 Stop summer slide, stay summer smart! From the creators of America's #1 educational bestseller Brain Quest comes Summer Brain Quest: Between Grades K & 1—a workbook, a game, and an outdoor adventure! It's an interactive and personalized quest to keep kids excited about learning all summer long between Kindergarten and 1st grade. Summer Brain Quest: Between Grades K & 1 begins with a map that

guides kids through a workbook filled with activities based on phonics, reading, writing, counting, shapes, seasons, habitats, map skills, and more! As you complete activities, you earn stickers to track your progress on the map. Jam-packed with curriculum-based exercises, bonus challenges, outside activities, over 150 stickers, a summer reading list,

and a Brain Quest mini deck, *Summer Brain Quest: Between Grades K & 1* covers the core concepts in English language arts, math, science, and social studies so kids keep essential skills sharp all summer. *Summer Brain Quest: Between Grades 3 & 4* Workman Publishing 6th graders can reinforce what they learn in school with a workbook from Brain Quest. The book boasts 300 pages

jam-packed with curriculum-based activities and exercises in every subject, with a focus on math and language arts. Original full-color illustrations throughout give the book a bright, lively style that will appeal to older kids. It is engaging, user-friendly, and written to make schoolwork fun. Sixth graders will delve into research and analysis, metaphor and meaning, ratios and

proportions, expressions and equations, and geometry. The workbook covers spelling and vocabulary, writing, social studies, science, and more. Written in consultation with the Brain Quest Advisory Panel of award-winning teachers specific to each grade level, and with all content aligned with Common Core standards. Plus fun stuff: Each workbook comes with a mini-deck with

100 all-new Brain Quest questions and answers. **Brain Quest Grade 2 Reading** Workman Publishing Get ready for Kindergarten! It's fun to stay summer smart and stop summer slide with Summer Brain Quest, which offers a whole program of curriculum-based activities and learning adventures structured like a game and captured in a workbook. "Nothing Is Worth More Than This

Day." Workman Publishing Brain Quest is beloved by kids, trusted by parents, used and recommended by teachers. It's the curriculum-based, fast-paced, question-and-answer game that challenges kids on the stuff they need to know, when they need to know it. It's the brand that says "It's fun to be smart!" And it delivers. For the fourth edition every deck is

thoroughly revised and includes 20 percent new material. The content aligns with national and state standards and is overseen by the Brain Quest Advisory Board, a panel of award-winning educators, each a recent state teacher-of-the-year award winner or a recipient of the prestigious Milken Educator Award. The covers and cards have a refreshed design, giving Brain Quest a

cooler, updated look. **The Big Book of Less** Workman Publishing Brain Quest just keeps getting smarter! Brain Quest For the Car has been thoroughly updated with fresh and appealing designs for the cards and revised content—that's hundreds of brand-new questions. Drawn from first-through sixth-grade curricula, the material aligns with state and national standards and

is vetted by an award-winning teacher. For the Car makes every trip—in a car, bus, train, or plane—a learning adventure with 1,100 questions all about America, from the O.K. Corral to Dr. Seuss, state capitals to Mount Rushmore. And it's better than ever. The decks are no longer organized by state, and the cards are marked with letters and numbers to be used in backseat

games based on license plates, I Spy, and more. Brain Quest proves it's not just fun to be smart—it's smart to be smart.

Brain Quest for the Car

Workman Publishing Company Combining geography, culture and customs, and backseat travel games, a collection of 1,300 questions in two decks of cards are about people, places, nature, and regional history in America in

two categories-- cards about each state and general information cards.

Summer Brain Quest: Between Grades K & 1

Workman Publishing Incisive questions can inspire self-reflection, spark ideas, and, best of all, reveal surprising truths. From Flow, the champions of meditating on life's simple pleasures, here's a book of 165 creative questions, some sweet,

some silly, some unexpectedly provocative, that will open the mind to deeper self-knowledge. There are no "right" answers—the point is simply to stay curious and stay open to learning about oneself or a friend, partner, or roommate. There are questions to prompt memories: How many homes have you lived in? To fuel a fantasy life: Which historical event do you wish you could

have seen with your own eyes? To tap into your sense of adventure: What's the wildest thing you've ever done? To remind you to live in the present: What were the three best things that happened today? To celebrate your strength: When have you stood up for yourself? A signature Flow book in its mindful theme and charming, colorful aesthetic with vibrant patterns and hand-lettering, Know Yourself

is a pleasure to browse through and share. *Summer Brain Quest: Between Grades 2 & 3* Workman Publishing Drawing from the award-winning website ParentHacks.com, here are 134 ingenious ideas for simplifying life with kids. A parent hack can be as simple as putting the ketchup under the hot dog, minimizing the mess. Or strapping baby into a forward-facing carrier when

you need to trim his fingernails—it frees your hands while controlling the squirming. Or stashing a wallet in a disposable diaper at the beach—who would ever poke through what looks like a used Pampers? On every page, discover easy-to-do, boldly illustrated, unconventional solutions, arranged by category from Pregnancy & Postpartum through Sleep, Eating, Bath Time, Travel, and more. **Brain Quest**

A step-by-step program for getting your life in order, so you're prepared for the unexpected.

The odds of getting hit by a bus are 495,000 to 1. But the odds that you're

going to die some day? Exactly. Even the most disorganized among us can take control of our on- and off-line details so our loved ones won't have to scramble later. The experts at Everplans, a leading company in digital life planning, make it possible in this essential and easy-to-follow book. Breaking the task down into three levels, from the most urgent (like granting access to

passwords), to the technical (creating a manual for the systems in your home), to the nostalgic (assembling a living memory), this clear, step-by-step program not only removes the anxiety and stress from getting your life in order, it's actually liberating. And deeply satisfying, knowing that you're leaving the best parting gift imaginable. When you finish this book, you will have: A system for

managing all your passwords and secret codes Organized your money and assets, bills and debts A complete understanding of all the medical directives and legal documents you need--including Wills, Powers of Attorney, and Trusts A plan for meaningful photos, recipes, and family heirlooms Records of your personal history, interests, beliefs, and
