For centuries, the Silent Seven has held Earth in its evil grip...but nothing lasts forever. The Shadow and Batman have infiltrated the Seven's personal stronghold, hidden off the map and away from history, at

great personal cost. They didn't expect to find one of their own standing against them once they arrived. It's Robin versus Batman with society itself in the balance as the Shadow steps into the one place even he has feared to go: The Deadly Mind of Shiwan Khan. Can three generations of crimefighting overcome centuries of evil? It's a crucible they can only overcome through the one thing none of them have: trust.

The Game Design Deep Dive series examines a specific game system or mechanic over the course of the history of the industry. This entry will examine the history and design of the horror genre and

elements in video games. The author analyzes early video game examples, including the differences between survival, action-horror, and psychological horror. Thanks to recent hits like Five Night's at Freddy's, Bendy and the Ink Machine, and recent Resident Evil titles, the horror genre has seen a strong resurgence. For this book in the Game Design Deep Dive series, Joshua Bycer will go over the evolution of horror in video games and game design, and what it means to create a terrifying and chilling experience. **FEATURES**

- Written for anyone interested in the horror genre, anyone who wants to understand game design, or anyone simply curious

from a historical standpoint • Includes real game examples to highlight the discussed topics and mechanics • Explores the philosophy and aspects of horror that can be applied to any medium • Serves as a perfect companion for someone building their first game or as part of a game design classroom

Joshua Bycer is a game design critic with more than eight years of experience critically analyzing game design and the industry itself. In that time, through Game-Wisdom, he has interviewed hundreds of game developers and members of the industry about what it means to design video games. He also strives to raise awareness about the importance of studying game

design by giving lectures and presentations. His first book was 20 Essential Games to Study. He continues to work on the Game Design Deep Dive series.

 Blasting out of the smash-hit video game BATMAN: ARKHAM KNIGHT comes an action-packed look at the game's mysterious antihero, the Arkham Knight! He is Gotham City's newest vigilante, and his deadly tactics put him in direct opposition

to Batman. But the Knight's connections to the Caped Crusader run deep-and he has much more planned than just cleaning up Gotham's crime. The Arkham Knight is here to make Batman-and every one of his allies-pay for what they did to him. So who is the Knight and why does he hate Batman so much? Writer Peter J. Tomasi (GREEN LANTERN CORPS) along with artists Alisson Borges (LOBO) and Dexter Soy (MORTAL KOMBAT X) delve deep into the psychology and history of the villain (or is it hero?) of the hit game-a must-read for any fans of Rocksteady's acclaimed Arkham trilogy!
