Rumi and Islam Wellfleet Press

The Spiritual Poems of Rumi is a beautiful and elegantly illustrated gift book of Rumi's spiritual poems translated by Nader Khalili, geared for readers searching for a stronger spiritual core.

*The Rumi Collection* Shahin Motallebi

Rumi the Persian poet is widely acknowledged as being the greatest Sufi mystic of his age. He was the founder of the brotherhood of the Whirling Dervishes. This is a collection of his poetry.

*Mystical Poems of Rumi* Mystical Poems of Rumi

The acclaimed New York Times bestselling author of *Smash Cut*, *Flannery*, and *City Poet* delivers the first popular biography of Rumi, the thirteenth-century Persian poet revered by contemporary Western readers. Ecstatic love poems of Rumi, a Persian poet and Sufi mystic born over eight centuries ago, are beloved by millions of readers in America as well as around the world. He has been compared to Shakespeare for his outpouring of creativity and to Saint Francis of Assisi for his spiritual wisdom. Yet his life has long remained the stuff of legend rather than intimate knowledge. In this breakthrough biography, Brad Gooch brilliantly brings to life the man and puts a face to the name Rumi, vividly coloring in his time and place—a world as rife with conflict as our own. The map of Rumi's life stretched over 2,500 miles. Gooch traces this epic journey from Central Asia, where

Rumi was born in 1207, traveling with his family, displaced by Mongol terror, to settle in Konya, Turkey. Pivotal was the disruptive appearance of Shams of Tabriz, who taught him to whirl and transformed him from a respectable Muslim preacher into a poet and mystic. Their vital connection as teacher and pupil, friend and beloved, is one of the world's greatest spiritual love stories. When Shams disappeared, Rumi coped with the pain of separation by composing joyous poems of reunion, both human and divine. Ambitious, bold, and beautifully written, Rumi's Secret reveals the unfolding of Rumi's devotion to a "religion of love," remarkable in his own time and made even more relevant for the twenty-first century by this compelling account.

*The Spiritual Poems of Rumi* Harper Collins

As Barks writes in his introduction to this collection, "Silence is a deeper way that lovers have found." Rumi's silence is that of the chef who hands you a spoon to let you taste, now that the recipe-reading is over. The silence becomes an inward communion, an experience beyond any doctrinal description. Somehow, in these poems, Rumi uses words to take us over into that silence.

*Rūmī, Poet and Mystic (1207-1273)* Oxford University Press on Demand

A collection of love poems from the 13th-century theologian.

*The Arabic Poems of Rumi* HarperCollins

This new volume of Rumi's works, the first-ever English translation of his Arabic poems, will be exciting for the newcomer to Rumi's verses as well as to readers already familiar with his mystical philosophy. The poems take the reader on a journey of spiritual exploration, ecstatic union, cruel rejection, and mystic

reconciliation. Rumi reveals his soul and welcomes everyone to his spiritual feast. This dual-language volume opens a treasury of Rumi's mystic thought and startling poetry. His verses pulsate with desire and longing, with sensuality, and with ecstatic celebration. Rumi found in his mystic poetry a vehicle for the expression of the endless spiritual bounties of love. He placed love at the center of his faith and doctrine, and he pronounced it to be the goal of his life and the only form of true worship. This collection is stunningly rendered in English by an award-winning poet and a distinguished translator of Arabic poetry.

**The Life of the Sufi Poet of Love** Harper Collins

The Friendship Poems of Rumi is an elegantly illustrated gift book of the famous Rumi's poems, translated by Nader Khalili, that center on the meaning of friendship and its many beautiful meanings.

*Mystical Poems of Rumi* Courier Corporation

An illustrated children's storybook featuring people of faith who rocked the religious boat on behalf of love and justice.

*The Arabic Poems of Rumi* University of Chicago Press

'The pen would smoothly write the things it knew But when it came to love it split in two, A donkey stuck in mud is logic's fate - Love's nature only love can demonstrate.' Rumi's Masnavi is widely recognized as the greatest Sufi poem ever written, and has been called 'the Koran in Persian'. The thirteenth-century Muslim mystic Rumi composed his work for the benefit of his disciples in the Sufi order named after him, better known as the whirling dervishes. In order to convey his message of divine love and unity he threaded together entertaining stories and penetrating homilies. Drawing from folk tales as well as sacred

history, Rumi's poem is often funny as well as spiritually profound. Jawid Mojaddedi's sparkling new verse translation of Book One is consistent with the aims of the original work in presenting Rumi's most mature mystical teachings in simple and attractive rhyming couplets. ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.

*Mystical Poems of Rumi* MSU Press

Rumi's poems are beloved for their touching perceptions of humanity and the Divine. Here is a rich introduction to the work of the great mystical poet, featuring leading literary translations of his verse. Translators include Coleman Barks, Robert Bly, Andrew Harvey, Kabir Helminski, Camille Helminski, Daniel Liebert, and Peter Lamborn Wilson. To display the major themes of Rumi's work, each of the eighteen chapters in this anthology are arranged topically, such as "The Inner Work," "The Ego Animal," "Passion for God," "Praise," and "Purity." Also contained here is a biography of Rumi by Andrew Harvey, as well as an introductory essay by Kabir Helminski on the art of translating Rumi's work into English.

*Selected Poems of Rumi* New York Review of Books

A powerful personal journey to find meaning and life lessons in the words of a wildly popular 13th century poet. Rumi's inspiring and deceptively simple poems have been called ecstatic,

mystical, and devotional. To writer and activist Melody Moezzi, they became a lifeline. In *The Rumi Prescription*, we follow her path of discovery as she translates Rumi's works for herself - to gain wisdom and insight in the face of a creative and spiritual roadblock. With the help of her father, who is a lifelong fan of Rumi's poetry, she immerses herself in this rich body of work, and discovers a 13th-century prescription for modern life. Addressing isolation, distraction, depression, fear, and other everyday challenges we face, the book offers a roadmap for living with intention and ease, and embracing love at every turn--despite our deeply divided and chaotic times. Most of all, it presents a vivid reminder that we already have the answers we seek, if we can just slow down to honor them. • You went out in search of gold far and wide, but all along you were gold on the inside. • Become the sky and the clouds that create the rain, not the gutter that carries it to the drain. • You already own all the sustenance you seek. If only you'd wake up and take a peek. • Quit being a drop. Make yourself an ocean.

**Gold** Wellfleet Press

An authentic exploration of the real Rumi As one of the world's most loved poets, Rumi's poems are celebrated for their message of love and their beauty, but too often they are stripped of their mystical and spiritual meanings. *The Gift of Rumi* offers a new reading of Rumi, contextualizing his work against the broader backdrop of Islamic mysticism and adding a richness and authenticity that is lacking in many Westernized conceptions of his work. Author Emily Jane O'Dell has studied Sufism both academically, in her work and research at Harvard, Columbia, and the American University of Beirut, and in practice, learning

from a Mevlevi master and his whirling dervishes in Istanbul. She weaves this expertise throughout *The Gift of Rumi*, sharing a new vision of Rumi's classic work. At the heart of Rumi's mystical poetry is the "religion of love" which transcends all religions. Through his majestic verses of ecstasy and longing, Rumi invites us into the religion of the heart and guides us to our own loving inner essence. *The Gifts of Rumi* gives us a key to experiencing this profound and powerful invitation, allowing readers to meet the master in a new way.

**Translated by Nader Khalili** Random House

In 1244, the brilliant poet Rumi and the wandering dervish Shams of Tabriz met and immediately fell into a deep spiritual connection. *The Glance* taps a major, yet little explored theme in Rumi's poetry—the mystical experience that occurs in the meeting of the eyes of the lover and the beloved, parent and child, friend and soul mate. Coleman Barks's new translations of these powerful and complex poems capture Rumi's range from the ethereal to the everyday. They reveal the unique place of human desire, love, and ecstasy, where there exists not just the union of two souls, but the crux of the universe. Here is a new kind of love lyric for our time—one of longing, connection, and wholeness.

*The Garden of the Soul, the Heart, and the Spirit* Shambhala Publications

Written from the ninth to the twentieth century, these poems represent the peak of Islamic Mystical writing, from Rabia Basri to Mian Mohammad Baksh. Reflecting both private devotional love and the attempt to attain union with God and become absorbed into the Divine, many poems in this edition are imbued with the symbols and metaphors that develop many of the central ideas of

Sufism: the Lover, the Beloved, the Wine, and the Tavern; while others are more personal and echo the poet's battle to leave earthly love behind. These translations capture the passion of the original poetry and are accompanied by an introduction on Sufism and the common themes apparent in the works. This edition also includes suggested further reading.

*The Essential Rumi* Wellfleet

*The Spiritual Poems of Rumi* is a beautiful and elegantly illustrated gift book of Rumi's spiritual poems translated by Nader Khalili, geared for readers searching for a stronger spiritual core.

*The Essential Rumi - reissue* Cosimo, Inc.

My verse resembles the bread of Egypt—night passes over it, and you cannot eat it any more. Devour it the moment it is fresh, before the dust settles upon it. Its place is the warm climate of the heart; in this world it dies of cold. Like a fish it quivered for an instant on dry land, another moment and you see it is cold. Even if you eat it imagining it is fresh, it is necessary to conjure up many images. What you drink is really your own imagination; it is no old tale, my good man. Jalal al-Din Rumi (1207–73), legendary Persian Muslim poet, theologian, and mystic, wrote poems acclaimed through the centuries for their powerful spiritual images and provocative content, which often described Rumi's love for God in romantic or erotic terms. His vast body of work includes more than three thousand lyrics and odes. This volume includes four hundred poems selected by renowned Rumi scholar A. J. Arberry, who provides here one of the most comprehensive and adept English translations of this enigmatic genius. *Mystical Poems* is the definitive resource for anyone seeking an introduction to or an enriched understanding of one of the world's

greatest poets. "Rumi is one of the world's greatest lyrical poets in any language—as well as probably the most accessible and approachable representative of Islamic civilization for Western students."—James W. Morris, Oberlin College

*The Spiritual Poems of Rumi* Harper Collins

A vibrant selection of poems by the great Persian mystic with groundbreaking translations by an American poet of Persian descent. Rumi's poems were meant to induce a sense of ecstatic illumination and liberation in his audience, bringing its members to a condition of serenity, compassion, and oneness with the divine. They remain masterpieces of world literature to which readers in many languages continually return for inspiration and succor, as well as aesthetic delight. This new translation by Haleh Liza Gafari preserves the intelligence and the drama of the poems, which are as full of individual character as they are of visionary wisdom. Marilyn Hacker praises Gafari's new translations of Rumi as "the work of someone who is at once an acute and enamored reader of the original Farsi text, a dedicated miner of context and backstory, and, best of all, a marvelous poet in English."

*Mystical Poems of Rumi* Penguin UK

The Sufi mystic and poet Jalaluddin Rumi is most beloved for his poems expressing the ecstasies and mysteries of love in all its forms—erotic, platonic, divine—and Coleman Barks presents the

best of them in this delightful and inspiring collection. Rendered with freshness, intensity, and beauty as Barks alone can do, these startling and rich poems range from the "wholeness" one experiences with a true lover, to the grief of a lover's loss, and all the states in between: from the madness of sudden love to the shifting of a romance to deep friendship to the immersion in divine love. Rumi, the ultimate poet of love, explores all "the magnificent regions of the heart," and he opens you to the lover within. Coleman Barks has made this medieval, Persian-born (present-day Afghanistan) poetic and spiritual genius the most popular poet in America today. This seductive volume reveals Rumi's charms and depths more than any other.

Translated by Nader Khalili OUP Oxford

Over 100 of Rumi's most passionate lyrics include "The Children of Light," "The Man Who Looked Back on His Way to Hell," "The Pear-Tree of Illusion." Translated by R. A. Nicholson.

*Rumi with a View to Other Persian Mystic Poets* University of Chicago Press

Rumi's short poems have many tones and effects: some of them are quick, joyful, and whimsical; some are finely faceted abstract statements; some probe the inward space of patience and longing. Moyne and Barks translated these poems using a free-verse style, connecting these poems with great American spiritual poets such as Walt Whitman and Gary Snyder.
