doable, and that taps into kids' skills and energy for tackling the fabulous challenge of learning to read and write, introduce high-leverage phonics concepts and strategies in a way that keeps pace with students' reading and writing and helps them understand when, how, and why they can use phonics to read and write, offer delightfully fun and engaging storylines, classroom mascots, songs, chants, rhymes, and games to help students fall head over heels in love with phonics and to create a joyous community of learners, align with state-of-the-art reading and writing workshops for a coherent approach in which terminology, tools, rituals, and methods are shared in ways that benefit both teachers and kids."--provided by publisher.

*Spectrum Word Study and Phonics, Grade 3* Teacher Created Materials

Tracing and writing activities combine with puzzles to make learning fun while helping kindergarteners build letter recognition and develop lifelong learning confidence. Word recognition is an important step toward reading readiness, and Highlights (TM) infuses Fun with a Purpose® into this essential learning activity. With vibrant art and engaging prompts, Reading exposes kindergarteners to early reading concepts through alphabet, rhyming, and tracing practice with the fun of puzzles and other activities.

*Horizons K Phonics and Reading* Carson-Dellosa Publishing

"MCP "Plaid" Phonics" Level A helps students become fluent readers. Activities help students develop spelling (encoding), recognize words in context, and use phonics in word-building and personal writing. It provides teachers with a direct model for integrating phonics and reading through reading activities.

An understanding of language arts concepts is key to strong communication skills—the foundation of success across disciplines. Spectrum Language Arts for kindergarten provides focused practice to help your child master grammar, capitalization, punctuation, and parts of speech. This comprehensive workbook doesn't stop with focused practice—it encourages children to explore their creative sides by challenging them with thought-provoking writing projects. Aligned to current state standards, Spectrum Language Arts for kindergarten includes an answer key and a supplemental Writer's Guide to reinforce grammar and language arts concepts. With the help of Spectrum, your child will build the language arts skills necessary for a lifetime of success.

**Nat Enough: A Graphic Novel (Nat Enough #1)** Carson-Dellosa Publishing

A New York Times bestseller! Making friends isn't easy, but losing them is even harder! Natalie has never felt that she's enough -- athletic enough,

stylish enough, or talented enough. And on the first day of middle school, Natalie discovers that things are worse than she thought -- now she's not even cool enough for her best friend, Lily! As Natalie tries to get her best friend back, she learns more about her true self and natural talents. If Natalie can focus on who she is rather than who she isn't, then she might realize she's more than enough, just the way she is.

**Phonics for Pre-Kindergarten** Highlights Press

Words Their Way is a hands-on, developmentally-driven approach to word study that illustrates how to integrate and teach children phonics, vocabulary, and spelling skills. Building on its best-selling approach, this edition of Words Their Way continues the phenomenon that has helped thousands of children improve their literacy skills. This Fifth Edition features updated activities, expanded coverage of English learners, and emphasis on progress monitoring. All new classroom videos, an enhanced assessment application tool available on a new Web Resources site, as well as enhanced word sorts, picture sorts and games offer teachers even more tools that will enhance their word study instruction.
